THIS DEED is dated 2 August 2017 and made

BETWEEN:

- (1) **THOR HOLDCO LIMITED** (registered number 10259437) (**Holdco**);
- (2) **M GROUP SERVICES LIMITED** (registered number 10260164) (**MGSL** together with Holdco, the **Original Chargors**);
- (3) **THE COMPANIES** listed in Schedule 1 as chargors (together with Holdco and MGSL, each an **Existing Chargor**);
- (4) **HSBC BANK PLC** (the **Agent**) as agent of the other Finance Parties; and
- (5) **HSBC CORPORATE TRUSTEE COMPANY (UK) LIMITED** (the **Security Agent**), for itself and as security agent and trustee for each of the other Secured Parties.

BACKGROUND:

- (A) Pursuant to an English law security agreement dated 20 September 2016 between the Original Chargors and the Security Agent (the **Original Security Agreement**), the Original Chargors created Transaction Security as security for, among other things, the Secured Obligations (as defined therein).
- (B) Pursuant to deeds of accession executed by each Existing Chargor (other than the Original Chargors) and the Security Agent from time to time acceding to the Original Security Agreement and/or (as applicable) the First Confirmatory Agreement as an Additional Chargor (as defined in the Original Security Agreement), the Existing Chargors (other than the Original Chargors) created Transaction Security as security for, among other things, the Secured Obligations (as defined in the Original Security Agreement and/or (as applicable) the First Confirmatory Agreement) (each, a **Security Accession Deed**).
- (C) Pursuant to an amendment and restatement agreement dated 7 March 2017 between, among others, the Agent, the Security Agent and the Existing Chargors (other than Meter U Limited), (the **First Existing Chargors**) the Senior Facilities Agreement was amended and restated.
- (D) Pursuant to an English law confirmatory security agreement dated 7 March 2017 between, among others, the Existing Chargors (as defined therein) and the Security Agent (the **First Confirmatory Agreement**), the First Existing Chargors confirmed the Transaction Security as security for, among other things, the Secured Obligations (as defined therein).
- (E) The Senior Facilities Agreement will be amended and restated by a second amendment agreement dated on or about the date of this Deed between, among others, the Existing Chargors (as obligors) and the Security Agent (the **Second Amendment and Restatement Agreement**).
- (F) The Existing Chargors and the Security Agent consider that the Transaction Security created by the Existing Chargors under the Original Security Agreement, the Security Accession Deeds and the First Confirmatory Agreement secures payment of the Secured Obligations (as defined below) but are entering into this Deed for the avoidance of doubt and/or in the event that they may not.
- (G) This Deed is supplemental to the Original Security Agreement and the First Confirmatory Agreement.

- (H) This Deed is a Finance Document.
- (I) It is intended that this document takes effect as a deed notwithstanding the fact that a party may only execute this document under hand.

IT IS AGREED as follows:

1. INTERPRETATION

1.1 Definitions

Liabilities means all present and future liabilities and obligations at any time of any member of the Group to any Finance Party under the Finance Documents (including the Restated Facilities Agreement), both actual and contingent and whether incurred solely or jointly or as principal or surety or in any other capacity.

Relevant Contract means any intra-Group loan or note agreement and any agreement specified as such in the Original Security Agreement, Security Accession Deed, the First Confirmatory Agreement or any Consolidated Security Accession Deed or any other agreement designated as such by the relevant Chargor and the Security Agent.

Secured Obligations means all the Liabilities and all other present and future obligations and liabilities which at any time are or expressed to be, or may become, due, owing or payable by any Obligor to any Secured Party under or in connection with the Finance Documents (including the Restated Facilities Agreement and including all monies covenanted to be paid under this Deed), both actual and contingent and whether incurred solely or jointly or severally, and as principal or surety or in any other capacity but excluding any sum, liability or obligation which, if included, would result in this Deed contravening any laws (including sections 678 and 679 of the CA 2006), regulations and limitations set out in any Accession Document applicable to the relevant Additional Chargor.

