#### Strategic Report

#### Year ended 31 March 2018

The directors present their strategic report for the year ended 31 March 2018.

#### Principal activities and business review

The company's principal activity is that of an investment company of which its subsidiaries are involved in the wholesaling and retailing of pharmaceutical products.

The pharmaceutical wholesale and retail markets continue to be highly challenging. With the strategies adopted by the subsidiaries the directors believe the performance of the company's investments in the year was satisfactory.

Throughout the year the Department of Health continued to make various reductions to pharmacy remuneration in England and these have had an adverse impact on the performance of the Lloyds pharmacy business. Actions are ongoing to mitigate the effect of the cuts; the business remains diligent and accordingly closed and sold a number of pharmacy locations during the financial year.

#### Principal risks and uncertainties

The key business risk to the investment activity of the company is the performance of its investments. The management of the subsidiaries and the execution of their strategies are subject to a number of key risks. All present Directors are, and those that have resigned were, Directors of AAH Pharmaceuticals Limited, the main trading entity of the wholesale division and/or Lloyds Pharmacy Limited, the main trading entity of the retail division. Risks are formally reviewed by the boards of these entities and appropriate processes are put in place to monitor and mitigate them.

The company is exposed to a variety of financial risks, which include liquidity, foreign currency and interest rate risk. The company has employed a programme that seeks to manage and limit any adverse effects of these risks on the financial performance of the company, which are described in more detail below.

The directors have not delegated the responsibility of monitoring financial risk management to a sub-committee of the board, although use is made of a central treasury function which arranges the overall funding requirements of the Admenta UK Limited group. This central function operates within a framework of clearly defined policies and procedures which have been approved by the directors, and reports to the board on a monthly basis. The policies approved by the board of directors are implemented by the company's finance department and the central treasury function. The policies cover funding and hedging instruments, exposure limits and a system of authority for the approval and execution of transactions.

Liquidity risk: the company participates in the banking arrangements of the UK group, which are arranged with the assistance of the central treasury function. The UK group funds its operations through a mix of retained earnings, borrowings and leasing that is designed to ensure that the company has sufficient funds for its day to day operations and other activities. Cash flow requirements are monitored through rolling projections which are compiled across the group.

Foreign currency and interest rate risk: the subsidiaries affected by foreign currency risk use instruments to manage this risk. The company also has both interest bearing assets and liabilities, these being managed within the UK group.

#### Key performance indicators (KPIs)

Given the straightforward nature of the business, the company's directors are of the opinion that analysis using KPIs is not necessary for an understanding of the development, performance or position of the business.

#### **Future developments**

Given the straightforward nature of the business, there are no future developments to note. The company will continue to act as a holding company going forward.

#### **Dividends**

The directors do not recommend the payment of a dividend and there was no dividend payment in the prior year.

#### **Future developments**

Future developments of the business are detailed in the strategic report.

#### Going concern

The company has the support of the parent company, McKesson Europe AG, and for this reason the directors consider it to be a going concern.

#### Qualifying third party indemnity provisions

Liability insurance, a qualifying third party indemnity provision for the purposes of the Companies Act 2006 was provided for the UK directors by McKesson Europe AG, an intermediate parent entity. On the date of approval of the financial statements liability insurance was also in force.

#### Disclosure of information in the strategic report

The company has chosen in accordance with section 414C(11) of the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 to set out in the company's strategic report information required by schedule 7 of the Large and Medium-sized Companies and Groups (Accounts and Reports) Regulations 2008.

The strategic report on page 1 makes reference to the following: financial risk management and future developments.

#### Principle risks and uncertainties

Principle risks and uncertainties are detailed in the strategic report.

#### Directors' responsibilities statement

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

#### Directors' Report (continued)

#### Year ended 31 March 2018

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including FRS 102. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### **Auditor**

Each of the persons who is a director at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the company's auditor is unaware;
   and
- they have taken all steps that they ought to have taken as a director to make themselves aware of any relevant audit information and to establish that the company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of S418 of the Companies Act 2006.

The auditor is deemed to have been re-appointed in accordance with section 487 of the Companies Act 2006.

# Independent Auditor's Report to the Members of Admenta UK Limited

#### Year ended 31 March 2018

#### Report on the audit of the financial statements

#### Opinion -

In our opinion the financial statements of Admenta UK Limited (the 'company'):

- give a true and fair view of the state of the company's affairs as at 31 March 2018 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements which comprise:

- the statement of comprehensive income;
- the statement of financial position;
- the statement of changes in equity; and
- the related notes 1 to 22.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the Financial Reporting Council's (the 'FRC's') Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

We are required by ISAs (UK) to report in respect of the following matters where:

- the directors' use of the going concern basis of accounting in preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

We have nothing to report in respect of these matters.

## Independent Auditor's Report to the Members of Admenta UK Limited (continued)

#### Year ended 31 March 2018

#### Other information

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in respect of these matters.

#### Responsibilities of directors

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

#### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

#### Report on other legal and regulatory requirements

#### Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the strategic report or the directors' report.

## Independent Auditor's Report to the Members of Admenta UK Limited (continued)

#### Year ended 31 March 2018

#### Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report in respect of the following matters if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- •; certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in respect of these matters.

#### Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

#### Notes to the Financial Statements

#### Year ended 31 March 2018

#### 1. General information

The company is a private company limited by shares, registered in England and Wales. The address of the registered office is Sapphire Court, Walsgrave Triangle, Coventry, CV2 2TX, United Kingdom.

#### 2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland'.

#### 3. Accounting policies

#### Basis of preparation

The principal accounting policies are summarised below. They have all been applied consistently throughout the year and to the preceding period.

The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 102 (FRS 102) issued by the Financial Reporting Council.

The functional currency is considered to be pounds sterling because that is the currency of the primary economic environment in which the Company operates.

#### Going concern

The company has the support of the parent company, McKesson Europe AG, and for this reason the directors consider it to be a going concern.

#### Consolidated financial statements

The financial statements contain information about Admenta UK Limited as an individual company, rather than consolidated information as the parent of the group. The company is exempt under section 400 of the Companies Act 2006 from the requirement to prepare group financial statements as its results are included by full consolidation in the financial statements of its ultimate parent at the period end, McKesson Corporation, a company registered in North America.

#### Dividend and interest revenue

Dividend income from investments is recognised when the shareholders' rights to receive payment have been established (provided that it is probably that the economic benefits will flow to the company and the amounts of revenue can be measured reliably).

Interest income is recognised when it is probable that the economic benefits will flow to the group and the amount of revenue can be measured reliably. Interest income is accrued on a time basis by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

#### Notes to the Financial Statements (continued)

#### Year ended 31 March 2018

#### Disclosure exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102. Its financial statements are consolidated into the financial statements of McKesson Corporation which can be obtained from McKesson Corporation, One Post Street, San Francisco, CA 94104, United States. As such, advantage has been taken of the following disclosure exemptions available under paragraph 1.12 of FRS 102:

No cash flow statement has been presented for the company.

Disclosures in respect of financial instruments have not been presented.

No disclosure has been given for the aggregate remuneration of key management personnel.

#### Income tax

The charge for taxation is based on the result for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for accounting and taxation purposes. Deferred tax liabilities are provided in full but deferred tax assets are recognised only to the extent it is considered more likely than not that the associated tax deduction can be utilised on their reversal. Deferred tax liabilities and assets are not discounted.

#### Foreign currencies

Foreign currency transactions are initially recorded in the functional currency, by applying the spot exchange rate as at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the exchange rate ruling at the reporting date, with any gains or losses being taken to the profit and loss account.

#### Pension costs and other post-retirement benefits

The company operates several pension schemes, one of which is a defined benefit and two defined contribution. All schemes are funded and constituted as independently administered funds with their assets being held separately from those of the company. The net liabilities under the defined benefit pension scheme are included in the balance sheets of Lloyds Pharmacy Limited and AAH Pharmaceuticals Limited. The expected return on pension scheme assets and interest costs are included within net finance income and actuarial gains and losses are included within the statement of other comprehensive income of Lloyds Pharmacy Limited and AAH Pharmaceuticals Limited.

#### Investments

Shares in group companies are shown at historic cost less any necessary write down for impairment. The basis for any impairment is by reference to the net asset value of the investment.

#### Financial instruments

A financial asset or a financial liability is recognised only when the company becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the transaction price, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

#### Notes to the Financial Statements (continued)

#### Year ended 31 March 2018

#### 3. Accounting policies (continued)

#### Financial instruments (continued)

Debt instruments are subsequently measured at amortised cost.

Where investments in non-convertible preference shares and non-puttable ordinary shares or preference shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in profit or loss. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in profit or loss, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss immediately.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised in profit or loss immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

#### 4. Critical accounting judgements and key sources of estimation uncertainty

In the application of the Company's accounting policies, which are described in note 3, the directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The directors have considered the Statement Comprehensive Income, the Statement of Financial Position and the Company's accounting policies and do not consider there to be any critical accounting judgements or key sources of estimation uncertainty.

The basis for any impairment write down of investments is by reference to the higher of the post-tax net realisable value and the value in use of those assets. For the purposes of determining any impairment the income generating unit takes account of associated cash flows within the Admenta UK Limited group.

The value in use is determined through discounting all future cash flows using a risk adjusted rate. The risk adjusted rate is based upon the weighted average cost of capital of the parent company, McKesson Europe AG, as used within internal investment appraisal mechanisms.

#### 6. Auditor's remuneration

Auditor's remuneration for the audit of the company's financial statements of £4,000 (2017: £4,000) has been borne by Lloyds Pharmacy Limited, a fellow group company and not recharged. No non-audit services have been provided by the auditor during the period (2017: £nil).

#### 7. Directors' emoluments

The emoluments of all directors are paid by a fellow subsidiary company, Lloyds Pharmacy limited, which makes no recharge to the company. All other directors of this company are also directors of a number of fellow subsidiary companies and it is impossible to make an accurate apportionment of their emoluments in respect of each of these companies. Accordingly no emoluments in respect of these directors are disclosed. Their emoluments are included in the aggregate of directors' emoluments disclosed in the financial statements of Lloyds Pharmacy limited.
