This article applies where the total number of Directors for the time being is less than the quorum for Directors' meetings.

12.2 Action if one Director

If there is only one Director, that Director may take no action other than to appoint sufficient Directors to make up a quorum or call a general meeting to do so.

12.3 Action if more than one Director

If there is more than one Director:

- (a) a Directors' meeting may take place, if it is called in accordance with the Articles and at least two Directors participate in it, with a view to appointing sufficient Directors to make up a quorum or calling a general meeting to do so; and
- (b) if a Directors' meeting is called but only one Director attends at the appointed date and time to participate in it, that Director may appoint sufficient Directors to make up a quorum or call a general meeting to do so.

13. CHAIRING OF DIRECTORS' MEETINGS

13.1 Appointment of chairman

The Directors may appoint a Director to chair their meetings.

13.2 Appointed person called Chairman

The person so appointed for the time being is known as the "**Chairman**".

13.3 Termination of Chairman's appointment

The Directors may terminate the chairman's appointment at any time.

13.4 Alternative Chairman

If the Chairman is not participating in a Directors' meeting within 10 minutes of the time at which it was to start, the participating Directors must appoint one of themselves to chair it.

14. VOTING AT DIRECTORS' MEETINGS: GENERAL RULES

14.1 Decisions at Directors' meetings

Subject to the Articles, a decision is taken at a Directors' meeting by a majority of the votes of the participating Directors.

14.2 Number of votes

Subject to the Articles, each Director participating in a Directors' meeting has one vote.

15. CASTING VOTE

15.1 Chairman's casting vote

If the numbers of votes for and against a proposal are equal, the Chairman or other Director chairing the meeting has a casting vote.

15.2 Exception

But article 15.1 does not apply if, as contemplated by article 17.6 (*Examples of terms of authorisation*) or otherwise in accordance with the Articles, the Chairman or other Director chairing the meeting is not to be counted as participating in the decision-making process for quorum or voting purposes.

16. ALTERNATES VOTING AT DIRECTORS' MEETINGS

A Director who is also an Alternate Director has an additional vote on behalf of each Appointor who is:

- (a) not participating in a Directors' meeting; and
- (b) would have been entitled to vote if they were participating in it.

17. AUTHORISING CONFLICTS OF INTEREST

17.1 Directors' power to authorise conflicts of interest

The Directors may, in accordance with this article, authorise a matter proposed to them which would, if not authorised, involve a breach by a Director of his or her duty under s175 Companies Act 2006 to avoid a situation in which he or she has, or can have, a direct or indirect interest that conflicts, or possibly may conflict, with the company's interests.

17.2 Interpretation

A reference in the Articles to a "**Conflict of Interest**" includes a Conflict of Interest and duty and a conflict of duties.

17.3 Authorisation in accordance with Companies Act 2006

An authorisation referred to in article 17.1 is effective only if it is given in accordance with the requirements of the Companies Act 2006.

17.4 Authorisation by written resolution

In the case of an authorisation given by resolution in writing:

- (a) the resolution must be signed by all the Directors; and
- (b) the number of Directors that sign the resolution (disregarding the Director in question and any other Director who has a direct or indirect interest in the matter being authorised) must be not less than the number required to form a quorum.

17.5 Directors may prescribe terms of authorisation

The Directors may:

- (a) authorise a matter pursuant to article 17.1 on such terms and for such duration, or impose such limits or conditions on it, as they may decide; and
- (b) vary the terms or duration of such an authorisation (including any limits or conditions imposed on it) or revoke it.

17.6 Examples of terms of authorisation

Any terms, limits or conditions imposed by the Directors in respect of their authorisation of a Director's Conflict of Interest or possible Conflict of Interest (whether given pursuant to article 17.1 or otherwise) may provide that:

- (a) if the Relevant Director has (other than through his or her position as Director) information in relation to the relevant matter in respect of which he or she owes a duty of confidentiality to another person, he or she is not obliged to disclose that information to the company or to use or apply it in performing his or her duties as a Director;
- (b) the Director is to be excluded from discussions in relation to the relevant matter whether at a meeting of the Directors or any committee of Directors or otherwise;
- (c) the Director is not to be given any documents or other information in relation to the relevant matter; and
- (d) the Director may or may not vote (or may or may not be counted in the quorum) at a meeting of the Directors or any committee of Directors in relation to any resolution relating to the relevant matter.

17.7 No infringement of duty

A Director does not infringe any duty which he or she owes to the company by virtue of ss171 to 177 Companies Act 2006 if that Director acts in accordance with such terms, limits and conditions (if any) as the Directors impose in respect of their authorisation of that Director's Conflict of Interest or possible Conflict of Interest (whether given pursuant to article 17.1 or otherwise).

18. ACCOUNTABILITY OF REMUNERATION AND BENEFITS

18.1 Directors permitted to retain benefits from situational conflicts

A Director is not required, by reason of being a Director (or because of the fiduciary relationship established by reason of being a Director), to account to the company for any remuneration or other benefit which he or she derives from or in connection with a relationship involving a Conflict of Interest or possible Conflict of Interest which has been authorised by the Directors (whether pursuant to article 17.1 (*Directors' power to authorise conflicts of interest*) or otherwise) or by the company in general meeting (subject in each case to any terms, limits or conditions attaching to that authorisation).

18.2 Directors permitted to retain benefits from transactional conflicts

If a Director has disclosed to the Directors the nature and extent of his or her interest (to the extent required by the Companies Act 2006) he or she is not required, by reason of being a Director (or because of the fiduciary relationship established by reason of being a Director), to account to the company for any remuneration or other benefit which he or she derives from or in connection with:

- (a) being a party to, or otherwise interested in, any transaction or arrangement with the company or in which the company is interested or a body corporate in which the company is interested;
- (b) acting (otherwise than as auditor) alone or through his or her organisation in a professional capacity for the company (and that Director or his or her organisation is entitled to remuneration for professional services as if they were not a Director); or
- (c) being a Director (and, for this purpose, the definition of Director in article 2.1 (*Definitions*) shall not apply) or other officer of, or employed by, or otherwise interested in, the company's subsidiaries or any other body corporate in which the company is interested.

18.3 No breach of statutory duty not to accept benefits from third parties

A Director's receipt of any remuneration or other benefit referred to in articles 18.1 or 18.2 does not constitute an infringement of his or her duty under s176 Companies Act 2006.

18.4 Transaction not liable to be avoided

A transaction or arrangement referred to in articles 18.1 or 18.2 is not liable to be avoided on the ground of any remuneration, benefit or interest referred to those Articles.

19. MEETINGS AND CONFLICTS OF INTEREST

19.1 Participation of interested Directors

If a Directors' meeting, or part of a Directors' meeting, is concerned with an actual or proposed transaction or arrangement with the company in which a Director is interested then:

- (a) provided the Director has declared the nature and extent of his or her interest to the other Directors to the extent required by the Companies Act 2006; and
- (b) subject to the terms imposed by any authorisation given by the Directors (whether pursuant to article 17.1 (*Directors' power to authorise conflicts of interest*) or otherwise) or by the company in general meeting

that Director is to be counted as participating in that meeting, or part of a meeting, for quorum purposes and he or she may vote at that meeting or part of a meeting.

19.2 Interpretation

For the purposes of this article:

- (a) an interest of a person who is, for any purpose of the Companies Act 2006, "**connected with**" (within the meaning of s252 Companies Act 2006) a Director is to be treated as an interest of the Director; and

- (b) in relation to an Alternate Director, an interest of his or her Appointor is to be treated as an interest of the Alternate Director without prejudice to any interest which the Alternate Director has otherwise and without prejudice to his or her ability to vote in relation to that transaction or arrangement on behalf of another Appointor who does not have such an interest.

19.3 Chairman's rulings

Subject to article 19.4, if a question arises at a meeting of the Directors or of a committee of Directors as to the right of a Director to participate in the meeting (or part of the meeting) for voting or quorum purposes, the question may, before the conclusion of the meeting, be referred to the Chairman whose ruling in relation to any Director other than the Chairman is to be final and conclusive.

19.4 Questions regarding the Chairman

If any question as to the right to participate in the meeting (or part of the meeting) arises in respect of the Chairman, the question is to be decided by a decision of the Directors at that meeting, for which purpose the Chairman is not counted as participating in the meeting (or that part of the meeting) for voting or quorum purposes.

19.5 Directors voting on appointments

If it is proposed to appoint two or more Directors to offices or employments with the company or with any body corporate in which the company is interested or to fix or vary the terms of those appointments, the proposals must be divided and considered in relation to each Director separately. In that case, each of those Directors (if not precluded from voting for another reason) may vote (and be counted in the quorum) in respect of each resolution except the resolution which relates to that Director.

20. PROPOSING DIRECTORS' WRITTEN RESOLUTIONS

Notice of a proposed Directors' written resolution must be given in writing to each Director.

