## **INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDERS OF GRANGEWORLD LIMITED**

**YEAR ENDED 31 MARCH 2005**

We have audited the Financial Statements of GRANGEWORLD LIMITED for the year ended 31 March 2005 on pages 6 to 12 which have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002), under the historical cost convention and the accounting policies set out on pages 8 to 9.

This report is made solely to the company's shareholders, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's shareholders those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's shareholders as a body, for our audit work, for this report, or for the opinions we have formed.

### **RESPECTIVE RESPONSIBILITIES OF DIRECTOR AND AUDITORS**

As described in the Statement of Director's Responsibilities the company's director is responsible for the preparation of the Financial Statements in accordance with applicable law and United Kingdom Accounting Standards.

Our responsibility is to audit the Financial Statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the Financial Statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Director's Report is not consistent with the Financial Statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding director's remuneration and transactions with the company is not disclosed.

We read the Director's Report and consider the implications for our report if we become aware of any apparent misstatements within it.

### **BASIS OF AUDIT OPINION**

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the Financial Statements. It also includes an assessment of the significant estimates and judgements made by the director in the preparation of the Financial Statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the Financial Statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the Financial Statements.

**GRANGEWORLD LIMITED**

**INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDERS OF  
GRANGEWORLD LIMITED (continued)**

**YEAR ENDED 31 MARCH 2005**

**QUALIFIED OPINION ARISING FROM DEPARTURE FROM ACCOUNTING  
STANDARDS**

The company's investment properties are included in the financial statements on the basis indicated in note 1 on accounting policies. This does not comply with the requirements of Statement of Standard Accounting Practice No. 19 which requires such properties to be stated at their open market value. However, as stated in their report, the directors are of the opinion that each of the company's investment properties has an open market value at least equal to the amount at which it is included in the financial statements.

Except for non-compliance with the requirements of Statement of Standard Accounting Practice No. 19, in our opinion the financial statements give a true and fair view of the state of the company's affairs at 31 March 2004 and of its profit for the year then ended and have been properly prepared in accordance with the Companies' Act 1985.

In our opinion the company is entitled to the exemption conferred by section 248 of the Companies Act 1985 from the requirement to prepare group accounts for the financial year ended 31 March 2005.

**GRANGEWORLD LIMITED**  
**NOTES TO THE ABBREVIATED ACCOUNTS**  
**YEAR ENDED 31 MARCH 2005**

**1. ACCOUNTING POLICIES**

**Basis of accounting**

The Financial Statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002), subject to the departures referred to below.

**Cash flow statement**

The accounts do not include a cash flow statement because the company, as a small reporting entity, is exempt from the requirement to prepare such a statement under Financial Reporting Standard No. 1 "Cash flow statements".

**Turnover**

The turnover of the company is represented by sales proceeds for properties held for investment purposes coupled with rents and charges receivable.

**Fixed assets**

All fixed assets are initially recorded at cost.

**Investment properties**

Investment properties are included in the balance sheet at historical cost, which is not in accordance with Statement of Standard Accounting Practice No. 19, which requires such properties to be stated at their open market value.

**Depreciation**

In accordance with Statement of Standard Accounting Practice No. 19, no depreciation or amortisation is provided in respect of freehold investment properties nor on leasehold investment properties having an unexpired term of more than twenty years. This departure from the requirements of the Companies Act 1985, for all properties to be depreciated, is necessary, as the director consider that this accounting policy results in the financial statements giving a true and fair view.

**Foreign currencies**

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of the transaction. Exchange differences are taken into account in arriving at the operating profit.

**Consolidation**

The company forms part of a medium sized group. The ultimate parent company has therefore taken advantage of the exemption provided by section 248 of the Companies Act 1985 not to prepare group accounts.

**Acquisitions and disposals of properties**

Acquisitions and disposals are considered to have taken place at the date of legal completion and are included in the financial statements accordingly.
