- 1.5 Where this Deed imposes an obligation on a Chargor to do something if required or requested by the Security Agent, it will do so as soon as practicable after it becomes aware of the requirement or request.

Security

2 Payment of Secured Obligations

Each Chargor will pay or otherwise discharge on demand all the Secured Obligations from time to time incurred by it under or in connection with the Finance Documents when they become due for payment or discharge.

3 Charges

3.1 The charges contained in this clause 3:

- (a) are given to the Security Agent as trustee for the Finance Parties;
- (b) secure the payment and discharge of the Secured Obligations; and
- (c) are given with full title guarantee.

3.2 Each Chargor charges, by way of first legal mortgage:

- (a) all the Land of which a brief description is contained in Schedule 3 (*Land*); and
- (b) all other Land now owned by it,

and in any Rights accruing to, derived from or otherwise connected with it (including insurances and proceeds of Disposal and of insurances).

3.3 Each Chargor charges, by way of first fixed charge, all of the Rights which it now has and all of the Rights which it obtains at any time in the future in:

- (a) Land, other than that charged under clause 3.2;
- (b) Equipment;
- (c) Investments;
- (d) Key Contracts;
- (e) Key Accounts;
- (f) Intellectual Property;
- (g) Debts; and
- (h) goodwill and uncalled capital,

and in any Rights accruing to, derived from or otherwise connected with them (including insurances and proceeds of Disposal and of insurances.

- 3.4 Each Chargor charges, by way of first floating charge, its undertaking and all its present and future assets other than those effectively charged under clauses 3.2 or 3.3.
- 3.5 This floating charge created by this Deed is a qualifying floating charge for the purpose of paragraph 14 of Schedule B1 to the Insolvency Act 1986.
- 3.6 The Security Agent may convert all or part of the floating charge created by each Chargor under clause 3.4 into a fixed charge by giving notice to that effect to the Chargor concerned and specifying the identity of the assets concerned. This may be done on one or more occasions, but only (a) during an Enforcement Time or (b) if the Security Agent reasonably considers that its security over the assets concerned is in jeopardy and that it is necessary to do so to protect or preserve its security.

4 Set-off

- 4.1 A Finance Party may set off any matured Secured Obligation due from a Chargor (to the extent beneficially owned by that Finance Party) against any matured obligation owed by that Finance Party to that Chargor, regardless of the place of payment, booking branch or currency of either obligation.
- 4.2 If the obligations are in different currencies, the Finance Party may convert either obligation at a market rate of exchange in its usual course of trading for the purpose of the set-off.
- 4.3 These Rights are in addition to the security conferred on the Security Agent under this Deed.

5 Restrictions

- 5.1 Each Chargor will ensure that the restrictions contained in this clause 5 are complied with unless the Security Agent agrees to the contrary.
- 5.2 Unless expressly permitted by the Facility Agreement:
 - (a) no Security will exist over, or in relation to, any Charged Asset other than Permitted Security; and
 - (b) there will be no Disposal of any Charged Asset, other than a Permitted Disposal or in respect of any Debts.

6 Perfection

General action

- 6.1 Each Chargor will, at its own expense, create all such Security, execute all such documents, give all such notices, effect all such registrations (whether at the Companies Registry, an asset registry or otherwise), deposit all such documents and do all such other things as the Security Agent may require from time to time in order to:
- (a) ensure that it has an effective first-ranking fixed charge (or, in the case of Land then owned by that Chargor, a charge by way of legal mortgage) over the Fixed Charge Assets (other than the Debts), subject only to such Permitted Security as the Security Agent has agreed should rank in priority;
 - (b) ensure that it has an effective first-ranking floating charge over the Floating Charge Assets, subject only to such Permitted Security as the Security Agent has agreed should rank in priority; and
 - (c) facilitate the enforcement of the Transaction Security, the realisation of the Charged Assets or the exercise of any Rights held by the Security Agent or any Receiver or Administrator under or in connection with the Transaction Security.
- 6.2 The scope of clause 6.1 is not limited by the specific provisions of the rest of this clause 6 or by any other provision of the Transaction Security Documents.

Notification

- 6.3 If, after the date of this Deed, a Chargor acquires (a) Rights in Land, (b) a new Subsidiary or (c) Rights in any other material asset, it will notify the Security Agent as soon as reasonably practicable and will provide it with such information about the acquisition as the Security Agent may reasonably require.

Land

- 6.4 Each Chargor will execute a first charge by way of legal mortgage over any Land in England and Wales owned by it at that time which is not already the subject of such a charge in favour of the Security Agent, substantially in the form of the supplemental legal charge set out in Schedule 7 (*Form of Supplemental Legal Charge*).
- 6.5 Each Chargor agrees to the entry of the following restriction in the proprietorship register of the title to any Land in England and Wales which now or in the future is the subject of a charge by way of legal mortgage in favour of the Security Agent and which is, or is required to be, registered at the Land Registry:

"No disposition of the registered estate by the proprietor of the registered estate is to be registered without a written consent signed by the proprietor for the time being of the Charge dated [*date of this Deed*] in favour of Barclays Bank PLC of [*address for service*] referred to in the Charges Register."

