IMPERIAL TOBACCO HOLDINGS LIMITED

Strategic Report

The Directors present their Strategic Report together with the Directors' Report and audited financial statements of Imperial Tobacco Holdings Limited (the Company) for the year ended 30 September 2018.

Review of the business

The principal activity of the Company continued to be that of holding investments.

During the year Imperial Brands PLC group (the Group) undertook a structural reorganisation, resulting in some subsidiaries becoming dormant and the ownership structure of other subsidiary entities changing within the Group. As a consequence of the changes, dividends of £6,000 million have been upstreamed to the Company via Imperial Tobacco Limited, and the investment in Imperial Tobacco Limited has been impaired by £3,862 million.

The Company is a wholly owned indirect subsidiary of Imperial Brands PLC, which is the ultimate parent company within the Group, and the Directors of the Group manage operations at a Group level. For this reason, the Company's Directors believe that analysis using key performance indicators for the Company is not necessary or appropriate for an understanding of the development, performance or position of the business of the Company. The development, performance and position of the Group's UK operations, which include the Company, are discussed in the Group's Annual Report which does not form part of this report, but is available at www.imperialbrandspc.com.

In addition, the Directors of the Group manage the Group's risks at a Group level, rather than at an individual entity level. For this reason, the Company's Directors believe that a discussion of the Group's risks would not be appropriate for an understanding of the development, performance or position of the business of the Company. The principal risks and uncertainties of the Group, which include those of the Company, are discussed in the Group's Annual Report, which does not form part of this report.

In the normal course of business, the Group is exposed to market, liquidity and credit risk. The financial risk management policy is discussed in the Financial Risk Factors section of the Group's Annual Report, which does not form part of this report.

The subsidiaries of the Company are shown at the end of this report.

Financial results

The results for the Company show a profit for the financial year of £2,541 million (2017: £360 million), and total equity at 30 September 2018 of £8,976 million (2017: £8,435 million).

The Directors do not propose a final dividend (2017: £nil).

The aggregate dividends on the ordinary shares recognised as a charge to the Statement of Changes in Equity during the year amounts to £2,000 million (2017: £632 million).

Future Developments

The year end financial position was considered satisfactory and the Directors are satisfied that the Company has adequate resources to meet its operational needs for the foreseeable future. Currently there are no further Group re-organisation activities planned.

IMPERIAL TOBACCO HOLDINGS LIMITED

Strategic Report

Brexit

The Group is monitoring the implications of the UK's decision to leave the European Union ('Brexit'). The Group categorised risks as those which will arise if the UK is no longer an EU Member State, and others that will arise dependent upon whether a transitional trade deal is agreed or not. Mitigation plans have been developed for specifically identified risks in both categories. The overall position is that the Group believes it is ready for whatever Brexit scenario occurs and does not foresee a material Brexit impact.

Therefore the Directors continue to adopt the going concern basis in preparing the financial statements.

Statement of Directors' responsibilities in respect of the financial statements

The Directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulation.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 101 'Reduced Disclosure Framework', and applicable law).

IMPERIAL TOBACCO HOLDINGS LIMITED

Directors' Report

Statement of Directors' responsibilities in respect of the financial statements (continued)

Under Company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing the financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 101 have been followed, subject to any material departures disclosed and explained in the financial statements;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006.

Directors' confirmations

In the case of each Director in office at the date the Directors' Report is approved:

- so far as the Director is aware, there is no relevant audit information of which the Company's Auditors are unaware; and
- they have taken all the steps that they ought to have taken as a Director in order to make themselves aware of any relevant audit information and to establish that the Company's Auditors are aware of that information.

Independent Auditors

In the absence of a notice proposing that the appointment of PricewaterhouseCoopers LLP as Auditors of the Company should be brought to an end, the Auditors will be deemed to be re-appointed for the next financial year.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF IMPERIAL TOBACCO HOLDINGS LIMITED

Report on the audit of the financial statements

Opinion

In our opinion, Imperial Tobacco Holdings Limited's financial statements:

- give a true and fair view of the state of the Company's affairs as at 30 September 2018 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 101 "Reduced Disclosure Framework", and applicable law); and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements, included within the Annual Report and Financial Statements (the "Annual Report"), which comprise: the balance sheet as at 30 September 2018; the income statement, the statement of changes in equity for the year then ended; and the notes to the financial statements, which include a description of the significant accounting policies.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We remained independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Conclusions relating to going concern

ISAs (UK) require us to report to you when:

- the Directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

We have nothing to report in respect of the above matters.

However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the Company's ability to continue as a going concern. For example, the terms on which the United Kingdom may withdraw from the European Union are not clear, and it is difficult to evaluate all of the potential implications on the Company's trade, customers, suppliers and the wider economy.

Reporting on other information

The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The Directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

IMPERIAL TOBACCO HOLDINGS LIMITED

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF IMPERIAL TOBACCO HOLDINGS LIMITED

Report on the audit of the financial statements (continued)

Reporting on other information (continued)

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Strategic Report and Directors' Report, we also considered whether the disclosures required by the UK Companies Act 2006 have been included.

