NOTES TO THE ABBREVIATED ACCOUNTS  
FOR THE YEAR ENDED 31 OCTOBER 2015**

---

**1 Accounting policies**

**1.1 Accounting convention**

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

The financial statements have been prepared on a going concern basis which assumes that the company will continue in operational existence for the foreseeable future. The validity of the assumption depends upon the continued financial support of the company's subsidiaries.

If the company were unable to continue in existence for the foreseeable future, adjustments would have to be made to reduce the balance sheet values of assets to their recoverable amounts and to provide for any further liabilities that might arise.

**1.2 Compliance with accounting standards**

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated).

**1.3 Turnover**

Turnover represents fees receivable and management fees received from group companies.

**1.4 Investments**

Fixed asset investments are stated at cost less provision for diminution in value.

**1.5 Group accounts**

The financial statements present information about the company as an individual undertaking and not about its group. The company and its subsidiary undertakings comprise a small-sized group. The company has therefore taken advantage of the exemptions provided by section 399 of the Companies Act 2006 not to prepare group accounts.