- 6.6 If any Land in which a Chargor has Rights now or in the future is required to be registered at the Land Registry, that Chargor will, within the relevant priority period under the Land Charges Act 1972:
- (a) apply to the Land Registry for first registration of the title to that Land and registration of that Chargor as proprietor of that Land and notify the Security Agent of its title number; and
 - (b) if so required by the Security Agent, create a first charge by way of legal mortgage over that Land in favour of the Security Agent or, if not so required, procure that this Deed is noted in the charges register of that Land.
- 6.7 If any Land in which a Chargor has Rights is already registered when those Rights are acquired, that Chargor will within the priority period of the relevant Land Registry Official Search:
- (a) apply to the Land Registry for its title to that Land to be registered and give notice of the title number to the Security Agent; and
 - (b) if so required by the Security Agent, create a first charge by way of legal mortgage over that Land in favour of the Security Agent or, if not so required, procure that this Deed is noted in the charges register of that Land.
- 6.8 If any Land in which a Chargor has Rights now or in the future is not required to be registered at the Land Registry, that Chargor will, within the relevant priority period under the Land Charges Act 1972, apply to register a Class C Land Charge in respect of this Deed at the Land Charges Registry if the title deeds and documents to that Land are not deposited with the Security Agent under clause 6.10 (*Documents*).
- 6.9 Each Chargor will procure the entry of a note of the obligation to make further advances under the terms of the Facility Agreement on the Charges Register of any registered land forming part of the Land over which it has created a charge by way of legal mortgage in favour of the Security Agent.
- 6.10 Each Chargor will deposit with the Security Agent all deeds and documents of title and all leases, licences and other ancillary documents received by it or on its behalf in relation to its Land or ensure that such deeds and documents are held to the Security Agent's order under an acceptable undertaking in a form approved by the Security Agent by solicitors practicing in England.

Equipment

- 6.11 If required to do so by the Security Agent, each Chargor will create a first legal mortgage over any Equipment owned by it at that time, in any form which the Security Agent may reasonably require.

Shares

- 6.12 If, at any time, a Chargor owns shares in a Subsidiary, it will:
- (a) on the date of this Deed (or, if it acquires the shares later, as soon as practicable after it does so), deposit with the Security Agent all certificates or other documents of title to those shares and stock transfer forms for them, executed in blank by that Chargor;
 - (b) if required to do so by the Security Agent (and to the extent that that Chargor is able to do so) amend the articles of association of the Subsidiary concerned in the manner reasonably required by the Security Agent (and procure that the Subsidiary takes, or omits to take, all such other steps as the Security Agent may require) in order to enable it to enforce its security without restriction; and
 - (c) if reasonably required to do so by the Security Agent, procure that the Security Agent or its nominee becomes registered as the legal owner of the shares concerned.

Key Accounts and Key Contracts

- 6.13 If, at any time, a Chargor has a Right in respect of a Key Account or a Key Contract, it will, if requested by the Security Agent on the date of this Deed (or, if it acquires the Right later, as soon as practicable after it does so):
- (a) deliver a notice of this Deed to the other parties to the relevant Key Account or Key Contract (excluding the Home House Headlease and the Cumberland Headlease) substantially in the form set out in the applicable part of Schedule 6 (*Notice and Acknowledgement of charge*);
 - (b) deliver a notice of this Deed to the landlord to the Home House Headlease and the Cumberland Headlease in a form satisfactory to the Security Agent; and
 - (c) use its reasonable endeavours to procure that those parties deliver an acknowledgement of the notice to the Security Agent substantially in the form set out in that part of that Schedule (or, in the case of (b) above in a form satisfactory to the Security Agent) as soon as reasonably practicable.

provided that no such notice need be served where the Key Account is maintained with Barclays Bank PLC.

Subsequent security

- 6.14 If a Finance Party receives notice that any Security has been created over Charged Assets which the Finance Documents do not permit to rank in priority to the Transaction Security, that Finance Party will be treated as if it had immediately opened a new account for each Chargor, and all payments received by that Finance Party from that Chargor will be treated as if they had been credited to the new account and will not reduce the amount then due from that Chargor to that Finance Party.

Enforcement

7 Enforcement

Time for enforcement

- 7.1 The Security Agent may enforce the Transaction Security created by a Chargor at any time which is an Enforcement Time or if the Chargor concerned requests it to do so.