Based on the responsibilities described above and our work undertaken in the course of the audit, ISAs (UK) require us also to report certain opinions and matters as described below.

Strategic Report and Directors' Report

In our opinion, based on the work undertaken in the course of the audit, the information given in the Strategic Report and Directors' Report for the year ended 30 September 2018 is consistent with the financial statements and has been prepared in accordance with applicable legal requirements.

In light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we did not identify any material misstatements in the Strategic Report and Directors' Report.

Responsibilities for the financial statements and the audit

Responsibilities of the Directors for the financial statements

As explained more fully in the Statement of Directors' responsibilities in respect of the financial statements set out on pages 4-5, the Directors are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The Directors are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditors' report.

Notes to the Financial Statements

1. Authorisation of financial statements and statement of compliance with FRS101

The financial statements of the Company for the year ended 30 September 2018 were authorised for issue by the board of Directors on 27 June 2019, and the balance sheet was signed on the board's behalf by T R W Tildesley. The Company is a private company incorporated and domiciled in the United Kingdom, and registered in England and Wales.

These financial statements were prepared in accordance with the Companies Act 2006, Financial Reporting Standard 101 Reduced Disclosure Framework (FRS 101) and applicable accounting standards.

The Company's financial statements are presented in Sterling and all values are rounded to the nearest million pounds (£m) except when otherwise indicated.

The Company has taken advantage of the exemption under s400 of the Companies Act 2006 not to prepare group financial statements as it is a wholly owned subsidiary of Imperial Brands PLC, registered in the United Kingdom. The results of the Company are included in the consolidated financial statements of Imperial Brands PLC which are available from 121 Winterstoke Road, Bristol, BS3 2LL or on its website www.imperialbrandsplc.com.

2. Accounting policies

Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Companies Act 2006 as applicable to Companies using Financial Reporting Standard 101 'Reduced Disclosure Framework' (FRS 101), and FRS 101 as issued by the Financial Reporting Council, on a going concern basis.

The financial statements have been prepared on the historical cost basis, except as described in the accounting policies on foreign currency and financial instruments below. Historical cost is generally based on the fair value of the consideration given in exchange for the assets.

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of expenses during the period and of assets and liabilities at the balance sheet date.

Going concern

The Directors are satisfied that the Company has adequate resources to meet its operational needs for the foreseeable future. The Company has net current liabilities of £10,852 million as at 30 September 2018, however the Directors of the Company have assurances that the financial support of Imperial Brands PLC, the ultimate parent company, will continue for at least 12 months from the date of signing of the financial statements. Therefore, the Directors continue to adopt the going concern basis in preparing the financial statements.

IMPERIAL TOBACCO HOLDINGS LIMITED

Notes to the Financial Statements

2. Accounting policies (continued)

 - (i) paragraph 79(a)(iv) of IAS 1; and

- The following paragraphs of IAS 1 'Presentation of financial statements':
 - (i) 10(d) - statement of cash flows;
 - (ii) 10(f) - a statement of financial position as at the beginning of the preceding period when an entity applied an accounting policy retrospectively or makes a retrospective restatement of items in its financial statements, or when it reclassifies items in its financial statements;

- The requirements in IAS 24 'Related party disclosures' to disclose related party transactions entered into between two or more members of a group; and
- IFRS 7 'Financial Instruments: Disclosures'.

New accounting standards and interpretations

No new accounting standards, or amendments to accounting standards, or IFRS IC interpretations that are effective for the year ended 30 September 2018, have had a material impact on the Company.

Foreign currency

Monetary assets and liabilities denominated in foreign currencies are translated into pound sterling at the rates of exchange ruling at the balance sheet date.

Transactions in currencies other than pound sterling are initially recorded at the exchange rate ruling at the date of the transaction. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at exchange rates ruling at the balance sheet date of monetary assets and liabilities denominated in foreign currencies are recognised in the income statement with exchange differences arising on trading transactions being reported in operating profit, and those arising on financing transactions being reported in net finance costs.

The carrying amounts of foreign currency investments are translated at the rates of exchange ruling at the balance sheet date and resulting exchange differences are offset against exchange gains or losses on the translation of intra-group borrowings in reserves, through the Statement of Comprehensive Income.

IMPERIAL TOBACCO HOLDINGS LIMITED

Notes to the Financial Statements

2. Accounting policies (continued)

Fair value hedges

The Company holds fair value hedges against certain investments. Gains or losses on these hedges, that are regarded as highly effective, are taken to the income statement, where they offset gains or losses on translation of the investments within net finance income/costs.

Income from share in group undertakings

Dividend income from subsidiary entities is recognised in the period in which the right to receive payment is established.

Interest

Interest payable and receivable is recognised in the income statement on an accruals basis.

Taxes

The tax expense for the year comprises current and deferred tax. Tax is recognised in the income statement, except to the extent that it relates to items recognised in other comprehensive income or directly in shareholders' funds. In this case, the tax is also recognised in other comprehensive income or directly in the shareholders' funds, respectively.

Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustments to tax payable in respect of previous periods.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date; where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date.

A net deferred tax asset is recognised only to the extent that it is probable that future taxable profit will be available against which the asset can be utilised.

Deferred tax is determined using tax rates that have been enacted or substantively enacted by the balance sheet date and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled. Deferred tax is measured on a non-discounted basis.

Dividends

Final dividends are recognised as a liability in the period in which the dividends are approved by shareholders, whereas interim dividends are recognised in the period in which the dividends are paid.

Investments

Investments held as fixed assets comprise the Company's investment in subsidiaries and are predominantly shown at historic purchase cost less any provision for impairment. The exception is when a fair value hedge is in place whereby the investment is revalued at the rate prevailing at the period end, with any foreign exchange movement taken to the net finance income / costs.

Impairment of Investments

Investments are tested for impairment annually to ensure that the carrying value of the investment is supported by their underlying net assets.

IMPERIAL TOBACCO HOLDINGS LIMITED

Notes to the Financial Statements

2. Accounting policies (continued)

Financial Instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the relevant instrument. Financial assets are de-recognised when the rights to receive benefits have expired or been transferred, and the Company has transferred substantially all risks and rewards of ownership. Financial liabilities are de-recognised when the obligation is extinguished.

Non-derivative financial assets are classified as loans and receivables. Receivables are initially recognised at fair value and are subsequently stated at amortised cost using the effective interest method, subject to reduction for allowances for estimated irrecoverable amounts. A provision for impairment of receivables is established when there is objective evidence that the Company will not be able to collect all amounts due according to the original terms of those receivables. The amount of the provision is the difference between the asset's carrying amount and the present value of estimated future cash flows, and is recognised in the income statement. For interest-bearing assets, the carrying value includes accrued interest receivable.

Non-derivative financial liabilities are classified as loans and payables. Payables are initially recognised at fair value and are subsequently stated at amortised cost using the effective interest method. For borrowings, the carrying value includes accrued interest payable.

Critical accounting estimates and judgements

The Company makes estimates and assumptions regarding the future. Estimates and judgements are continually evaluated based on historical experience, and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

In the future, actual experience may deviate from these estimates and assumptions. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the current financial year are discussed below.

Investment in subsidiaries

The Company holds investments in subsidiary undertakings, the value of which is assessed on an annual basis. Estimates of future cashflows are used to provide valuations of the subsidiary entities, and where there are indications that the current carrying value of the investment is greater than the valuation of the business, impairment of the investment may be required.

The complexity of the estimation process and issues related to the assumptions, risks and uncertainties inherent in the application of the accounting estimates affect the carrying values reported in the financial statements. If business conditions were different, or if different assumptions were used in the calculation of accounting estimates, it is possible that different amounts could be reported.

3. Operating profit

Expenses of the Company, including audit fees of £2,300 (2017: £2,300) were met by Imperial Tobacco Limited, a wholly owned subsidiary of Imperial Brands PLC, the ultimate parent company.

IMPERIAL TOBACCO HOLDINGS LIMITED

Notes to the Financial Statements

4. Directors and employees

The Company has no employees other than the Directors (2017: none), who did not receive any remuneration (2017: £nil).

The emoluments of the Directors are paid by Imperial Tobacco Limited a wholly owned indirect subsidiary of Imperial Brands PLC, the ultimate parent company. The Directors' services to the Company and to a number of fellow subsidiaries below the ultimate parent company are of a non-executive nature and their emoluments and retirement benefits are deemed to be wholly attributable to their services to Imperial Tobacco Limited and the ultimate parent company. Accordingly, no emoluments or retirement benefits are disclosed in these financial statements.

Factors affecting the tax credit for the year

The tax assessed for the year is lower (2017: lower) than the standard rate of corporation tax in the UK of 19.0 per cent (2017: 19.5 per cent). The differences are explained as follows:

(In £ million)	2018	2017

Total tax on profit	(14)	-

The corporation tax credit for the year has been adjusted by £33 million (2017: £26 million) due to the surrender of group relief to (2017: to) other Imperial Brands PLC companies. Consideration of £14 million (2017: nil) has been received for group relief surrendered.

Movements in current tax accounts

(In £ million)	2018	2017
Asset as at 1 October	-	-
Credited to the income statement	(14)	-
As at 30 September	(14)	-

The corporation tax asset of £14 million (2017: nil) is all due from fellow subsidiaries in respect of group relief.

Factors that may affect future tax charges

There is no guarantee that the surrender of group tax losses by other Group undertakings will occur in the future.

The current year tax rate of 19.0 per cent arises from profits being taxed at 19.0 per cent until 30 September 2018.

The prior year tax rate of 19.5 per cent arises from profits being taxed at 20.0 per cent until 31 March 2017 and 19.0 per cent thereafter.

The rate of corporation tax was reduced by 1.0 per cent from 20.0 per cent to 19.0 per cent from 1 April 2017. A further reduction to 17.0 per cent on 1 April 2020 was enacted at the balance sheet date.

9. Dividends