20.6 Adoption process

Any decision which a person giving notice of a proposed Directors' written resolution takes regarding the process of adopting that resolution must be taken reasonably in good faith.

21. ADOPTION OF DIRECTORS' WRITTEN RESOLUTIONS

21.1 When written resolution adopted

A proposed Directors' written resolution is adopted when all the Directors who would have been entitled to vote on the resolution at a Directors' meeting have signed one or more copies of it, but only if those Directors would have formed a quorum at such a meeting.

21.2 Immateriality of signing time

It is immaterial whether any Director signs the resolution before or after the time by which the notice proposed that it should be adopted.

21.3 How resolution to be treated

Once a Directors' written resolution has been adopted, it must be treated as if it had been a decision taken at a Directors' meeting in accordance with the Articles.

21.4 Record of Directors' written resolutions

The Directors or the company secretary (if any) must ensure that the company keeps a record, in writing, of all Directors' written resolutions for at least 10 years from the date of their adoption.

- (b) any payment to the holders of Preferred Ordinary Shares pursuant to article 33.1(b) must be made such that the same proportion of the relevant issue price is paid on all Preferred Ordinary Shares.

34. SALE

34.1 Distribution of Sale Proceeds

- (a) In the event of a Share Sale, subject to the Articles but notwithstanding anything to the contrary in the terms and conditions governing such Share Sale (unless all the holders of the Shares to be sold immediately prior to such Share Sale have agreed to the contrary for the purposes of this article 34), the holders of the Shares to be sold (immediately prior to such Share Sale) shall procure that the Sale Proceeds (whenever received) shall be distributed in the same order of priority and on the same terms as set out in article 33.1 (*Distribution of capital*) as if the date of such Share Sale were the date of the distribution for the purposes of article 33.1 (*Distribution of capital*) (or in the context of articles 60 (*Drag-along*) and 61 (*Tag-along rights*) the Reference Date) and as if the Sale Proceeds represented all of the assets of the company available for distribution to shareholders and the Shares to be sold represented the entire issued share capital of the company. For the purposes of this article 34.1, it is acknowledged that on a Share Sale, Shares of different classes may be sold at different prices and the Directors shall not register any transfer of Shares if the proceeds of the Share Sale of such Shares are not distributed in accordance with the provisions of article 33.1 (*Distribution of capital*) as applicable pursuant to this article 34.1.
- (b) Where the proviso to article 61.1(a) (*Application of this article*) applies, the provisions of this article 34.1 shall only apply where Stewart Newton would be required to issue a Minority Transfer Notice pursuant to that proviso, and reference to "Share Sale" in this article 34 shall be read accordingly.

34.2 Non-participation in Share Sale

If any holder of Shares does not participate in the Share Sale referred to in article 34.1 or does not sell all Shares held by it, then that holder shall not be entitled to any distribution pursuant to article 34.1 in respect of any Shares not sold in such Share Sale and, to the extent of such Shares not sold, article 33.1 (*Distribution of capital*) shall not apply to such holder. In such circumstances the Sale Proceeds will be distributed amongst the participating shareholders on the basis of the amount that they would have received in respect of the Shares sold if the entire issued share capital of the company were to be sold and the aggregate consideration available to be distributed was increased accordingly.

34.3 Asset Sale

Upon an Asset Sale, unless otherwise resolved by special resolution, the company shall be wound up or liquidated and the proceeds shall be distributed in the same order of priority and on the same terms as set out in article 33.1 (*Distribution of capital*).

34.4 Escrow and contingent consideration

In the event of a Share Sale or the application of article 34.3 where any portion of the consideration payable to the holders of Shares participating in the Share Sale or to the company or relevant subsidiary (as applicable) is placed into escrow and/or is payable subject to contingencies, then such consideration shall be distributed to the relevant

holders in the same order of priority and on the same terms as set out in article 33.1 (*Distribution of capital*) (as applicable in the relevant circumstances) so far as practicable and lawful such that the portion of such consideration that is not placed into escrow and not subject to any contingencies (or otherwise subject to holdback or set aside for escrow) (the "**Initial Consideration**") shall be allocated among relevant holders in accordance with article 33.1 (*Distribution of capital*) (as applicable in the relevant circumstances) as if the Initial Consideration were the only consideration payable in connection with such transaction, and any additional consideration which becomes payable upon release from escrow or satisfaction of contingencies shall be distributed among relevant holders in the same order of priority and on the same terms as set out in article 33.1 (*Distribution of capital*) (as applicable in the relevant circumstances) after taking into account the previous payment of the Initial Consideration as part of the same transaction.

35. VOTING RIGHTS

35.1 Entitlement to notice, attend and vote

The holders of the Preferred Ordinary Shares, the Ordinary Shares, the A Ordinary Shares and the Common Shares shall be entitled to receive notice of, to attend, and to vote at, general meetings of the company.

35.2 Votes of Preferred Ordinary Shares, Ordinary Shares and Common Shares on a poll

On a poll, each Preferred Ordinary Shareholder, Ordinary Shareholder and Common Shareholder present in person or by proxy or (being a corporation) by a duly authorised representative has one vote for each share of each such class of which he is the holder.

35.3 Votes of A Ordinary Shares on a poll

On a poll, each A Ordinary Shareholder present in person or by proxy or (being a corporation) by a duly authorised representative has one vote for every hundred A Ordinary Shares of which he is the holder. Such vote shall be in addition to any votes for any other class of Shares held. An A Ordinary Shareholder shall have no vote in respect of any balance of A Ordinary Shares held.

35.4 B Shares and Deferred Shares

The holders of the B Shares and the holders of the Deferred Shares shall not, in respect of such Shares, be entitled to receive notice of, to attend, nor to vote at, general meetings of the company.

36. CONVERSION

36.1 Conversion prior to Listing

Immediately before a Listing (a "**Conversion Date**") the Preferred Ordinary Shares, the A Ordinary Shares and the B Shares shall convert automatically into Fully Paid Ordinary Shares so that immediately after conversion (but before the Listing) the total number of Ordinary Shares resulting from the conversion of the Preferred Ordinary Shares, the A Ordinary Shares and the B Shares respectively shall have a share value

(at the Listing Price Per Share) equal to the amount that the holders of Preferred Ordinary Shares, A Ordinary Shares or B Shares (as appropriate) would have received if the Pre-Money Valuation of the Company had been distributed to all shareholders in the same order of priority and on the same terms as set out in article 33.1 (*Distribution of capital*) as if the date of Listing were the date of the distribution for the purposes of article 33.1 (*Distribution of capital*) and as if the Pre-Money Valuation of the Company represented all of the assets of the company available for distribution to shareholders.

36.2 Interpretation

For the purposes of article 36.1:

- (a) **"Pre-Money Valuation of the Company"** means an amount equal to the market capitalisation of the company at the Listing Price Per Share immediately upon the Listing less the value (at the Listing Price Per Share) of any shares issued for the purpose of raising money for the company as part of the Listing arrangements (whether to finance the redemption of shares or the repayment of loans or for any other reason); and
- (b) **"Listing Price Per Share"** means in the case of a Listing by way of:
 - (i) an offer for sale, the underwritten price;
 - (ii) an offer for sale by tender, the strike price under the offer; or
 - (iii) a placing, the price at which shares are sold under the placing,and, in any other case, the price at which Ordinary Shares are proposed to be sold or offered in connection with the Listing.

36.3 General conversion requirements

- (a) In determining the amount that the holders of Preferred Ordinary Shares, A Ordinary Shares or B Shares would have received if the Pre-Money Valuation of the Company had been distributed to all shareholders in the same order of priority and on the same terms as set out in article 33.1 (*Distribution of capital*) for the purposes of article 36.1, there shall be deemed to have been issued any Ordinary Shares which may fall to be issued after the Conversion Date pursuant to options, warrants or any other conversion or subscription rights issued or granted before the Conversion Date.
- (b) The shares resulting from the conversion must be apportioned rateably (or as nearly as is practicable to avoid apportioning a fraction of a share) among the holders of shares of that class the shares to be converted.
- (c) The auditors of the company shall certify the number of shares to be converted, the shares into which they convert, and the apportionment of those shares among the relevant members, and (in the absence of fraud or manifest error) such certification shall be conclusive and binding on the company and the relevant members for the purposes of the Articles.