Methods of enforcement

- 7.2 The Security Agent may enforce the Transaction Security by:
- (a) appointing an Administrator of that Chargor;
 - (b) if permitted to do so by the Insolvency Legislation, appointing an Administrative Receiver of that Chargor;
 - (c) appointing a Specific Receiver of assets of that Chargor;
 - (d) going into possession of, receiving the benefit of, or selling assets of that Chargor, giving notice to that Chargor or any other person in relation to any assets of that Chargor, exercising a right of set-off or in any other way it may decide; or
 - (e) taking any other action it may decide in any jurisdiction other than England.
- 7.3 To the extent that the Transaction Security arises under a security financial collateral arrangement, the Security Agent may also enforce it by giving written notice to the Chargor concerned that it is appropriating those Charged Assets which consist of financial collateral. On receipt of that notice by the Chargor concerned, the Security Agent will automatically become the absolute owner of that financial collateral, and the Chargor concerned will have no further interest in it. The value of the financial collateral will, as soon as practicable after it has been established, be applied in discharge of the equivalent amount of the Secured Obligations in accordance with clause 8 (*Application of proceeds*) and, to the extent the value of the financial collateral exceeds the amount of Secured Obligations, the Security Agent shall account to the relevant Chargor for the surplus. For this purpose, the Security Agent will value the financial collateral as follows:
- (a) in the case of cash, by reference to its face value received by the Security Agent; and
 - (b) in the case of financial instruments, by reference to such public indices, valuations or other matters as the Security Agent may reasonably decide.

Expressions defined in the Financial Collateral Arrangements (No. 2) Regulations 2003 will have the same meanings in this clause.

- 7.4 An Administrator must be appointed in accordance with the Insolvency Legislation.
- 7.5 A Receiver must be appointed by an instrument in writing, and otherwise in accordance with the Insolvency Legislation.
- 7.6 The appointment of a Receiver may be made subject to such limitations as are specified by the Security Agent in the appointment.
- 7.7 If more than one person is appointed as a Receiver, each person will have power to act independently of any other, except to the extent that the Security Agent may specify to the contrary in the appointment.
- 7.8 Subject to the Insolvency Legislation, the Security Agent may remove or replace any Receiver.
- 7.9 If required by the Insolvency Legislation, an Administrator or Receiver must be a person qualified to act as such under it.

Powers on enforcement

- 7.10 An Administrator will have the powers given to him by the Insolvency Legislation.
- 7.11 An Administrative Receiver of a Chargor will have:
 - (a) the powers given to him by the Insolvency Legislation;
 - (b) the powers given to a mortgagee or a receiver by the Law of Property Act 1925, but without the restrictions contained in section 103 of that Act; and
 - (c) the power to do, or omit to do, on behalf of that Chargor, anything which that Chargor itself could have done, or omitted to do, if its assets were not the subject of Security and that Chargor were not in insolvency proceedings.
- 7.12 A Specific Receiver will have the same powers as an Administrative Receiver in respect of the assets over which he is appointed.
- 7.13 The Security Agent will, if it enforces the Transaction Security itself, have the same powers as an Administrative Receiver in respect of the assets which are the subject of the enforcement.
- 7.14 Except to the extent provided by law, none of the powers described in this clause 7 will be affected by an Insolvency Event in relation to a Chargor.

Status and remuneration of Receiver

- 7.15 A Receiver of a Chargor will be the agent of that Chargor until that Chargor goes into liquidation. He will have no authority to act as agent for the Security Agent, even in the liquidation of that Chargor.
- 7.16 The Security Agent may from time to time determine the remuneration of any Receiver.

Third parties

- 7.17 A person dealing with the Security Agent or with a Receiver is entitled to assume, unless it has actual knowledge to the contrary, that:
- (a) those persons have the power to do those things which they are purporting to do; and
 - (b) they are exercising their powers properly.

8 Application of proceeds

All money received or recovered by the Security Agent or a Receiver under or in connection with the Finance Documents (whether during, or before, enforcement of the Transaction Security) will, subject to the rights of any persons having priority, be applied in accordance with the Facility Agreement.

Undertakings

9 Land and Equipment

9.1 Each Chargor will:

- (a) comply with all material statutory, regulatory, environmental and contractual obligations relating to its Land or its use; and
- (b) comply with all obligations imposed on it, and enforce the observance and performance of all obligations of all other persons, under any lease of its Land.

9.2 Each Chargor will keep its Land and Equipment (to the extent such Equipment is necessary in the conduct of its business) in good repair, working order and condition (ordinary wear and tear excepted) and permit the Security Agent and its representatives to enter and view their state and condition upon giving reasonable notice to the Chargor concerned.

9.3 No Chargor will, without the written consent of the Security Agent:

- (a) grant or extend any lease, agreement for lease or licence, or part with or share possession or occupation, of its Land;
- (b) grant any licence or permission to any occupier to assign, underlet, part with possession or occupation or change the use of its Land;
- (c) determine, accept or agree to accept the surrender of any leasehold interest in any of its Land;

15 Duration of the security

- 17.4 No payment by a Chargor (whether under a court order or otherwise) will discharge the Obligation of that Chargor unless and until the Finance Parties have received payment in full in the currency in which the Obligation is denominated. If, on conversion into that currency, the amount of the payment falls short of the amount of the Obligation concerned, the Finance Parties will have a separate cause of action against the Chargors for the shortfall.
- 17.5 Any certification or determination by the Security Agent of an amount payable by a Chargor under this Deed is, in the absence of manifest error, conclusive evidence of that amount.
