**SALISTON LIMITED****ABBREVIATED BALANCE SHEET** *(continued)***31 MARCH 2003**

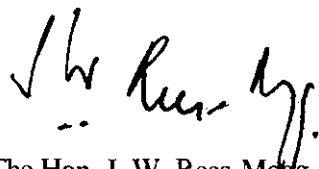

The directors are satisfied that the company is entitled to exemption from the provisions of the Companies Act 1985 (the Act) relating to the audit of the financial statements for the year by virtue of section 249A(1), and that no member or members have requested an audit pursuant to section 249B(2) of the Act.

The directors acknowledge their responsibilities for:

- (i) ensuring that the company keeps proper accounting records which comply with section 221 of the Act, and
- (ii) preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its profit or loss for the financial year in accordance with the requirements of section 226, and which otherwise comply with the requirements of the Act relating to financial statements, so far as applicable to the company.

These abbreviated financial statements have been prepared in accordance with the special provisions for small companies under Part VII of the Companies Act 1985.

These abbreviated accounts were approved by the directors on the 19. Dec. 2003 and are signed on their behalf by:

The Hon. J. W. Rees-Mogg  
Director

**SALISTON LIMITED****NOTES TO THE ABBREVIATED ACCOUNTS****YEAR ENDED 31 MARCH 2003****1. ACCOUNTING POLICIES****Basis of accounting**

The abbreviated accounts have been prepared under the historical cost convention, modified to include the revaluation of certain fixed assets, and in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002).

The company has taken advantage of the exemptions in Financial Reporting Standard No. 1 from the requirement to produce a cash flow statement on the grounds that it is a small company.

**Turnover**

Turnover comprises the value of sales excluding value added tax.

**Fixed assets**

All fixed assets are initially recorded at cost.

**Depreciation**

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Fixtures & Fittings                      -    20% reducing balance

**Investment properties**

In accordance with Statement of Standard Accounting Practice No. 19, the company's property is held for long-term investment and is included in the Balance Sheet at its open market value. The surplus or deficit on revaluation of such property is transferred to the investment property revaluation reserve. The leasehold property is not amortised.

This policy represents a departure from statutory accounting principles, which require depreciation to be provided on all fixed assets. The directors consider that this policy is necessary in order that the Accounts may give a true and fair view because current values and changes in current values are of prime importance rather than the calculation of systematic annual depreciation. Amortisation is only one of many factors reflected in the valuation and the amount which might otherwise have been shown cannot be separately identified or qualified.

**Work in progress**

Work in progress has been valued by the directors at the lower of cost or net realisable value.

**Investments**

Investments are included at cost less amounts written off. Profits and losses arising from disposals of fixed asset investments are treated as part of the result from ordinary activities.

**SALISTON LIMITED****NOTES TO THE ABBREVIATED ACCOUNTS****YEAR ENDED 31 MARCH 2003****1. ACCOUNTING POLICIES** *(continued)***Investment income**

Investment income comprises dividends and interest and is accounted for on a receivable basis.