- (d) Conversion of the Preferred Ordinary Shares, A Ordinary Shares and B Shares (the "**Converting Shares**") due to be converted in accordance with article 36.1 on a Conversion Date is to be effected in such manner as may be authorised by law and as the Directors from time to time determine and, without prejudice to the generality of the foregoing, may be effected by the consolidation and/or subdivision and redesignation of the Converting Shares as Ordinary Shares and/or a capitalisation of reserves including without limitation in the manner provided for in article 36.3(e).
- (e) If the aggregate nominal value of the Converting Shares is less than the aggregate nominal value of the Ordinary Shares to which the holders of Converting Shares are entitled by virtue of conversion on the Conversion Date, conversion may be effected (pursuant to the authority given by the resolution by which article 36.3(e) was adopted and by these Articles):
 - (i) by all the Converting Shares of each holder being consolidated and subdivided into Ordinary Shares of individual nominal value equal to the nominal value of each ordinary share in issue at the Conversion Date and of an aggregate nominal value equal to the aggregate nominal amount of those Converting Shares; and
 - (ii) by part of the amount for the time being standing to the credit of the company's share premium account or distributable or undistributable reserves equal to the difference between the aggregate nominal value of the Ordinary Shares to which each holder of Converting Shares is so entitled and the aggregate nominal value of the Converting Shares held by him being capitalised and applied in paying up Ordinary Shares which are allotted and issued credited as Fully Paid to that holder of Converting Shares.
- (f) If the aggregate nominal value of the Converting Shares is equal to or greater than the aggregate nominal value of Ordinary Shares to which the holders of Converting Shares are entitled, conversion may be effected (pursuant to the authority given by the resolution by which this article 36.3(f) was adopted and by these Articles) by all the Converting Shares of each holder being consolidated and subdivided into:
 - (i) Ordinary Shares of individual nominal value equal to the nominal value of each ordinary share in issue at the Conversion Date and of an aggregate nominal value equal to the aggregate nominal value of Ordinary Shares to which the holders of Converting Shares are entitled by virtue of the conversion on the Conversion Date (disregarding any fractional entitlements); and
 - (ii) such number of Deferred Shares with an aggregate nominal value is equal to such amount (if any) of the aggregate nominal value of the Converting Shares which exceeds the aggregate nominal value of the Ordinary Shares to which the holders of Converting Shares are entitled by virtue of the conversion on the Conversion Date (disregarding any fractional entitlements) as referred to in article 36.3(f)(i).

- (g) The new Ordinary Shares to which a holder is entitled upon conversion shall for all purposes:
 - (i) be credited as Fully Paid;
 - (ii) rank pari passu in all respects and form one class with the Ordinary Shares then in issue; and
 - (iii) entitle the holder to receive dividends and other distributions declared, made or paid on Ordinary Shares by reference to a record date on or after the Conversion Date.
- (h) The conversion of Preferred Ordinary Shares, A Ordinary Shares and B Shares shall be made on the Conversion Date. A certificate for new Ordinary Shares shall be made available for collection at the registered office of the company or dispatched (at the holder's risk) to each holder without charge promptly upon receipt of the certificate (or certificates) for such holder's Preferred Ordinary Shares, A Ordinary Shares or B Shares (as appropriate) or if lost an indemnity in respect thereof in a form reasonably satisfactory to the Directors and the company shall enter the holder of the converted Preferred Ordinary Shares, A Ordinary Shares and B Shares on the register of members of the company as the holder of the appropriate number of Ordinary Shares.
- (i) If any holder of Preferred Ordinary Shares, A Ordinary Shares or B Shares becomes entitled to fractions of an ordinary share as a result of conversion ("**Fraction Holders**") the Directors may deal with these fractions as they think fit on behalf of the Fraction Holders. In particular, the Directors may aggregate and sell the fractions to a person (including, subject to the provisions of the Companies Act 2006, the company) for the best price reasonably obtainable and distribute the net proceeds of sale in due proportions amongst the fractional holders. For the purposes of completing any such sale of fractions, the Chairman of the company or failing him the secretary will be deemed to have been appointed the fraction holder's agent for the purpose of the sale.

Companies Act 2006) without obtaining the consent of the holders of the Deferred Shares.

39.3 Transfer of Deferred Shares

in each case, without being under any obligation to obtain the consent of members holding the Deferred Shares. Any payment in respect of such purchase may be made, if the Directors determine, to charity.

Subject to article 40.11, all Preferred Ordinary Shares and Ordinary Shares which the Directors propose to issue shall first be offered to the Preferred Ordinary Shareholders and the Ordinary Shareholders in proportion as nearly as may be to the number of the Preferred Ordinary Shares and Ordinary Shares held by them respectively, unless otherwise determined by special resolution. The offer shall be made by notice specifying the number of Shares offered, and limiting a period (not being less than fourteen days) within which the offer, if not accepted, will be deemed to be declined. After the expiration of that period, those Shares so deemed to be declined shall be offered in the proportion aforesaid to the persons who have, within the said period, accepted all the Shares offered to them; such further offer shall be made in like terms in the same manner and limited by a like period as the original offer. Any Shares not accepted pursuant to such offer or further offer as aforesaid or not released from the provisions of this article by any such special resolution as aforesaid shall be under the control of the Directors, who may allot, grant options over or otherwise dispose of the same to such persons, on such terms, and in such manner as they think fit, provided that, in the case of Shares not accepted as aforesaid, such Shares shall not be disposed of on terms which are more favourable to the subscribers therefor than the terms on which they were offered to the Preferred Ordinary Shareholders and the Ordinary Shareholders.

INTERESTS IN SHARES

42. COMPANY NOT BOUND BY LESS THAN ABSOLUTE INTERESTS

Except as required by law and even when the company has notice, no person is to be recognised by the company as holding any share upon any trust, and except as otherwise required by law or the Articles, the company is not in any way bound by or may not recognise any interest in a share other than the holder's absolute ownership of it and all the rights attaching to it.

43. SHARE CERTIFICATES

The company must issue each member, free of charge, with one or more certificates in respect of the Shares which that member holds.

UNPAID OR PARTLY PAID SHARES

45. COMPANY'S LIEN OVER SHARES WHICH ARE NOT FULLY PAID

45.1 Lien

The company has a lien (the "**Company's Lien**") over every share which is not Fully Paid for any part of:

- (a) that share's nominal value; and
- (b) any premium at which it was issued,

which has not been paid to the company, and which is payable immediately or at some time in the future, whether or not a Call Notice has been sent in respect of it.

45.2 Priority and extent of lien

The Company's Lien over a share:

- (a) takes priority over any third party's interest in that share; and
- (b) extends to any dividend or other money payable by the company in respect of that share and (if the lien is enforced and the share is sold by the company) the proceeds of sale of that share.

45.3 Share not subject to lien

The Directors may at any time decide that a share which is or would otherwise be subject to the Company's Lien is not subject to it, either wholly or in part.

46. ENFORCEMENT OF THE COMPANY'S LIEN

46.1 Power of sale

Subject to the provisions of this article, if:

- (a) a Lien Enforcement Notice has been given in respect of a share; and
- (b) the person to whom the notice is given has failed to comply with it, the company may sell that share in such manner as the Directors decide.

46.2 Lien Enforcement Notice

A "Lien Enforcement Notice":

- (a) may only be given in respect of a share which is subject to the Company's Lien, in respect of which a sum is payable and the due date for payment of that sum has passed;
- (b) must specify the share concerned;
- (c) must require payment of the sum payable within 14 days of the notice;
- (d) must be addressed either to the holder of the share or to a Transmittree; and
- (e) must state the company's intention to sell the share if the notice is not complied with.

46.3 Sale of Shares

Where Shares are sold under this article:

- (a) the Directors may authorise any person to execute an Instrument of transfer of the Shares to the purchaser or a person nominated by the purchaser; and
- (b) the transferee is not bound to see to the application of the consideration, and the transferee's title is not affected by any irregularity in or invalidity of the process leading to the sale.

46.4 Application of proceeds

The net proceeds of such a sale (after payment of the costs of sale and any other costs of enforcing the lien) must be applied:

- (a) first, in payment of so much of the sum for which the lien exists as was payable at the date of the Lien Enforcement Notice;
- (b) second, to the person entitled to the Shares at the date of the sale, but only after the certificate for the Shares sold has been surrendered to the company for cancellation or a suitable indemnity has been given for any lost, stolen or destroyed certificates, and subject to a lien equivalent to the Company's Lien over the Shares before the sale for any money payable in respect of the Shares after the date of the Lien Enforcement Notice.

46.5 Effect of statutory declaration about sold Shares

A statutory declaration by a Director or the company secretary (if any) that the declarant is a Director or the company secretary and that a share has been sold to satisfy the Company's Lien on a specified date:

- (a) is conclusive evidence of the facts stated in it as against all persons claiming to be entitled to the share; and
- (b) subject to compliance with any other formalities of transfer required by the Articles or by law, constitutes a good title to the share.

47. CALL NOTICES

47.1 Sending a Call Notice

Subject to the Articles and the terms on which Shares are allotted, the Directors may send a notice (a "**Call Notice**") to a member requiring the member to pay the company a specified sum of money (a "**Call**") which is payable in respect of Shares which that member holds at the date when the Directors decide to send the Call Notice.

