## **STRATEGIC REPORT**

**Year ended 31 December 2020**

### **REVIEW OF THE BUSINESS**

The company has continued its business of a holding company during the year. The company saw turnover fall by 59.3%. Administrative expenses increased by £2,711 during the year resulting in an operating loss of £422,818 (2019:profit £871,817).

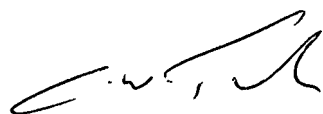

### **PRINCIPAL RISKS AND UNCERTAINTIES**

The principal risk to the business surrounds the lease retention for 19 - 21 Portman Square. This lease expires in March 2049.

### **CORPORATE SOCIAL RESPONSIBILITY (CSR) POLICY AND PROCEDURES**

Fairford Group and its subsidiaries aim to be long term contributors to a sustainable society and an overarching CSR policy has been formulated by Fairford Group which has been customised by local management teams where needed and adopted by the boards in the respective Fairford Group portfolio companies. Educational workshops have been carried out to ensure that the management teams are fully informed, aligned and dedicated to spread the policy and procedures in their respective organisations. The efforts invested and measures taken ensure that each company and the group as a whole are operated and managed in a sustainable way and well positioned to match the current and upcoming legislation related to sustainability and CSR. The sustainability work is constantly ongoing and Fairford Group and its subsidiaries strive to continuously improve this further over time. The parent company Fairford Holdings Europe AB (556606-7566) provides a sustainability report for the Fairford Group as part of their annual report.

This report was approved by the board of directors on 12 March 2021 and signed on behalf of the board by:

Mr C W Tuke  
Director

# **BERKELEY ADAM LIMITED**

## **DIRECTORS' REPORT**

### **Year ended 31 December 2020**

The directors present their report and the financial statements of the company for the year ended 31 December 2020.

#### **DIRECTORS**

The directors who served the company during the year were as follows:

Mr S M Al-Hajaj

Mr C W Tuke

Mr S N Osseiran

Mr B A Dahl

Mr O M S Jaroudi

Mr B Dahl

(Appointed 28 April 2020)

#### **DIVIDENDS**

The directors do not recommend the payment of a dividend.

#### **FINANCIAL INSTRUMENTS**

The company's principal financial instruments comprise loans to the company from group undertakings. The main purpose of the instrument is to raise funds for the company's operations.

The company manages the liquidity risk by ensuring there are sufficient funds to meet the payments.

#### **DISCLOSURE OF INFORMATION IN THE STRATEGIC REPORT**

In accordance with section 414C(11) of the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 we have set out in the company's strategic report information required by schedule 7 of the Large and Medium-sized Companies and Groups (Accounts and Reports) Regulations 2008.

#### **DIRECTORS' RESPONSIBILITIES STATEMENT**

The directors are responsible for preparing the strategic report, directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

# **BERKELEY ADAM LIMITED**

## **DIRECTORS' REPORT** *(continued)*

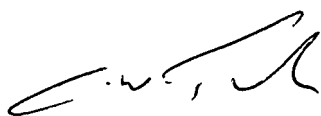

**Year ended 31 December 2020**

### **AUDITOR**

Each of the persons who is a director at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the company's auditor is unaware; and
- they have taken all steps that they ought to have taken as a director to make themselves aware of any relevant audit information and to establish that the company's auditor is aware of that information.

This report was approved by the board of directors on 12 March 2021 and signed on behalf of the board by:

Mr C W Tuke  
Director

**KILSBY  
WILLIAMS**  
Chartered Accountants

## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF BERKELEY ADAM LIMITED**

**Year ended 31 December 2020**

### **OPINION**

We have audited the financial statements of Berkeley Adam Limited (the 'company') for the year ended 31 December 2020 which comprise the profit and loss account, statement of comprehensive income, balance sheet, statement of changes in equity, statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2020 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **BASIS FOR OPINION**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **CONCLUSIONS RELATING TO GOING CONCERN**

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

**KILSBY  
WILLIAMS**  
Chartered Accountants

## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF BERKELEY ADAM LIMITED (continued)**

**Year ended 31 December 2020**

### **OTHER INFORMATION**

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### **OPINIONS ON OTHER MATTERS PRESCRIBED BY THE COMPANIES ACT 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