Senior Facilities Agreement means the facilities agreement dated 20 September 2016 (as amended and restated from time to time prior to the date of the Second Amendment and Restatement Agreement) between, among others, Thor Holdco Limited as parent, Thor Bidco Limited as

1.2 Construction

- (a) Capitalised terms defined in the Restated Facilities Agreement or Original Security Agreement have, unless expressly defined in this Deed, the same meaning where used in this Deed.
- (b) The provisions of clauses 1.2 (*Construction*) of the Restated Facilities Agreement apply to this Deed as though they were set out in full in this Deed, except that references to the Restated Facilities Agreement will be construed as references to this Deed.
- (c) Any reference in this Deed to:
 - (i) a ***Finance Document*** or any other agreement or instrument includes (without prejudice to any restriction on amendments) any amendment to that Finance Document or other agreement or instrument, including any change in the purpose of, any extension of or any increase in the amount of a facility or any additional facility;
 - (ii) any ***rights*** in respect of an asset include all rights to make any demand or claim, and all powers, remedies, causes of action, security, guarantees and indemnities, in each case, in respect of or derived from that asset;
 - (iii) ***this Security*** means any security created by this Deed; and
 - (iv) an agreement, instrument or other document ***to which it is a party*** includes any agreement, instrument or other document issued in the relevant person's favour or of which it otherwise has the benefit (in whole or in part).
- (d) Any covenant of a Chargor under this Deed (other than a payment obligation) remains in force during the Security Period.
- (e) If the Security Agent (acting reasonably) considers that an amount paid to a Secured Party under a Finance Document is capable of being avoided or otherwise set aside on the liquidation or administration of the payer or otherwise, then that amount will not be considered to have been irrevocably paid for the purposes of this Deed.
- (f) Unless the context otherwise requires, a reference to a Security Asset includes the proceeds of sale of that Security Asset.
- (g) In this Deed, a reference to a matter being permitted shall include reference to such matter being ***not prohibited***.

1.3 Third party rights

- (a) Unless expressly provided to the contrary in this Deed, a person who is not a Party has no right under the Contracts (Rights of Third Parties) Act 1999 (***Third Parties Act***) to enforce or to enjoy the benefit of any term of this Deed.
- (b) Notwithstanding any term of this Deed, the consent of any person who is not a Party is not required to rescind or vary this Deed at any time.

- (c) Any Secured Party that is not a Party may enforce and enjoy the benefit of any Clause which expressly confers rights on it, subject to paragraph (b) above and the provisions of the Third Parties Act.

2. CREATION OF SECURITY

2.1 General

- (a) All the security created under this Deed:
 - (i) is created in favour of the Security Agent;
 - (ii) is created over present and future assets of each Chargor;
 - (iii) is security for the payment of all the Secured Obligations; and
 - (iv) is made with full title guarantee in accordance with the Law of Property (Miscellaneous Provisions) Act 1994.

- (b) Subject to paragraph (c) below, if:
 - (i) the assets of a Chargor are subject to third party arrangements which prevent those assets from being charged or assigned or that Chargor from granting Security over those assets; or
 - (ii) assets of a Chargor which, if charged or assigned, would give a third party the right to terminate or otherwise amend any rights, benefits and/or obligations of the Group in respect of those assets or require any member of the Group in respect of those assets or require any member of the Group to take any action materially adverse to the interests of the Group or any member thereof,

such assets will be excluded from the Security created under this Deed. Promptly upon becoming aware of any such restriction, the relevant Chargor (or MGSL on behalf of that Chargor) shall (A) use reasonable endeavours (not involving the payment of money or incurrence of any external expenses) to obtain consent to securing any such assets or (B) (as the case may be) use reasonable endeavours (not involving the payment of money or incurrence of any external expenses) to avoid such assets being subject to any such restrictions under those third party arrangements, in each case only if the Agent (in good faith) determines that the relevant asset is material.

- (c) To the extent any material assets of a Chargor are excluded from the Security created under this Deed in accordance with paragraph (b) above:
 - (i) the relevant Chargor must notify the Security Agent promptly; and
 - (ii) this Security will secure all amounts which the Chargor may receive, or has received, in connection with that asset but exclude the asset itself.
- (d) The Security Agent holds the benefit of this Deed on trust for the Secured Parties.
- (e) Where this Deed purports to create a first fixed Security, that Security will be a third ranking Security ranking subject to the equivalent Security created by the Original Security Agreement, any Security Accession Deed and the First Confirmatory Agreement.
- (f) Where a right or asset has been assigned (subject to a proviso for reassignment on redemption) under the Original Security Agreement, any Security Accession Deed and the First Confirmatory

Agreement and the same asset or right is expressed to be assigned again under this Deed, that third assignment will take effect as a first fixed charge over the right or asset provided that it will immediately and automatically take effect as an assignment if the relevant Transaction Security created by the Original Security Agreement, any Security Accession Deed and the First Confirmatory Agreement ceases to have effect at a time when this Deed still has effect.
