Notes to the financial statements

1. Accounting policies

Yorkshire Water Projects Limited (the "company") is a private company limited by shares and incorporated and resident for tax in the UK.

These financial statements were prepared in accordance with Financial Reporting Standard 102, the financial reporting standard applicable in the UK and Republic of Ireland ("FRS 102"). The presentation currency of these financial statements is sterling.

The company's ultimate parent undertaking, Kelda Holdings Limited includes the company in its consolidated financial statements. The consolidated financial statements of Kelda Holdings Limited are prepared in accordance with International Financial Reporting Standards as adopted by the EU and are available to the public and may be obtained from Western House, Halifax Road, Bradford, West Yorkshire, BD6 2SZ. In these financial statements, the company is considered to be a qualifying entity (for the purposes of this FRS) and has applied the exemptions available under FRS 102 in respect of the following disclosures:

- Reconciliation of the number of shares outstanding from the beginning to end of the period;
- Cash flow statement and related notes; and
- Key management personnel compensation.

As the consolidated financial statements of Kelda Holdings Limited include the equivalent disclosures, the company has also taken the exemptions under FRS 102 available in respect of the following disclosures:

- The disclosures required by FRS 102.11 *Basic Financial Instruments*.

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

There are no judgements made by the directors, in the application of these accounting policies that have significant effect on the financial statements and estimates with a significant risk of material adjustment in the next year.

Measurement convention

The financial statements are prepared on the historical cost basis.

Basic financial instruments

Trade and other creditors

Trade and other creditors are recognised initially at transaction price plus attributable transaction costs. Subsequent to initial recognition they are measured at amortised cost using the effective interest method. If the arrangement constitutes a financing transaction, for example if payment is deferred beyond normal business terms, then it is measured at the present value of future payments discounted at a market rate of instrument for a similar debt instrument.

Notes to the financial statements (continued)

2. Profit and loss account

The company has not traded during the year. Therefore, the company has made neither profits nor losses and no profit and loss account has been presented.

3. Information regarding directors and employees
