In the opinion of the director the company is entitled to claim exemptions from audit by virtue of subsection (1) of Section 249A of the Companies Act 1985. Members have not required the company, under Section 249B(2) of the Companies Act 1985, to obtain an audit for the year ended 30 November 2005. The director is responsible for ensuring that the company maintains accounting records in compliance with Section 221 of that Act and for preparing accounts which give a true and fair view of the affairs of the company as at the end of the financial year and of its profit or loss for the year then ended in accordance with Section 226, and which comply with the other requirements of the Act relating to the accounts so far as applicable to the company.

In preparing these abbreviated financial statements the director has taken advantage of the special provisions of Part VII of the Companies Act 1985 relating to small companies.

Approved by the board of directors on 6 June 2006 and signed on its behalf.

N C W Ridley - Director

The annexed notes form part of these financial statements.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 NOVEMBER 2005

1. Accounting policies

These financial statements have been prepared under the historical cost convention, as modified by the revaluation of investment properties and in accordance with the Financial Reporting Standard for Small Entities (effective June 2002).

Cash flow statement

The company has taken advantage of the exemption contained within Financial Reporting Standard No.1 from the requirement to prepare a cash flow statement on the grounds that it qualifies as a small company as defined by Section 247 of the Companies Act 1985.

Income

Turnover represents charges to external customers exclusive of Value Added Tax and trade discounts.

Depreciation of fixed assets

Depreciation has been computed to write off the cost of fixed assets over their expected useful lives at the following rates:-

Plant and machinery

20% per annum reducing balance

A full year's depreciation is charged in the year of acquisition of an asset but none in the year of disposal.

Deferred taxation

Deferred tax assets and liabilities have arisen from timing differences between the recognition of gains and losses in the financial statements and their recognition in a tax computation. In accordance with Financial Reporting Standard No.19, full provision has been made to the extent to which it is considered more likely than not to become payable/recoverable in the foreseeable future and at the rate eventually expected to be charged.

Investment properties

The investment properties have not been depreciated in accordance with Statement of Standard Accounting Practice No.19, and are revalued on an open market basis.
