Directors' Report

The directors present their report and the financial statements for the year ended 31 December 2018.

Principal activity

The company did not trade during the year. The directors intend to liquidate the company so the financial statements have not been prepared on going concern basis.

Results and dividends

The profit for the year, after taxation, amounted to £nil (2017: £11,881,000).

During the year, the company paid an interim dividend of £nil (2017: £279,583,000).

The directors do not recommend the payment of a final dividend (2017: £nil).

Directors of the company

The directors who held office during the year and up to the date of the directors' report were as follows:

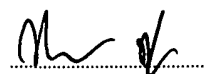

A T P Budge

A P Mathur

Directors' liabilities

One or more of the directors have benefited from qualifying third party indemnity provisions in place during the financial year and subject to the conditions set out in section 234 of the Companies Act 2006. Such qualifying third party indemnity provisions remain in force as at the date of approving the directors' report.

Approved by the Board on 24/6/19 and signed on its behalf by:

A T P Budge

Director

IGE USA Group

Statement of Directors' Responsibilities

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK accounting standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- assess the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- as explained in note 2, the directors do not believe that it is appropriate to prepare these financial statements on a going concern basis

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Notes to the Financial Statements

1 General information

The company is a private unlimited company, registered in England, incorporated and domiciled in the United Kingdom.

The address of its registered office is:

3rd Floor
1 Ashley Road
Altrincham
WA14 2DT

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

These financial statements were prepared in accordance with Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 102, the Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland and the Companies Act 2006.

Explanation of transition to FRS 102

This is the first year that the company has presented its financial statements under Financial Reporting Standard 102 (FRS 102) issued by the Financial Reporting council. The last financial statements, prepared under FRS 101, were for the year ended 31 December 2017 and the date of transition to FRS 102 was therefore 1 January 2018. As a consequence of adopting FRS 102, a number of accounting policies have changed to comply with the standard. Despite the adoption of FRS 102, there has been no impact on the financial statements thus no restatement is required.

Going concern

As the company has ceased trading the directors have not prepared the financial statements on a going concern basis. As a result, all assets and liabilities have been reviewed and stated at their net realisable value.

Cash flow

The company, being a subsidiary undertaking where 90% or more of the voting rights are controlled within the group whose consolidated financial statements are publicly available, is exempt from the requirement to draw up a cash flow statement in accordance with FRS 1.

Transactions with related parties

The company, as a wholly owned subsidiary undertaking of General Electric Company, has taken advantage of an exemption contained FRS 8, "Related Party Disclosures", in preparing in financial statements. This exemption allows the company not to disclose details of transactions with other group companies or investees of the group qualifying as related parties, as the consolidated financial statements of General Electric Company in which the company is included, are publicly available.

Tax

Tax is recognised in profit or loss, except that a change attributable to an item of income or expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the balance sheet date in the countries where the company operates and generates income.

Full provision is made for deferred tax liabilities arising from all temporary differences between the recognition of gains and losses in the financial statements and recognition in the tax computation.

A net deferred tax asset is recognised only if it can be regarded as probable that there will be suitable taxable profits from which the future reversal of the underlying temporary differences can be deducted.

Deferred tax assets and liabilities are calculated at the tax rates expected to be effective at the time the temporary differences are expected to reverse.

Deferred tax assets and liabilities are not discounted.

3 Staff costs

The company had no employees during the year (2017: nil).

4 Directors' remuneration

No directors received any remuneration in respect of services to the company during the current or preceding financial year.

All of the directors are/were also directors of a group undertaking and do not specifically receive any remuneration in respect of the company. It was not possible to determine an appropriate proportion of their services on behalf of the company.

7 Taxation (continued)

Factors that may affect future tax charges

The UK corporation tax rate will reduce from 19% to 17% on 1 April 2020. This will reduce any current tax charges accordingly.

There are no other factors that may significantly affect future tax charges.

There were no amounts of provided or unprovided deferred taxation as at 31 December 2018 or 31 December 2017.

The UK tax authorities issued closure notices to disallow interest deductions claimed by other group companies for years from 2007 to 2015. The proposed disallowance does not affect interest deductions claimed by IGE USA Group but, if sustained, could impact losses surrendered against the taxable income of IGE USA Group in prior years. We comply with all applicable tax laws and judicial doctrines of the United Kingdom. We are contesting the disallowance and believe the full benefit of the deductions will be sustained on their technical merits, but the outcome of pending litigation cannot be fully known until resolution of the matter. Given the uncertainty of how much may be ultimately disallowed and availability of other UK group tax attributes, IGE USA Group is unable to quantify the amount, if any, of the tax impact of this item.
