REPORT OF THE DIRECTORS

The directors present their report and the financial statements for the year ending 30th of September 2009

Statement of Directors responsibilities

Company law requires the directors to prepare financial statements for each financial year, which give a true and fair view of the state of the company and of the profit and loss of the company for that period. In preparing those financial statements the directors are required to;

Select suitable accounting policies and apply them consistently

Make judgements and estimates that are reasonable and prudent

Prepare the financial statements on the going concern basis unless it is inappropriate to presume the company will continue in business

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention of fraud and other irregularities.

Activity

Throughout the year the company has not traded.

Results and Dividends

The loss for the year amounted to fifteen pounds and is set out in the profit and loss account. The directors do not recommend the payment of a dividend.

Review of the year

The review of the year is included in the Chairman's statements.

Shares issued

During the year no shares were issued.