47.2 Call Notices

A Call Notice:

- (a) may not require a member to pay a Call which exceeds the total sum unpaid on that member's Shares (whether as to the share's nominal value or any amount payable to the company by way of premium);
- (b) must state when and how any Call to which it relates it is to be paid; and
- (c) may permit or require the Call to be paid by instalments.

47.3 Compliance with a Call Notice

A member must comply with the requirements of a Call Notice, but no member is obliged to pay any Call before 14 days have passed since the notice was sent.

47.4 Changes to a Call Notice

Before the company has received any Call due under a Call Notice the Directors may:

- (a) revoke it wholly or in part; or
- (b) specify a later time for payment than is specified in the notice,

by a further notice in writing to the member in respect of whose Shares the Call is made.

48. LIABILITY TO PAY CALLS

48.1 Effect of share transfer

Liability to pay a Call is not extinguished or transferred by transferring the Shares in respect of which it is required to be paid.

48.2 Liability of joint holders

Joint holders of a share are jointly and severally liable to pay all Calls in respect of that share.

48.3 Directors' powers when issuing Shares

Subject to the terms on which Shares are allotted, the Directors may, when issuing Shares, provide that Call Notices sent to the holders of those Shares may require them to pay Calls:

- (a) which are not the same; or
- (b) at different times.

49. WHEN CALL NOTICE NEED NOT BE ISSUED

49.1 When a Call Notice is not required

A Call Notice need not be issued in respect of sums which are specified, in the terms on which a share is issued, as being payable to the company in respect of that share (whether in respect of nominal value or premium) on:

- (a) allotment;
- (b) the occurrence of a particular event; or
- (c) a date fixed by or in accordance with the terms of issue.

49.2 Consequences of non-payment

If the due date for payment of a sum referred to in article 49.1 has passed and it has not been paid, the holder of the share concerned is treated in all respects as having failed to comply with a Call Notice in respect of that sum, and is liable to the same consequences as regards the payment of interest and forfeiture.

50. FAILURE TO COMPLY WITH CALL NOTICE: AUTOMATIC CONSEQUENCES

50.1 Consequences of non-compliance with a Call Notice

If a person is liable to pay a Call and fails to do so by the Call Payment Date:

- (a) the Directors may issue a notice of intended forfeiture to that person; and

- (b) until the Call is paid, that person must pay the company interest on the Call from the Call Payment Date at the Relevant Rate.

50.2 Interpretation

For the purposes of this article:

- (a) the "**Call Payment Date**" is the time when the Call Notice states that a Call is payable, unless the Directors give a notice specifying a later date, in which case the Call Payment Date is that later date;
- (b) the "**Relevant Rate**" is:
 - (i) the rate fixed by the terms on which the share in respect of which the Call is due was allotted;
 - (ii) such other rate as has been fixed in the Call Notice which required payment of the Call, or has otherwise been decided by the Directors; or
 - (iii) if no rate is fixed in either of these ways, five per cent. a year.

50.3 Directors' powers to waive interest payments

The Directors may waive any obligation to pay interest on a Call wholly or in part.

51. NOTICE OF INTENDED FORFEITURE

A notice of intended forfeiture:

- (a) may be sent in respect of any share in respect of which a Call has not been paid as required by a Call Notice;
- (b) must be sent to the holder of that share or to a person entitled to it by reason of the holder's death, Bankruptcy or otherwise;
- (c) must require payment of the Call and any accrued interest by a date which is not less than 14 days after the date of the notice;
- (d) must state how the payment is to be made; and
- (e) must state that if the notice is not complied with, the Shares in respect of which the Call is payable will be liable to be forfeited.

52. DIRECTORS' POWER TO FORFEIT SHARES

If a notice of intended forfeiture is not complied with before the date by which payment of the Call is required in the notice of intended forfeiture, the Directors may decide that any share in respect of which it has been given is forfeited, and the forfeiture is to include all dividends or other money payable in respect of the forfeited Shares and not paid before the forfeiture.

53. EFFECT OF FORFEITURE

53.1 Extinguishment of rights and liabilities

Subject to the Articles, the forfeiture of a share extinguishes:

- (a) all interests in that share, and all claims and demands against the company in respect of it; and
- (b) all other rights and liabilities incidental to the share as between the person whose share it was before the forfeiture and the company.

53.2 Effect of forfeiture on share

Any share which is forfeited in accordance with the Articles:

- (a) is deemed to have been forfeited when the Directors decide that it is forfeited;
- (b) is deemed to be the property of the company; and
- (c) may be sold, re-allotted or otherwise disposed of as the Directors decide.

53.3 Consequences of forfeiture

If a person's Shares have been forfeited:

- (a) the company must send that person notice that forfeiture has occurred and record it in the register of members;
- (b) that person ceases to be a member in respect of those Shares;
- (c) that person must surrender the certificate for the Shares forfeited to the company for cancellation;
- (d) that person remains liable to the company for all sums payable by that person under the Articles at the date of forfeiture in respect of those Shares, including any interest (whether accrued before or after the date of forfeiture); and
- (e) the Directors may waive payment of those sums wholly or in part or enforce payment without any allowance for the value of the Shares at the time of forfeiture or for any consideration received on their disposal.

53.4 Directors' power to cancel a forfeiture

At any time before the company disposes of a forfeited share, the Directors may decide to cancel the forfeiture on payment of all Calls and interest due in respect of it and on such other terms as they think fit.

54. PROCEDURE FOLLOWING FORFEITURE

54.1 Transfer of forfeited share

If a forfeited share is to be disposed of by being transferred, the company may receive the consideration for the transfer and the Directors may authorise any person to execute the Instrument of transfer.

54.2 Effect of statutory declaration about forfeited share

A statutory declaration by a Director or the company secretary (if any) that the declarant is a Director or the company secretary and that a share has been forfeited on a specified date:

- (a) is conclusive evidence of the facts stated in it as against all persons claiming to be entitled to the share; and
- (b) subject to compliance with any other formalities of transfer required by the Articles or by law, constitutes a good title to the share.

54.3 Transferee's responsibilities

A person to whom a forfeited share is transferred is not bound to see to the application of the consideration (if any) nor is that person's title to the share affected by any irregularity in or invalidity of the process leading to the forfeiture or transfer of the share.

54.4 Proceeds of sales

If the company sells a forfeited share, the person who held it before its forfeiture is entitled to receive from the company the proceeds of that sale, net of any commission, and excluding any amount which:

- (a) was, or would have become, payable; and
- (b) had not, when that share was forfeited, been paid by that person in respect of that share,

but no interest is payable to that person in respect of those proceeds and the company is not required to account for any money earned on them.

55. SURRENDER OF SHARES

55.1 Member's right to surrender a share

A member may surrender any share:

- (a) in respect of which the Directors may issue a notice of intended forfeiture;
- (b) which the Directors may forfeit; or
- (c) which has been forfeited.

55.2 Directors' right to accept a surrender

The Directors may accept the surrender of such a share.

55.3 Effect of surrender

The effect of surrender on a share is the same as the effect of forfeiture on that share.

55.4 Dealing with a surrendered share

A share which has been surrendered may be dealt with in the same way as a share which has been forfeited.

TRANSFER AND TRANSMISSION OF SHARES

56. SHARE TRANSFERS

56.1 Permitted transfers

A member holding Preferred Ordinary Shares, Ordinary Shares or B Shares may at any time transfer all or any such Shares to:

- (a) any Member Associate of that member; or
- (b) the Cambridge Mechatronics Employee Benefit Trust.

56.2 Transfers pursuant to drag-along and tag-along rights

A member may at any time transfer all or any Shares held by that member pursuant to:

- (a) article 60 (*Drag-along*) but only in respect of a transfer of shares by a Called Shareholder; or
- (b) article 61 (*Tag-along rights*) but only in respect of a transfer of shares by a Remaining Shareholder.

56.3 If transferee ceases to be a Member Associate

If Shares have been transferred to a Member Associate under article 56.1 and the transferee subsequently ceases to be a Member Associate of the transferor, the transferee must immediately transfer the relevant Shares to:

- (a) the original transferor; or
- (b) at the transferor's option, a person who would be a Permitted Transferee of the original transferor had it remained a member.

If the transferee fails to transfer the relevant Shares in accordance with this article 56.3:

- (i) the Directors shall issue a notice to the transferee upon which the relevant Shares will cease to confer the right to receive notice of or attend or vote at any general meeting of the company or (subject to the Companies Acts) of any meeting of the holders of any class of Shares.

The rights ceased to be conferred pursuant to the preceding sentence will be restored upon the transferee transferring the relevant Shares in accordance with this article 56.3 (or such Shares being transferred pursuant to paragraph (ii) below); and

- (ii) the Chairman of the company or failing him any other Director appointed for the purpose by the Directors is deemed to have been appointed agent for the transferee with full power to execute, complete and deliver, in the name of and on behalf of the transferee, a transfer of the relevant Shares to the original transferor or failing that to a person who would be a Permitted Transferee of the original transferor had it remained a member. After the names of the original transferor has been entered in the register of members in exercise of these powers the validity of the proceedings may not be questioned by anyone.

