RIDGMONT CARE HOMES LIMITED

We have audited the financial statements of Ridgmont Care Homes Limited for the year ended 31 May 2005 which comprise the principal accounting policies, the profit and loss account, the balance sheet statement of total recognised gains and losses and notes 1 to 18. These financial statements have been prepared under the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of the directors and auditors

The directors' responsibilities for preparing the directors' report and the financial statements in accordance with United Kingdom law and accounting standards are set out in the statement of directors' responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom auditing standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We read other information contained in the directors' report, and consider whether it is consistent with the audited financial statements. We consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements. Our responsibilities do not extend to any other information.

Basis of opinion

We conducted our audit in accordance with United Kingdom auditing standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

PRINCIPAL ACCOUNTING POLICIES

BASIS OF PREPARATION

The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain fixed assets and in accordance with applicable United Kingdom accounting standards.

The principal accounting policies of the company have remained unchanged from the previous year and are set out below.

TANGIBLE FIXED ASSETS AND DEPRECIATION

Depreciation is calculated to write down the cost less estimated residual value of all tangible fixed assets other than freehold land by equal annual instalments over their expected useful lives. The rates generally applicable are:

Freehold buildings

50 years

Leasehold

the term of the lease

Fixtures, fittings and equipment

5 to 25 years

Motor vehicles

4 years

Computers

4 years

The carrying values of tangible fixed asses are reviewed for impairment in periods if events or changes in circumstances indicate the carrying value may not be recoverable. Any impairment is calculated by comparing the carrying value of the net assets of each care home to the recoverable amounts, as required by FRS 11, Impairment of Fixed Assets and Goodwill. Provision is made for any impairment in the period in which it arises.

LEASING AND HIRE PURCHASE CONTRACTS

Assets held under hire purchase contracts and finance leases are capitalised in the balance sheet and depreciated over their useful lives. The capital element of future obligations under the leases and hire purchase contracts are included as liabilities in the balance sheet. The interest elements of rental obligations are charged to the profit and loss account over the period of the lease.

Rentals payable under operating leases are charged to the profit and loss account as incurred.

DEFERRED TAXATION

Deferred tax is recognised on all timing differences where the transactions or events that give the company an obligation to pay more tax in the future, or a right to pay less tax in the future, have occurred by the balance sheet date. Deferred tax on defined benefit pension scheme surpluses or deficits is adjusted against these surpluses. Deferred tax assets are recognised when it is more likely than not that they will be recovered. Deferred tax is measured using rates of tax that have been enacted or substantively enacted by the balance sheet date.

RETIREMENT BENEFITS SCHEMES

The pension costs represent payments to individuals' private money purchase pension schemes. The pension cost charge represents contributions payable in the year.
