#### **Directors' Responsibilities**

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### **MOVIES SERVICES LIMITED**

# AUDITORS' REPORT TO THE SHAREHOLDERS OF MOVIES SERVICES LIMITED

We have audited the financial statements on pages 4 to 8 which have been prepared under the historical cost convention and the accounting policies set out on page 6.

# Respective responsibilities of directors and auditors

As described on page 1 the company's directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

#### Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board, except that the scope of our work was limited as explained below. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. However, the evidence available to us was limited because we were unable to obtain independent confirmation of the bank accounts and related information and have relied solely on bank statements provided to us to confirm bank balances held by the company. In addition, we were unable to ascertain the recoverability of trade debtors of £3,437 as at the balance sheet date. There were no other satisfactory audit procedures that we could adopt to confirm these details.

In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

# AUDITORS' REPORT TO THE SHAREHOLDERS OF MOVIES SERVICES LIMITED

Qualified opinion arising from limitation in audit scope

Except for any adjustments or additional disclosures that may have been found to be necessary had we obtained independent confirmation of the bank balances and trade debtors, in our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31 December 1997 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

In respect alone of the limitation on our audit work relating to the above, we have not obtained all the information and explanations that we considered necessary for the purpose of our audit.

In all other respects, we have obtained all the information and explanations we consider necessary for the purposes of our audit. In our opinion, proper books of account have been kept by the company. The financial statements are in agreement with the books of account.