56.4 Prohibited transfers

No A Ordinary Shares may be transferred other than pursuant to article 60 (*Drag-along*) or article 61 (*Tag-along rights*), provided that this article 56.4 shall not apply to any transfer of A Ordinary Shares to a person becoming entitled to A Ordinary Shares by way of the death of a member nor to any proposed transfer of A Ordinary Shares to or from the Cambridge Mechatronics Employee Benefit Trust.

56.5 Other transfers

Save as provided in articles 56.1, 56.2, 56.3 and 56.4, no Share may be transferred without the prior consent of the Directors, such consent not to be unreasonably withheld or delayed.

56.6 Form of share transfers

Shares may be transferred by means of an Instrument of transfer in any usual form or any other form approved by the Directors, which is executed by or on behalf of:

- (a) the transferor; and
- (b) (unless the Shares are Fully Paid) the transferee.

56.7 No fee

No fee may be charged for registering any Instrument of transfer or other document relating to or affecting the title to any share.

56.8 Retention of share transfers

The company may retain any Instrument of transfer which is registered.

56.9 When transferor ceases to hold a share

The transferor remains the holder of a share until the transferee's name is entered in the register of members as holder of it.

56.10 Directors' power to refuse transfers

The Directors may refuse to register the transfer of a share if:

- (a) the share is not Fully Paid;
- (b) the transfer is not lodged at the company's registered office or such other place as the Directors have appointed;
- (c) the transfer is not accompanied by the certificate for the Shares to which it relates, and such other evidence as the Directors may reasonably require to show the transferor's right to make the transfer or the right of someone other than the transferor to make the transfer on the transferor's behalf;
- (d) the transfer is in respect of more than one class of share; or
- (e) the transfer is in favour of more than four transferees.

56.11 Return of transfer Instrument

If the Directors refuse to register the transfer of a share, the Instrument of transfer must be returned to the transferee with the notice of refusal unless they suspect that the proposed transfer may be fraudulent.

57. TRANSMISSION OF SHARES

57.1 Transmittree's title to Shares

If title to a share passes to a Transmittree, the company may only recognise the Transmittree as having any title to that share.

57.2 No release from liabilities

Nothing in the Articles releases the estate of a deceased member from any liability in respect of a share solely or jointly held by that member.

57.3 Transmittree's rights

A Transmittree who produces such evidence of entitlement to Shares as the Directors may properly require:

- (a) may, subject to the Articles, choose either to become the holder of those Shares or to have them transferred to another person; and
- (b) subject to the Articles, and pending any transfer of the Shares to another person, has the same rights as the holder had.

57.4 When certain rights may be exercised

But Transmittrees do not have the right to attend or vote at a general meeting, or agree to a proposed written resolution, in respect of Shares to which they are entitled, by reason of the holder's death or Bankruptcy or otherwise, unless they become the holders of those Shares.

57.5 Directors may give notice to Transmittree

The Directors may:

- (a) at any time give notice requiring a Transmittree to choose either to become the holder of a share or to have it transferred to another person; and
- (b) (if the Transmittree has not complied with the notice within 90 days starting on the day after it is given or such longer period as the Directors may decide) withhold payment of all dividends or other money payable in respect of the share until the requirements of the notice have been complied with.

58. EXERCISE OF TRANSMITTEES' RIGHTS

58.1 How Transmittree becomes a shareholder

Transmittees who wish to become the holders of Shares to which they have become entitled must notify the company in writing of that wish.

58.2 How Transmittree transfers a share

If the Transmittree wishes to have a share transferred to another person, the Transmittree must execute an Instrument of transfer in respect of it.

58.3 Effect of transfer executed by a Transmittree

Any transfer made or executed under this article is to be treated as if it were made or executed by the person from whom the Transmittree has derived rights in respect of the share, and as if the event which gave rise to the transmission had not occurred.

59. TRANSMITTEES BOUND BY PRIOR NOTICES

If a notice is given to a member in respect of Shares and a Transmittree is entitled to those Shares, the Transmittree is bound by the notice if it was given to the member before the Transmittree's name has been entered in the register of members.

60. DRAG-ALONG

60.1 Application of this article

This article applies if a bona fide offer is made at arm's length to any member or members to purchase all of his, her or their issued Shares in the company each on the same terms, where:

- (a) at any time after the adoption of these Articles, members of the company accept that offer in respect of 75 per cent. or more of the Preferred Ordinary Shares in issue and 75 per cent. or more of the Ordinary Shares in issue; or
- (b) at any time after the fourth anniversary of the adoption of these Articles, members of the company accept that offer in respect of more than 50 per cent. of Preferred Ordinary Shares in issue and more than 50 per cent. of the Ordinary Shares in issue; or

- (c) at any time after the fifth anniversary of the adoption of these Articles, members of the company accept that offer in respect of more than 50 per cent. of the Preferred Ordinary Shares in issue and 5 per cent. or more of the Ordinary Shares in issue, and the Directors resolve to recommend that offer.

60.2 **Selling Shareholders may issue Drag-Along Notice**

The members holding those Shares ("**Selling Shareholders**") may issue notice in writing ("**Drag-Along Notice**") to all the other members ("**Called Shareholders**") requiring them to transfer all (but not some only) of their Shares to the proposed transferee. The Drag-Along Notice must be accompanied by copies of all documents required to be executed by the Called Shareholders to give effect to the required transfer.

60.3 **Determination of Drag-Along Price**

Before issuing a Drag-Along Notice, the price to be paid for each Share by the proposed transferee ("**Drag-Along Price**") must be agreed or determined (as appropriate) for which purposes the provisions of article 61.3(a), (b) and (d) to (g) (*Determination of Tag-Along Price*) shall apply mutatis mutandis, and for which purposes reference to: (a) the Proposed Transfer will mean the transfer pursuant to the relevant offer referred to in article 60.1 (*Application of this article*); (b) the Transferring Shareholders will mean the Selling Shareholders; and (c) the Tag-Along Price will mean the Drag-Along Price.

60.4 **Transfer on same terms**

Subject to article 60.3, the transfer of Shares by the Called Shareholders to the proposed transferee must be on the same terms and conditions as have been agreed between the Selling Shareholders and the transferee for the sale of the Selling Shareholders' Shares to the transferee and must be completed simultaneously with the completion of the sale of Shares by the Selling Shareholders.

60.5 **Form of Drag-Along Notice**

The Drag-Along Notice must include details of:

- (a) the number and class of Shares to be transferred by the Selling Shareholders and the Called Shareholder;
- (b) the identity of the proposed transferee;
- (c) the Drag-Along Price in respect of each class of share to be paid by the proposed transferee (or any person acting in concert with the proposed transferee);
- (d) the place, date and time of completion of the proposed transfer by the Called Shareholders. This must be a date at least 7 Business Days after the date of the Drag-Along Notice and, save with the consent of the Directors, will be the Reference Date applicable by virtue of article 60.3 (meaning that if the Reference Date is less than 7 Business Days after the date of the Drag-Along Notice, the Selling Shareholders will be required to obtain such consent from

the Directors before issuing the Drag-Along Notice, such consent not to be unreasonably withheld or delayed); and

- (e) any other material terms and conditions of the proposed transfer by the Called Shareholders.

60.6 Default by Called Shareholder

In the event that any Called Shareholder fails to transfer its Shares as required by this article, the chairman or failing him any other Director will be deemed to have been appointed as the Called Shareholder's agent with full power to execute, complete and deliver, in the name of and on behalf of the seller, a transfer of the Called Shareholder's Shares to the transferee (and any other documents required to be executed by the Called Shareholder to give effect to the transfer) against payment of the sale price. The appointment is irrevocable and is given by way of security for the performance of the obligations of the Called Shareholder's obligations under the Articles. The company may give a good receipt for the sale price for such Shares and may register the transferee (or its nominee) as holder thereof and issue to it certificates for the same. The Called Shareholder shall in such case be bound to deliver up his certificate for Shares to the company whereupon the Called Shareholder shall be entitled to receive the sale price for such Shares which sale price shall in the meantime be held by the company on trust for that member, but without interest.

61. TAG-ALONG RIGHTS

61.1 Application of this article

This article 61 applies if:

- (a) the effect of any proposed transfer of any Shares would result in there being a Share Sale ("**Proposed Transfer**"), provided that where the only proposed transferee is Stewart Newton or a Permitted Transferee of Stewart Newton, there shall be no requirement to issue a Minority Transfer Notice unless the Proposed Transfer would result in Stewart Newton (and any person connected with him or acting in concert with him) holding or acquiring beneficial ownership of over that number of Shares which in aggregate confer more than 65 per cent. of the voting rights normally exercisable at general meetings of the company; and
- (b) no Drag-Along Notice has been issued.

