Independent auditors' report to the company

Pursuant to section 247b of the companies act 1985

We have examined the abbreviated financial statements on pages 2 to 4, together with the financial statements of the company for the year ended 31st December 2001 prepared under Section 226 of the Companies Act 1985.

Respective responsibilities of the director and the auditors

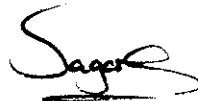

The director is responsible for preparing the abbreviated financial statements in accordance with section 246 of the Companies Act 1985. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated financial statements prepared in accordance with sections 246(5) and (6) of the Act to the registrar of companies and whether the financial statements to be delivered are properly prepared in accordance with those provisions and report our opinion to you.

Basis of opinion

We have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated financial statements and that the abbreviated financial statements to be delivered are properly prepared. The scope of our work for the purpose of this report did not include examining or dealing with events after the date of our report on the financial statements.

Opinion

In our opinion the company is entitled to deliver abbreviated financial statements prepared in accordance with sections 246(5) and (6) of the Act, and the abbreviated financial statements on pages 2 to 4 are properly prepared in accordance with those provisions.

Notes to the abbreviated financial statements

for the year ended 31st December 2001

1. Accounting policies

Basis of accounting

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective March 2000).

Turnover

The turnover shown in the profit and loss account represents amounts invoiced during the year, exclusive of Value Added Tax.

Depreciation

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Plant & Machinery	-	15% on a straight line basis
Motor Vehicles	-	20% on a straight line basis
Haulage Vehicles	-	25% on a straight line basis

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Pension costs

The company operates a defined contribution pension scheme for employees. The assets of the scheme are held separately from those of the company. The annual contributions payable are charged to the Profit and Loss Account.

Deferred taxation

Provision is made, under the liability method, to take account of timing differences between the treatment of certain items for accounts purposes and their treatment for tax purposes. Tax deferred or accelerated is accounted for in respect of all material timing differences to the extent that it is considered that a net liability may arise.
