## NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2008

### 1. ACCOUNTING POLICIES

#### Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2007).

#### Turnover

Turnover represents the amounts derived from the provision of services to customers during the year.

Service charges are charged to the tenants each year based on the budgeted expenditure. Any deficit or surplus arising where the actual expenditure does not equal budgeted expenditure is reflected in the accounts as a debtor or creditor and is recovered from, or refunded to tenants in the following year.

#### Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more tax, with the following exceptions: Deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which the timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

#### Maintenance reserve

The company is liable to ensure that certain areas, external to the flats, are kept in good repair and decorative order. This includes major decorative work every few years. It has been decided that a separate maintenance reserve should be maintained to cover the expected costs and appropriations are made from the profit and loss account for this purpose.

#### Taxation

The company operates on a mutual trading basis and is not liable to corporation tax. Funds held by the company on behalf of the residents are deemed to be a trust under Section 42 of the Landlord and Tenant Act 1987 and liable to taxation of 20% on interest received.