61.2 No transfer unless compliance with this article

If this article 61 applies, the member(s) holding the Shares to be transferred ("**Transferring Shareholders**") shall not transfer those Shares unless the provisions of this article 61 have been complied with.

61.3 Determination of Tag-Along Price

- (a) Where the Transferring Shareholders intend to proceed with the Proposed Transfer, they must give written notice ("**Pricing Notice**") to the company of the Proposed Transfer, specifying:

- (i) the number and class of Shares proposed to be transferred by the Transferring Shareholders;
- (ii) the identity of the proposed transferee;
- (iii) the proposed date for the Proposed Transfer being not less than 60 and not more than 90 days after the date of the Pricing Notice unless the Directors agree to some other proposed date for the Proposed Transfer falling after the date of the Pricing Notice ("the **Reference Date**");
- (iv) the Per Share Valuations (as calculated in accordance with articles 61.3(b) to (d)); and
- (v) any other material terms and conditions of the Proposed Transfer by the Transferring Shareholders.

The Pricing Notice must be accompanied by full details of the calculations supporting the Per Share Valuations, unless the Transferring Shareholders opt to require that the company calculate the Per Share Valuations, in which case the Pricing Notice must include the Reference Price (and where such Reference Price has been calculated in accordance with article 61.3(c), details of all the transfers included in such calculation).

- (b) Where the Proposed Transfer includes 5 per cent. or more of the Ordinary Shares in issue, the price to be paid for each such Ordinary Share ("**Reference Price**") will be used to determine the respective prices for each other class of Share in the capital of the company.
- (c) Where the Proposed Transfer includes less than 5 per cent. of the Ordinary Shares in issue but the proposed transferee under the Proposed Transfer (and any person connected with the proposed transferee or acting in concert with the proposed transferee) has acquired Ordinary Shares (other than pursuant to article 56.1 (*Permitted* transfers) in the period of twelve months prior to the date of the Pricing Notice which when aggregated with the Ordinary Shares included in the Proposed Transfer constitute 5 per cent. or more of the Ordinary Shares in issue, the highest price paid or to be paid (during such period of twelve months or pursuant to the Proposed Transfer) for such an Ordinary Share by the proposed transferee or any person connected with it or acting in concert with it ("**Reference Price**") will be used to determine the respective prices for each other class of Share in the capital of the company.
- (d) Using the Reference Price pursuant to article 61.3(b) or (c) (as applicable), the Transferring Shareholders or the company (as appropriate) shall calculate:
 - (i) the quantum of Sale Proceeds ("**Implied Valuation**") that would result in Ordinary Shareholders receiving on the Reference Date a distribution per Ordinary Share equal to the applicable Reference Price pursuant to article 34.1 (*Distribution of Sale Proceeds*) if the entire issued share capital of the company were to be sold on that date; and

- (ii) the amount per Share that would be received by the holders of each class of Share on the Reference Date if Sale Proceeds equal to the Implied Valuation were to be distributed pursuant to article 34.1 (*Distribution of Sale Proceeds*) if the entire issued share capital of the company were to be sold on that date (in relation to each class of Share, the "**Per Share Valuation**").
- (e) Having received the Pricing Notice (and (where applicable) supporting calculations), the company shall review or calculate (as applicable) the Per Share Valuation, and acting reasonably and in good faith try to agree the same with the Transferring Shareholders within 14 days. If the company and the Transferring Shareholders fail to agree the Per Share Valuations, reference shall be made to the auditors of the company for the time (acting as experts and not as arbitrators) to determine the Per Share Valuations.
- (f) If the auditors are asked to determine the Per Share Valuations they must use all reasonable endeavours to determine the Per Share Valuations within 21 days of their appointment. The auditors' determination is binding on all parties. The cost of obtaining the written determination is to be borne by the company. In the absence of fraud, the auditors are not liable to any person by reason of their determination or for anything done or omitted to be done by them for that purpose or in connection with it.
- (g) The Per Share Valuation in respect of each class of Share as agreed between the Transferring Shareholders and the company or as determined by the auditors shall be the "**Tag-Along Price**".

61.4 **Circumstance where Proposed Transfer may not proceed**

Where the Proposed Transfer includes less than 5 per cent. of the Ordinary Shares in issue and the proposed transferee under the Proposed Transfer (and any person connected with the proposed transferee or acting in concert with the proposed transferee) has not acquired Ordinary Shares in the period of twelve months prior to the date of the Pricing Notice which when aggregated with the Ordinary Shares included in the Proposed Transfer constitute 5 per cent. or more of the Ordinary Shares in issue, the Transferring Shareholders shall not be entitled to proceed with the Proposed Transfer.

61.5 **Minority Transfer Notice**

Following agreement or determination of the Tag-along Price, the Transferring Shareholders may (other than where article 61.4 applies) proceed with the Proposed Transfer but if they do so they must issue a notice in writing ("**Minority Transfer Notice**") to all other members ("**Remaining Shareholders**"), specifying:

- (a) the number and class of Shares proposed to be transferred by the Transferring Shareholders;
- (b) the identity of the proposed transferee;
- (c) the Tag-Along Price in respect of each class of Share;

- (d) any other material terms and conditions of the Proposed Transfer by the Transferring Shareholders; and
- (e) the proposed date of completion of the Proposed Transfer, which must be at least 10 Business Days after the date of the Minority Transfer Notice and, save with the consent of the Directors, will be the Reference Date (meaning that, if the Reference Date is less than 10 Business Days after the date of the Minority Transfer Notice, the Transferring Shareholders will be required to obtain such consent from the Directors before issuing the Minority Transfer Notice, such consent not to be unreasonably withheld or delayed).

61.6 Tag-Along Notice

Each of the Remaining Shareholders may, within the period of 10 Business Days from the date of the Minority Transfer Notice, issue notice in writing ("**Tag-Along Notice**") to the Transferring Shareholders (and for these purposes the Transferring Shareholders shall nominate one of their number to whom such notice may be sent) electing to transfer to the proposed transferee:

- (a) all its Shares of each class held at the proposed date of transfer by the Transferring Shareholders;
- (b) at the Tag-Along Price in respect of each class of Share; and
- (c) otherwise on the same material terms and conditions of the proposed transfer by the Transferring Shareholders.

61.7 Waiver of tag-along rights

Any Remaining Shareholder who does not, within the period of 10 Business Days referred to in article 61.6, serve a Tag-Along Notice, is deemed to have waived its right to do so in relation to the relevant sale.

61.8 Exercise of tag-along rights

If a Remaining Shareholder serves a Tag-Along Notice within the period of 10 Business Days referred to in article 61.6, the Transferring Shareholders must procure that:

- (a) the proposed transferee acquires all the Shares held by the Remaining Shareholder;
- (b) at the Tag-Along Price in respect of each class of Share; and
- (c) otherwise on the same material terms and conditions of the proposed transfer by the Transferring Shareholders and
- (d) completion of the sale of Shares included in such Tag-Along Notices must take place simultaneously with completion of the Proposed Transfer (such date of completion being the date specified in the minority Transfer Notice, unless the Directors consent otherwise, such consent not to be unreasonably withheld or delayed).

61.9 Default by Remaining Shareholders

At the election of the proposed transferee, if a Remaining Shareholder serves a Tag-Along Notice and fails to transfer its Shares pursuant to article 61.8, the provisions of article 60.6 (*Default by Called Shareholder*) shall apply mutatis mutandis to the transfer of those Shares.

CONSOLIDATION OR DIVISION OF SHARES

62. SHARES RESULTING FROM A SUB-DIVISION

Any resolution authorising the company to sub-divide its Shares or any of them may determine that, as between the Shares resulting from the sub-division, any of them may have any preference or advantage or be subject to any restriction as compared with the others.

63. PROCEDURE FOR DISPOSING OF FRACTIONS OF SHARES

63.1 Application

This article applies where:

- (a) there has been a consolidation or division of Shares; and
- (b) as a result, members are entitled to fractions of Shares.

63.2 Directors' powers

The Directors may:

- (a) sell the Shares representing the fractions to any person including the company for the best price reasonably obtainable;
- (b) authorise any person to execute an Instrument of transfer of the Shares to the purchaser or a person nominated by the purchaser; and
- (c) distribute the net proceeds of sale in due proportion among the holders of the Shares.

63.3 Distribution to a charity

Where any holder's entitlement to a portion of the proceeds of sale amounts to less than a minimum figure decided by the Directors, that member's portion may be distributed to an organisation which is a charity for the purposes of the law of England and Wales, Scotland or Northern Ireland.