### **MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION**

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report or the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

### **RESPONSIBILITIES OF DIRECTORS**

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial

**KILSBY  
WILLIAMS**  
Chartered Accountants

## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF BERKELEY ADAM LIMITED** *(continued)*

### **Year ended 31 December 2020**

statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

### **AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We gained an understanding of the legal and regulatory framework applicable to the company and the industry in which it operates, and considered the risk of acts by the company that were contrary to applicable laws and regulations, including fraud. We designed audit procedures to respond to the risk, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

We focussed on laws and regulations which could give rise to a material misstatement in the financial statements, including, but not limited to, the Companies Act 2006 and UK tax legislation. Our tests included agreeing the financial statement disclosures to underlying supporting documentation and enquiries with management. There are inherent limitations in the audit procedures described above and, the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we would become aware of it. We did not identify any key audit matters relating to irregularities, including fraud. As in all our audits, we also addressed the risk of management override of internal controls, including testing journals and evaluating whether there was evidence of bias by the directors that represented a risk of material misstatement due to fraud.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the

**KILSBY  
WILLIAMS**  
Chartered Accountants

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF BERKELEY ADAM  
LIMITED (continued)**

**Year ended 31 December 2020**

effectiveness of the internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**USE OF OUR REPORT**

This report is made solely to the company's members, as a body, in accordance with chapter 3 of part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

## **NOTES TO THE FINANCIAL STATEMENTS**

**Year ended 31 December 2020**

### **1. GENERAL INFORMATION**

The company is a private company limited by shares, registered in England and Wales. The principal place of business is 20 Portman Square, London, W1H 6LW.

### **2. STATEMENT OF COMPLIANCE**

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland'.

### **3. ACCOUNTING POLICIES**

#### **Basis of preparation**

The accounts have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through the profit or loss account.

The accounts are prepared in sterling, which is the functional currency of the entity.

#### **Finance costs**

Finance costs relating to assets in course of construction are capitalised.

#### **Disclosure exemptions**

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102. Its financial statements are consolidated into the financial statements of Home House Collection Limited which can be obtained from Companies House, Crown Way, Cardiff, CF14 3UZ. As such, advantage has been taken of the following disclosure exemptions available under paragraph 1.12 of FRS 102:

(a) Disclosures in respect of financial instruments have not been presented.

#### **Consolidation**

The entity has taken advantage of the exemption from preparing consolidated financial statements contained in Section 400 of the Companies Act 2006 on the basis that it is a subsidiary undertaking and its immediate parent undertaking is established under the law of an EEA State.

#### **Judgements and key sources of estimation uncertainty**

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

# **BERKELEY ADAM LIMITED**

## **NOTES TO THE FINANCIAL STATEMENTS** *(continued)*

**Year ended 31 December 2020**

### **3. ACCOUNTING POLICIES** *(continued)*

#### **Judgements and key sources of estimation uncertainty** *(continued)*

Key sources of estimation uncertainty

Accounting estimates and assumptions are made concerning the future and, by their nature, will rarely equal the related actual outcome. The key assumptions and other sources of estimation uncertainty that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are as follows:

##### **Taxation**

Management estimation is required to determine the amount of deferred tax assets that can be recognised, based upon likely timing and level of future taxable benefits.

##### **Turnover**

The turnover shown in the profit and loss account is derived from ordinary activities and represents invoiced sales exclusive of Value Added Tax.

Revenue from the rendering of services is measured by reference to the stage of completion of the service transaction at the end of the reporting period provided that the outcome can be reliably estimated. When the outcome cannot be reliably estimated, revenue is recognised only to the extent that it is probable the expenses recognised will be recovered.

##### **Taxation**

The taxation expense represents the aggregate amount of current and deferred tax recognised in the reporting period. Tax is recognised in the profit and loss account, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, tax is recognised in other comprehensive income or directly in equity, respectively.

Current tax is recognised on taxable profit for the current and past periods. Current tax is measured at the amounts of tax expected to be paid or recovered using the tax rates and laws that have been enacted or substantively enacted at the reporting date.

Deferred tax is recognised in respect of all timing differences at the reporting date. Unrelieved tax losses and other deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the reporting date that are expected to apply to the reversal of the timing difference.

