Notes to the Abbreviated Accounts for the period ended 31 December 2013**1 Accounting Policies****Basis of measurement and preparation of accounts**

Accounting convention:

The financial statements have been prepared under the historical cost convention.

Financial reporting standard number 1:

Exemption has been taken from preparing a cash flow statement on the grounds that the company qualifies as a small company.

Compliance with accounting standards:

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated).

Turnover:

Turnover represents commission receivable in respect of agency fees.

Deferred tax:

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Foreign currencies:

Assets and liabilities in foreign currencies are translated into Swiss franc at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into Swiss franc at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

Going concern:

The financial statements are prepared on the basis of the going concern, which assumes that the company will be in operational existence for the foreseeable future. This depends upon continued support of the shareholders. The financial statements do not include any adjustments that would result if such support is withdrawn.

Other accounting policies

CONTROL:

The directors are unable to identify the ultimate controlling parties or any related party transactions.
