1. General information

NLC Name No. 7 Limited (the 'Company') is registered as a Corporate Name at Lloyd's, but is now dormant. The Company is limited by shares, domiciled and incorporated in the United Kingdom.

2. Accounting policies

BASIS OF PRESENTATION

These financial statements have been prepared in accordance with UK-adopted International Accounting Standards ('IFRS').

As the Company has ceased participation in Lloyd's syndicates and the intention of management is not to recommence any such activity, or any other trading activity, in the foreseeable future, the financial statements have not been prepared on a going concern basis. However, at 31 December 2021, all remaining assets are either fully recoverable or supported by the ultimate parent company and therefore there has been no impact of this change on the valuation of the Company's statement of financial position. This change is purely presentational to meet the requirements of IAS 1 and does not represent any uncertainty in the Company's ability to meet its remaining obligations as they fall due. This accounting treatment has been consistently applied to all years presented. The financial statements are presented in sterling, which is the Company's presentation and functional currency. There are no significant accounting policies to disclose and management have not used any significant estimates or judgements in preparing the financial statements in conformity with IFRS.

CHANGES IN ACCOUNTING POLICIES

As the Company is dormant, there are no changes to accounting standards that are expected to have an effect on the financial statements. This applies both to changes in IFRSs effective in the current year, and those issued but not yet effective.

3. Statement of comprehensive income

The Company has not traded or made profits or losses during the year ended 31 December 2021. Therefore, no statement of comprehensive income has been prepared.
