COLCHESTER & NORTH EAST ESSEX BUILDING PRESERVATION TRUST

TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 MARCH 2019

The trustees present their report and financial statements for the year ended 31 March 2019.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the Trust's memorandum and articles of association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016)

Objectives and activities

The Trust's objects are to preserve for the benefit of the townspeople of Colchester and North East Essex the historical, architectural and constructional heritage that may exist in the area in the form of buildings of particular beauty, historical, architectural or constructional heritage.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the Trust should undertake.

TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 MARCH 2019

Achievements and performance

With limited resources available to the Trust we again prioritised our activities around Jumbo and Birch Church. We continue to respond to other requests for help, where practical.

Jumbo

As explained last year, after considerable work by our Director, the working group of Trustees and Purcells, a Stage 1 Lottery application for the preservation and development of Jumbo was submitted in March 2018. This was rejected in July 2018, because of the demands for Lottery funding, and the compelling nature of other cases. We remain convinced of the merits of the scheme proposed which balanced public access with commercial sustainability and we will continue to work with the owner, Colchester Borough Council (CBC) and Historic England to see what alternative funding and support may be possible with respect to a further application under the new rules. It remains the case that Jumbo is one part only of the development of the "Cultural Quarter" of Colchester and it is essential that a far-sighted and imaginative scheme is developed for the whole area. Considerable debate is being undertaken to establish the priorities for such a scheme, which has been reinvigorated by the success of the Mercury Theatre's funding bids.

With encouragement and funding from the Lottery Fund, CBC and RIBA, we designed and, after year end, conducted a six month heritage learning programme which drew on the knowledge and skills of local historians, specialist engineers, design companies and architects. This generated a great deal of learning materials and reinforced the local interest in the project.

Birch Church

We and others were successful in defeating the Church's efforts to overturn the decision of Rt Hon Eric Pickles MP when Secretary of State to have the proposed demolition referred to a Public Inquiry under the Skelmersdale Agreement. Following that confirmation, a Pre- Inquiry Meeting was held with a new Inspector, and with the help of our counsel, Paul Shaderavian QC, the issues to be resolved were refined. Since that date the Church has withdrawn from the planned inquiry for reasons as yet unknown. We continue to work with CBC, the Cottee family and other supporters and relevant heritage organisations to achieve the outcome desired. As such we will continue to engage with the local community and adjoining landowners to ensure there is maximum support for the plans.

A planning application for the partial demolition and conversion of the church has been submitted by Gary Cottee (ref. 161203) and although delayed, responses to issues raised are being formulated and the Cottee family continue to be committed to the project. Colchester Borough Council have not yet produced the conservation area management plan as required.

Halstead 21st Century

With our support Halstead 21st century Group has developed an alternative vision for the development of the difficult site which they are calling Halstead Heritage Park. It is an imaginative scheme making best use of the topography and geology, preserving the Courtauld air raid shelters and providing both social housing and green space which will be a valuable wildlife, educational and recreational area. It is hoped that their paper will influence the local authority, the owners and potential funders.

Thanks

Particular thanks should be given to David Balcombe, our Director. He could not have done what he has done without the generous help of our Trustees and Purcell's, Architects, in terms of their time and expertise.

TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2019

Financial review

Our funds have been reduced as a result of the amount of work we have had to do on Jumbo and Birch Church. We have not conducted any specific fundraising (other than with respect to the Jumbo Heritage Learning Programme referred to above) but will address that in the context of the continuing work we do on the Jumbo and Birch projects, which will benefit the owners. Public interest in Jumbo remains high and we would expect their support as we move forward.

It remains the policy of the Trust to maintain unrestricted reserves of not less than three to six months operating costs. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the Trust's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been exceeded throughout the year. As the trustees are likely to incur costs in respect of Jumbo the trust will require a higher level of reserves to be held over and above those required to meet three to six months' expenditure. Operating costs vary depending upon the intensity of the workload but we are confident that we have sufficient reserves for our currently projected

The trustees have assessed the major risks to which the Trust is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Structure, governance and management

The Trust is a company limited by guarantee and governed by its memorandum and articles of association.

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF COLCHESTER AND NORTH EAST ESSEX BUILDING PRESERVATION TRUST

I report to the trustees on my examination of the financial statements of Colchester and North East Essex Building Preservation Trust (the Trust) for the year ended 31 March 2019

Responsibilities and basis of report

As the trustees of the Trust (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

Having satisfied myself that the financial statements of the Trust are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the Trust's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the Trust as required by section 386 of the 2006 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2019

1 Accounting policies

Charity information

Colchester and North East Essex Building Preservation Trust is a private company limited by guarantee incorporated in England and Wales. The registered office is Walcotts Hall, Coggeshall Road, Great Tey, Colchester, Essex, CO6 1AH.

1.1 Accounting convention

The financial statements have been prepared in accordance with the Trust's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The Trust is a Public Benefit Entity as defined by FRS 102.

The Trust has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the Trust. Monetary amounts in these financial statements are rounded to the nearest £.

The accounts have been prepared under the historical cost convention, modified to include the revaluation of certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the Trust has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

1.4 Incoming resources

Income is recognised when the Trust is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Trust has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the Trust has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

1 Accounting policies

1.5 Resources expended

All expenditure is accounted for on an accruals basis and is recognised when there is a legal or constructive obligation to pay. Expenditure has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of the resources.

Resources expended include attributable VAT, which cannot be recovered.

1.6 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

1.7 Financial instruments

Basic financial instruments are initially recognised at transaction value and subsequently measured at amortised cost. Financial assets comprise cash at bank and in hand, together with trade and other debtors. A specific provision is made for debts for which recoverability is in doubt. Cash at bank and in hand is defined as all cash held in instant access bank accounts and used as working capital. Investments are held at fair value at the balance sheet date, with gains and losses being recognised within income and expenditure. Financial liabilities held at amortised cost comprise all creditors.

2 Critical accounting estimates and judgements

In the application of the Trust's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
