Dear Sir/Madam

RHOBURT STREET LIGHTING LIMITED - IN MEMBERS' VOLUNTARY LIQUIDATION ("THE COMPANY")

REGISTERED COMPANY NO – 03018912

REGISTERED OFFICE ADDRESS – WEST POINT, OLD TRAFFORD, MANCHESTER, M16 9HU

I, Beverley Ellice Budsworth, of The Business Debt Advisor, WestPoint Building, 3rd Floor, 501 Chester Road, Old Trafford, Manchester, was appointed as Liquidator of the above named company on 26 June 2014, pursuant to Section 91 of the Insolvency Act 1986

I present my **final report** in accordance with Rule 4.126A of the Rules. The report should be read in conjunction with previous correspondence to members

Background Information

It should be noted that I have been appointed as Liquidator of several limited companies, all of which entered into Members' Voluntary Liquidation on 26 June 2014. These companies are part of a group of subsidiaries of Amey Plc, and a schedule of those companies referred to is attached at **Appendix I** of this report.

Ferrovial SA is the parent company of Amey Plc, and is a Spanish multinational company involved in the design, construction, financing, operation and maintenance of transport, urban and services infrastructure. The voluntary liquidation of these companies has been effected as a group project and for this reason, my final report should be read in conjunction with the attached schedule.

Receipts and Payments Account

I attach at **Appendix II**, a summary of my receipts and payments account covering the period from the date of my appointment to 26 September 2016, being the entire period to date.

Declaration of Solvency

The purpose of this declaration is to confirm, a prescribed form, that the directors of the company, having made suitable enquiries into its affairs, have formed the opinion that it will be able to pay its liabilities in full, plus interest, within a period not exceeding twelve months. In relation to this matter, the Declaration of Solvency made on 25 June 2014, confirmed the company had no assets and no liabilities.

ASSETS

As noted above, the company has no assets which can be realised for the benefit of the liquidation.

LIABILITIES

It is estimated that the company has no outstanding liabilities requiring payment and that all of the company liabilities have been paid in full. My previous report advised that I was yet to receive tax clearance HM Revenue and Customs ("HMRC"). I am pleased to confirm that I have now obtained formal confirmation from representatives of HMRC that the company has no unpaid liabilities which must be paid prior to the conclusion of the liquidation.

ADMINISTRATION

In addition to the matters noted above, throughout the period of my appointment to date, I have responded to queries from directors and members. In addition, I have complied with the obligations imposed by statute, and my regulatory body which include, but are not limited to, the submission of returns to Companies House, HMRC, and specific penalty bonding.

COSTS AND EXPENSES OF THE LIQUIDATION

Shareholders will note from Appendix II, that there is no remuneration or expenses disclosed on the attached receipts and payments account. As regards specific matters, I comment as follows,

Liquidators Remuneration

I was engaged to act as Liquidator of the company, and others detailed within the attached schedule, by Amey Plc ("the parent company"). Due to the nature of this engagement, it has been necessary for me to enter into a separate agreement with the parent company in relation to payment of my fees and disbursements in this matter. As my remuneration is not paid out of the assets of the company, no steps have been taken during the period of this report to fix the basis of my remuneration under Rule 4.148A of the Rules.

I can confirm that my remuneration as Liquidator has been paid upon a fixed fee basis of £1,500.00, per company entering into Members' Voluntary Liquidation. As noted above, the liquidation of these companies has been effected as a group project and my time charges have been allocated against the project as a whole.

Should further information regarding my remuneration or expenses be required, it may be requested by members, in writing, and the information requested shall be provided within a period of 14 days of the request pursuant to Rule 4.49E(1) of The Insolvency Rules 1986. In addition, pursuant to Rule 4.148C of the Rules, members with at least 10% of the total voting rights of all members having the right to vote at a general meeting of the company, or any member with permission of the Court, may apply to the court should they be dissatisfied with the above.

Liquidators' Disbursements

As noted above, due to the nature of this engagement, it has been necessary to enter into a separate agreement with the parent company in relation to payment of my disbursements in this matter. I can confirm that this firm's disbursement policy was notified to the parent company on 27 March 2015, and the disbursements of the project continue to be paid as and when required.