# **BERKELEY ADAM LIMITED**

## **NOTES TO THE FINANCIAL STATEMENTS** *(continued)*

**Year ended 31 December 2020**

### **3. ACCOUNTING POLICIES** *(continued)*

#### **Operating leases**

Lease payments are recognised as an expense over the lease term on a straight-line basis. The aggregate benefit of lease incentives is recognised as a reduction to expense over the lease term, on a straight-line basis.

#### **Tangible assets**

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses. Where fixed assets comprise components with different useful lives, each such significant component is depreciated separately.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other comprehensive income and accumulated in equity, except to the extent it reverses a revaluation decrease of the same asset previously recognised in the profit or loss account. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other comprehensive income to the extent of any previously recognised revaluation increase accumulated in equity in respect of that asset. Where a revaluation decrease exceeds the accumulated revaluation gains accumulated in equity in respect of that asset, the excess shall be recognised in the profit or loss account.

#### **Depreciation**

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Leasehold Property - nil depreciation on the structure of the building and 10% straight line method for other improvements.

The company has a policy of regular maintenance and repair on the leasehold buildings. The directors believe that the residual value of the leasehold buildings at the end of their useful economic life to the entity will not be materially different from the carrying value of the asset. The directors annually review the carrying value and the expected useful economic life and accordingly the directors believe that the depreciation charge for the structure element of the leasehold buildings is immaterial.

#### **Investments**

Fixed asset investments are initially recorded at cost, and subsequently stated at cost less any accumulated impairment losses.

# **BERKELEY ADAM LIMITED**

## **NOTES TO THE FINANCIAL STATEMENTS** *(continued)*

**Year ended 31 December 2020**

### **3. ACCOUNTING POLICIES** *(continued)*

#### **Impairment of fixed assets**

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely are independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the company are assigned to those units.

#### **Financial instruments**

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the transaction price, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Debt instruments are subsequently measured at amortised cost. Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss immediately.

Any reversals of impairment are recognised in profit or loss immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

### **4. TURNOVER**

Turnover arises from:

	<b>2020</b>	<b>2019</b>
	<b>£</b>	<b>£</b>
Rendering of services	<b>887,533</b>	<b>2,179,457</b>

The whole of the turnover is attributable to the principal activity of the company wholly undertaken in the United Kingdom.

All subsidiaries listed above are included in the consolidated accounts of the immediate parent company Home House Collection Limited.

### 11. CASH AND CASH EQUIVALENTS

Cash and cash equivalents comprise the following:

	2020 £	2019 £
Cash at bank and in hand	545	–
Bank overdrafts	–	(91)
	<u>545</u>	<u>(91)</u>

# BERKELEY ADAM LIMITED

## NOTES TO THE FINANCIAL STATEMENTS *(continued)*

Year ended 31 December 2020

### 12. CREDITORS: amounts falling due within one year

	2020 £	2019 £
Bank loans and overdrafts	–	91
Amounts owed to group undertakings	8,777,485	8,354,031
	<u>8,777,485</u>	<u>8,354,122</u>

### 13. PROVISIONS

	Deferred tax (note 14) £
At 1 January 2020	1,094,893
Additions	50,939
<b>At 31 December 2020</b>	<u><b>1,145,832</b></u>

### 14. DEFERRED TAX

The deferred tax included in the balance sheet is as follows:

	2020 £	2019 £
Included in provisions (note 13)	<u>1,145,832</u>	<u>1,094,893</u>

The deferred tax account consists of the tax effect of timing differences in respect of:

	2020 £	2019 £
Accelerated capital allowances	456,752	387,956
Revaluation of tangible assets	792,549	706,937
Unused tax losses	(103,469)	–
	<u>1,145,832</u>	<u>1,094,893</u>

The net deferred tax liability is expected to increase in 2021 by £24,000. This primarily relates to the reversal of existing timing differences on tangible fixed assets and the reduction of the value of the leasehold property.

At the year end there are unused tax losses of £544,570.

### 15. FINANCIAL INSTRUMENTS

In accordance with FRS102 the company has taken advantage from disclosing the carrying amounts of financial instruments on the grounds that its parent publishes consolidated financial statements.