63.4 Transferee's obligations

The person to whom the Shares are transferred is not obliged to ensure that any purchase money is received by the person entitled to the relevant fractions.

63.5 Irregularities

The transferee's title to the Shares is not affected by any irregularity in or invalidity of the process leading to their sale.

DIVIDENDS AND OTHER DISTRIBUTIONS

64. PROCEDURE FOR DECLARING DIVIDENDS

64.1 Power to declare or pay dividends

The company may by ordinary resolution declare dividends, and the Directors may decide to pay interim dividends.

64.2 Directors' recommendation as to amount

A dividend must not be declared unless the Directors have made a recommendation as to its amount. Such a dividend must not exceed the amount recommended by the Directors.

64.3 Shareholders' rights

No dividend may be declared or paid unless it is in accordance with members' respective rights.

64.4 Basis of calculating dividends

Unless the members' resolution to declare or Directors' decision to pay a dividend, or the terms on which Shares are issued, specify otherwise, it must be paid by reference to each member's holding of Shares on the date of the resolution or decision to declare or pay it.

64.5 Payment of interim dividends

If the company's share capital is divided into different classes, no interim dividend may be paid on Shares carrying deferred or non-preferred rights if, at the time of payment, any preferential dividend is in arrear.

64.6 Fixed rate dividends

The Directors may pay at intervals any dividend payable at a fixed rate if it appears to them that the profits available for distribution justify the payment.

64.7 Entitlement to a dividend

The person entitled to any dividend is the holder of the share on the date decided by:

- (a) the resolution declaring the dividend in respect of that share; or
- (b) (in the case of any interim dividend) the Directors.

64.8 Directors' liability

If the Directors act in good faith, they do not incur any liability to the holders of Shares conferring preferred rights for any loss they may incur by the lawful payment of an interim dividend on Shares with deferred or non-preferred rights.

65. CALCULATION OF DIVIDENDS

65.1 How dividends calculated

Except as otherwise provided by the Articles or the rights attached to Shares, all dividends must be:

- (a) declared and paid according to the amounts paid up on the Shares on which the dividend is paid; and
- (b) apportioned and paid proportionately to the amounts paid up on the Shares during any portion or portions of the period in respect of which the dividend is paid.

65.2 Ranking for dividends

If any share is issued on terms providing that it ranks for dividend as from a particular date, that share ranks for dividend accordingly.

65.3 No account taken of advanced payments

For the purposes of calculating dividends, no account is to be taken of any amount which has been paid up on a share in advance of the due date for payment of that amount.

66. PAYMENT OF DIVIDENDS AND OTHER DISTRIBUTIONS

66.1 Methods of payment

Where a dividend or other sum which is a distribution is payable in respect of a share, it must be paid by one or more of the following means:

- (a) transfer to a bank or building society account specified by the Distribution Recipient either in writing or as the Directors may otherwise decide;
- (b) sending a cheque made payable to the Distribution Recipient by post:
 - (i) to the Distribution Recipient at the Distribution Recipient's registered address (if the Distribution Recipient is a holder of the share); or
 - (ii) (in any other case) to an address specified by the Distribution Recipient either in writing or as the Directors may otherwise decide;
- (c) sending a cheque made payable to such person by post to that person at such address as the Distribution Recipient has specified either in writing or as the Directors may otherwise decide; or

- (d) any other means of payment as the Directors agree with the Distribution Recipient either in writing or by such other means as the Directors decide.

66.2 Definition of "Distribution Recipient"

In the Articles, "**Distribution Recipient**" means, in respect of a share in respect of which a dividend or other sum is payable:

- (a) the holder of the share;
- (b) if the share has two or more joint holders, whichever of them is named first in the register of members; or
- (c) if the holder is no longer entitled to the share by reason of death or Bankruptcy, or otherwise by operation of law, the Transmittor.

67. DEDUCTIONS FROM DISTRIBUTIONS IN RESPECT OF SUMS OWED TO THE COMPANY

67.1 Deductions

If:

- (a) a share is subject to the Company's Lien; and
- (b) the Directors are entitled to issue a Lien Enforcement Notice in respect of it,

the Directors may, instead of issuing a Lien Enforcement Notice, deduct from any dividend or other sum payable in respect of the share any sum of money which is payable to the company in respect of that share to the extent that they are entitled to require payment under a Lien Enforcement Notice.

67.2 Use of money deducted

Money so deducted must be used to pay any of the sums payable in respect of that share.

67.3 Notice to Distribution Recipient

The company must notify the Distribution Recipient in writing of:

- (a) the fact and amount of any deduction;
- (b) any non-payment of a dividend or other sum payable in respect of a share resulting from any deduction; and
- (c) how any money deducted has been applied.

68. NO INTEREST ON DISTRIBUTIONS

The company may not pay interest on any dividend or other sum payable in respect of a share unless otherwise provided by:

- (a) the terms on which the share was issued; or

- (b) the provisions of another agreement between the holder of that share and the company.

69. UNCLAIMED DISTRIBUTIONS

69.1 Use of unclaimed distributions

All dividends or other sums which are:

- (a) payable in respect of Shares; and
- (b) unclaimed after having been declared or become payable,

may be invested or otherwise made use of by the Directors for the benefit of the company until claimed.

69.2 Company not a trustee

The payment of such a dividend or other sum into a separate account does not make the company a trustee in respect of it.

69.3 Forfeiture of unclaimed distributions

If:

- (a) 12 years have passed from the date on which a dividend or other sum became due for payment; and
- (b) the Distribution Recipient has not claimed it,

the Distribution Recipient is no longer entitled to that dividend or other sum and it ceases to remain owing by the company.

70. NON-CASH DISTRIBUTIONS

70.1 Power to make non-cash distributions

Subject to the terms of issue of a share, the company may, by ordinary resolution on the recommendation of the Directors, decide to pay all or part of a dividend or other distribution payable in respect of the share by transferring non-cash assets of equivalent value (including Shares or other securities in any company).

70.2 Directors' powers to make arrangements

For the purposes of paying a non-cash distribution, the Directors may make whatever arrangements they think fit, including, where any difficulty arises regarding the distribution:

- (a) fixing the value of any assets;
- (b) paying cash to any Distribution Recipient on the basis of that value to adjust the rights of recipients; and

- (c) vesting any assets in trustees.

71. WAIVER OF DISTRIBUTIONS

Distribution Recipients may waive their entitlement to a dividend or other distribution payable in respect of a share by giving the company notice in writing to that effect. But if:

- (a) the share has more than one holder; or
- (b) more than one person is entitled to the share, whether by reason of the death or Bankruptcy of one or more joint holders, or otherwise,

the notice is not effective unless it is expressed to be given, and signed, by all the holders or persons otherwise entitled to the share.

CAPITALISATION OF PROFITS

72. AUTHORITY TO CAPITALISE AND APPROPRIATION OF CAPITALISED SUMS

72.1 Directors' capitalisation and appropriation powers

Subject to the Articles, the Directors may, if they are so authorised by an ordinary resolution:

- (a) decide to capitalise any profits of the company (whether or not they are available for distribution) which are not required for paying a preferential dividend, or any sum standing to the credit of the company's share premium account or capital redemption reserve; and
- (b) appropriate any sum which they so decide to capitalise (a "**capitalised sum**") to the persons who would have been entitled to it if it were distributed by way of dividend (the "**persons entitled**") and in the same proportions.

72.2 Basis of application

Capitalised sums must be applied:

- (a) on behalf of the persons entitled; and
- (b) in the same proportions as a dividend would have been distributed to them.

72.3 New Shares

Any capitalised sum may be applied in paying up new Shares of a nominal amount equal to the capitalised sum which are then allotted credited as Fully Paid to the persons entitled or as they may direct.

72.4 Existing Shares and new debentures

A capitalised sum which has been appropriated from profits available for distribution may be applied:

- (a) in or towards paying up any amounts unpaid on existing Shares held by the persons entitled; or
- (b) in paying up new debentures of the company which are then allotted credited as Fully Paid to the persons entitled or as they may direct.

72.5 Directors' supplementary powers

Subject to the Articles, the Directors may:

- (a) apply capitalised sums in accordance with article 72.3 and 72.4 partly in one way and partly in another;
- (b) make such arrangements as they think fit to deal with Shares or debentures becoming distributable in fractions under this article (including the issuing of fractional certificates or the making of cash payments); and
- (c) authorise any person to enter into an agreement with the company on behalf of all the persons entitled which is binding on them in respect of the allotment of Shares and debentures to them under this article.

A person is able to exercise the right to vote at a general meeting when:

73.3 Directors' power to make arrangements

The Directors may make whatever arrangements they consider appropriate to enable those attending a general meeting to exercise their rights to speak or vote at it.

73.4 Immateriality of attending at different places

In determining attendance at a general meeting, it is immaterial whether any two or more members attending it are in the same place as each other.

73.5 Attendance when at different places

Two or more persons who are not in the same place as each other attend a general meeting if their circumstances are such that if they have (or were to have) rights to speak and vote at that meeting, they are (or would be) able to exercise them.

74. QUORUM FOR GENERAL MEETINGS

No business other than the appointment of the Chairman of the Meeting is to be transacted at a general meeting if the persons attending it do not constitute a quorum.

If the Directors have appointed a Chairman, the Chairman is entitled to chair general meetings if present and willing to do so.

If the Directors have not appointed a Chairman, or if the Chairman is unwilling to chair the meeting or is not present within 10 minutes of the time at which a meeting was due to start:

- (a) the Directors present; or

- (b) otherwise entitled to exercise the rights of members in relation to general meetings,

to attend and speak at a general meeting.

77. ADJOURNMENT

77.1 Lack of quorum

If the persons attending a general meeting within half an hour of the time at which the meeting was due to start do not constitute a quorum, or if during a meeting a quorum ceases to be present:

- (a) the meeting is dissolved if the members or any of them required the meeting to be called or the members or any of them called the meeting; or
- (b) otherwise:
 - (i) the Chairman of the Meeting must adjourn it; and
 - (ii) if at the adjourned meeting a quorum is not present or ceases to be present, one qualifying person present is a quorum.

77.2 Chairman's power to adjourn

The Chairman of the Meeting may adjourn a general meeting at which a quorum is present if:

- (a) the meeting consents to an adjournment; or
- (b) it appears to the Chairman of the Meeting that an adjournment is necessary to:

77.5 Notice of an adjourned meeting

If the continuation of an adjourned meeting is to take place more than 14 days after it was adjourned, the company must give at least seven clear days' notice of it (that is, excluding the day of the adjourned meeting and the day on which the notice is given):

- (a) to the same persons to whom notice of the company's general meetings is required to be given; and
- (b) containing the same information which that notice is required to contain.

77.6 Business at an adjourned meeting

No business may be transacted at an adjourned general meeting which could not properly have been transacted at the meeting if the adjournment had not taken place.

78.3 Votes of proxies on a show of hands

Each proxy present in person who has been duly appointed by one or more members entitled to vote on a resolution has one vote.

78.5 Votes of corporate representatives on a show of hands

Each duly authorised representative present in person of a member that is a corporation has one vote.

78.6 Votes on a poll

The rights of members to vote on a poll are specified in article 35 (*Voting rights*).

78.7 Interpretation

But articles 78.2 to 78.6 are subject to any rights or restrictions attached to any Shares.

78.8 A proxy's obligations to vote

The company is entitled to assume without enquiry that a proxy has complied with any obligation to vote in accordance with instructions given by the member by whom the proxy is appointed. The validity of anything done at a meeting is not affected by any failure by a proxy to comply with such an obligation.

79. ERRORS AND DISPUTES

79.1 Voting objections

No objection may be raised to the qualification of any person voting at a general meeting except at the meeting or adjourned meeting at which the vote objected to is tendered, and every vote not disallowed at the meeting is valid.

Any objection permitted by article 79.1 must be referred to the Chairman of the Meeting, whose decision is final.

80. POLL VOTES

80.1 When a poll can be demanded

A poll on a resolution may be demanded either before a show of hands on that resolution or immediately after the result of a show of hands on that resolution is declared.

80.2 Who may demand a poll

- (a) the Chairman of the Meeting;
- (b) at least two members having the right to vote on the resolution;

- (d) a member or members holding Shares conferring a right to vote on the resolution, being Shares on which an aggregate sum has been paid up equal to not less than 10 per cent. of the total sum paid up on all the Shares conferring that right (excluding any Shares conferring a right to vote on the resolution which are held as treasury Shares).

80.3 Withdrawal of a demand for a poll

A demand for a poll may be withdrawn if:

- (a) the poll has not yet been taken; and
- (b) the Chairman of the Meeting consents to the withdrawal.

81.1 Chairman's power

Subject to the Articles, polls at general meetings must be taken when, where and in such manner as the Chairman of the Meeting directs.

81.2 Scrutineers

The Chairman of the Meeting may appoint scrutineers (who need not be members) and decide how and when the result of the poll is to be declared.

81.3 Poll result

The result of a poll is to be treated as the decision of the meeting in respect of the resolution on which the poll is demanded.

81.4 Polls to be taken immediately

A poll on:

- (a) the election of the Chairman of the Meeting; or
- (b) a question of adjournment,

must be taken immediately.

81.5 Timing of other polls

Other polls must be taken within 30 days of their being demanded.

81.6 Continuance of general meeting

A demand for a poll does not prevent a general meeting from continuing, except as regards the question on which the poll was demanded.

81.7 When notice of poll not required

No notice need be given of a poll not taken immediately if the time, date and place at which it is to be taken are announced at the meeting at which it is demanded.

81.8 Notice of a poll

In any other case, at least seven clear days' notice (that is, excluding the day on which the poll is to be taken and the day on which the notice is given) must be given specifying the time, date and place at which the poll is to be taken.

82. CONTENT OF PROXY NOTICES

- (c) is signed by or on behalf of the member appointing the proxy; and
- (d) is delivered to the company in accordance with the Articles and any instructions contained in the notice of the general meeting to which they relate.

82.2 Form of Proxy Notices

The Directors may require Proxy Notices to be delivered in a particular form, and may specify different forms for different purposes.

82.3 Proxy voting

Proxy Notices may specify how the proxy appointed under them is to vote (or that the proxy is to abstain from voting) on one or more resolutions.

82.4 Ancillary rights of proxies

Unless a Proxy Notice indicates otherwise, it must be treated as:

- (a) allowing the person appointed under it as a proxy discretion as to how to vote on any ancillary or procedural resolutions put to the meeting; and
- (b) appointing that person as a proxy in relation to any adjournment of the general meeting to which it relates as well as the meeting itself.

83. DELIVERY OF PROXY NOTICES

83.1 Proxy Notification Address

A notice of a general meeting must specify the address or addresses (each a "**Proxy Notification Address**") at which the company will receive Proxy Notices relating to

that meeting, or any adjournment of it, delivered in hard copy or (unless the Directors decide otherwise in relation to a specific general meeting) electronic form.

83.2 Rights of appointor

A person who is entitled to attend, speak or vote (either on a show of hands or on a poll) at a general meeting remains so entitled in respect of that meeting or any adjournment of it, even though a valid Proxy Notice has been delivered to the company by or on behalf of that person.

83.3 Delivery before a meeting or adjourned meeting

Subject to article 83.4 and 83.5, a Proxy Notice must be delivered to a Proxy Notification Address not less than 48 hours before the general meeting or adjourned meeting to which it relates.

In the case of a poll taken more than 48 hours after it is demanded, the Proxy Notice must be delivered to a Proxy Notification Address not less than 24 hours before the time appointed for the taking of the poll.

83.5 Delivery before a poll taken in other cases

In the case of a poll not taken during the meeting but taken not more than 48 hours after it was demanded, the Proxy Notice must be delivered:

- (a) in accordance with article 83.3; or
- (b) at the meeting at which the poll was demanded to the chairman, secretary (if any) or any Director.

83.6 Calculating periods of time

In calculating the periods mentioned in article 83.3 and 83.4, no account is to be taken of any part of a day that is not a working day, unless the Directors decide otherwise in relation to a specific general meeting.

83.7 Revocation of proxy appointment

An appointment under a Proxy Notice may be revoked by delivering to the company a notice in writing given by or on behalf of the person by whom or on whose behalf the Proxy Notice was given to a Proxy Notification Address.

83.8 When revocation takes effect

A notice revoking a proxy appointment only takes effect if it is delivered before:

- (a) the start of the meeting or adjourned meeting to which it relates; or
- (b) (in the case of a poll not taken on the same day as the meeting or adjourned meeting) the time appointed for taking the poll to which it relates.

- (b) the proposed amendment does not, in the reasonable opinion of the Chairman of the Meeting, materially alter the scope of the resolution.

84.2 Special resolutions

A special resolution to be proposed at a general meeting may be amended by ordinary resolution, if:

- (a) the Chairman of the Meeting proposes the amendment at the general meeting at which the resolution is to be proposed; and
- (b) the amendment does not go beyond what is necessary to correct a grammatical or other non-substantive error in the resolution.

84.3 Chairman's decisions

If the Chairman of the Meeting, acting in good faith, wrongly decides that an amendment to a resolution is out of order, the Chairman's error does not invalidate the vote on that resolution.

RESTRICTIONS ON MEMBERS' RIGHTS

85. NO VOTING OF SHARES ON WHICH MONEY OWED TO COMPANY

No voting rights attached to a share may be exercised at any general meeting, at any adjournment of it, or on any poll called at or in relation to it, unless all amounts payable to the company at that time in respect of that share have been paid.
