STRATEGIC REPORT FOR THE YEAR ENDED 31 DECEMBER 2022

The directors, in preparing this Strategic Report, have complied with section 414C of the Companies Act 2006.

This Strategic Report has been prepared for the company and not for the group of which it is a member and therefore focuses only on matters which are significant to the company.

BUSINESS MODEL

The company is an investment holding company.

BUSINESS REVIEW

As shown in the company's statement of comprehensive income, the company's profit after tax for the year was £305,896 (2021 - £3,698,511).

The statement of financial position shows the company's financial position at the year end and indicates that net assets were £671,649,162 (2021 - £671,343,266).

PRINCIPAL RISKS AND UNCERTAINTIES

The Company has adopted Canary Wharf Group plc ('the Group') principal risks and uncertainties monitoring and management policies. The risks and uncertainties facing the business are monitored through continuous assessment, regular formal reviews and discussion at the Canary Wharf Group Investment Holdings plc audit committee and board. Such discussion focuses on the risks identified as part of the system of internal control which highlights key risks faced by the Group and allocates specific day to day monitoring and control responsibilities as appropriate. As a member of Canary Wharf Group, the current key risks of the company include: the current geopolitical climate and its potential impact on the economy, the financing risk, the cyclical nature of the property market, concentration risk and policy and planning risks.

Geopolitical climate

The geopolitical backdrop has been exceptionally turbulent in the UK and internationally over the past few years. The COVID-19 pandemic led to numerous lockdowns and other related restrictions between March 2020 and February 2022, disrupting global supply chains and significantly impacting UK GDP. COVID-19 also brought about significant changes in the behaviour of office workers, with the majority of UK based companies now working on a hybrid basis.

We have also seen a marked increase in Industrial Action, in part due to falling real wages, resulting in numerous days of tube and train strikes impacting the Estate.

Russia's invasion of Ukraine in February 2022 has driven significant security, economic, and energy policy shifts within Europe, with implications for UK businesses and consumers. The Group has no contractual relationships with any entity or individuals based in Russia, Belarus or Ukraine. However, the impact of a war in Europe and sanctions targeted at Russia and certain individuals may impact on the UK and world economy, particularly on energy prices. The long term impacts of these issues remain difficult to predict.

Financing Risk

The broader economic cycle inevitably leads to movements in inflation, interest rates and bond yields. The company finances its operations largely through surplus cash and intercompany finance.

STRATEGIC REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2022

Cyclical nature of the property market

The valuation of the Company and Group's assets are subject to many other external economic and market factors. In recent years, the London real estate market has had to cope with fluctuations in demand caused by key events such as the 2008/2009 financial crisis, uncertainty in the Eurozone and the implications of the UK's withdrawal from the EU, the Russian invasion of Ukraine and sanctions imposed on Russia as a consequence. During the year, the rapid rise in interest rates has caused a significant turmoil to the debt and capital markets impacting adversely on investor confidence, whilst the longer term impact of Covid–19 on flexible working has prompted the tenants to review their requirements for office space. These factors have had negative implications for the investor sentiment towards property market and particularly office assets which has impacted the valuations at the year end.

The real estate market has to date, however, been assisted by the depreciation of sterling since the EU referendum and the continuing presence of overseas investors attracted by the relative transparency of the real estate market in London which is still viewed as both relatively stable and secure.

Concentration Risk

The Group's real estate assets are currently located on or adjacent to the Estate. Although a majority of tenants have traditionally been linked to the financial services industry, this proportion has now fallen to around only 54% of tenants. Wherever possible steps are still taken to mitigate or avoid material consequences arising from this concentration.

Although the focus of the Group has been on and around the Estate, where value can be added the Group will also consider opportunities elsewhere. The Group is involved as construction manager and joint development manager in the joint venture with Qatari Diar to redevelop the Shell Centre in London's South Bank. The Group has also reviewed current consents for development to react to changes in the market. This review has led to an increased focus on the residential build to rent sector as reflected in the composition of the master plan for the mixed-use development at Wood Wharf.

Policy and planning risks

All of the Group's assets are currently located within London. Appropriate contact is maintained with local and national Government, but changes in Governmental policy on planning, tax or other regulations could limit the ability of the Group to maximise the long term potential of its assets. These risks are closely monitored.

The principal risks facing the Group are discussed in the Annual Report of Canary Wharf Group Investment Holdings plc, which does not form part of this report.

STRATEGIC REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2022

CORPORATE RESPONSIBILITY

The Company has not adopted its own sustainability, environmental and social policies. However, the directors are conscious of sustainability, environmental and social issues and adhere, where applicable, to the policies of Canary Wharf Group plc.

Sustainability is front and centre for Canary Wharf Group. Canary Wharf Group are aware of the increasing sustainability requirements of current and prospective customers. To deliver sustainability, the Group integrate actions and targets into every phase of project delivery and are improving the environmental performance of existing facilities through effective retrofitting and facilities management. The Group aims to design, build and manage central London's highest quality, best value and most sustainable office, retail and residential buildings and districts. In doing this, the Group works with all its stakeholders to create and nurture vibrant, inclusive communities that meet today's economic, environmental and social needs while anticipating those of tomorrow for the benefit of the environment, tenants, employees, the community and stakeholders. Since 1997, over £3.0bn of business has been generated for local businesses in East London through initiatives supported by the Group. Canary Wharf Group has maintained ISO 14001 accreditation since early 2005 and environmental management has been an inherent part of construction since 2002.

Canary Wharf Group is an active member of many industry groups including the UK Green Building Council (UKGBC), the Better Building Partnership (BBP) and Concrete Zero. The Group has also signed the BBP Climate Change Commitment, as well as The Climate Pledge, joining Amazon and other companies in pledging to achieve net zero carbon at least 10 years ahead of the Paris Agreement. Canary Wharf Group targets the reduction of energy, water and resource use, and the reuse and the recycling of waste where possible during the design, construction, and management of properties. The minimisation of disruption and disturbance to the environment and local community is targeted during the construction and management of buildings. Canary Wharf Group is also committed to preventing and monitoring pollution and to reducing any emissions which may have an adverse impact on the environment and/or local community.

Canary Wharf Group endeavours to raise awareness and promote effective management of sustainability, environmental and social issues with staff, designers, suppliers, and contractors and also works closely with suppliers and contractors to establish effective environmental supply chain management and to promote the procurement of sustainable products and materials.

In 2020, the Group published its Net Zero Carbon Pathway, a roadmap for reaching net zero carbon by 2030, 20 years ahead of the Paris Agreement. The Group also published ambitious Science Tased Targets (SBTs) ratified by the Science Based Targets Initiative (SBTi). Progress against both the Net Zero Carbon Pathway and SBTs are published in the annual Sustainability Report.

In 2022, the Group participated in GRESB and CDP Sustainability Benchmarking schemes, receiving a GRESB 5 star rating, ranked first in our peer group and a CDP score of B.

The Group has purchased 100.0% renewable electricity for all operations since 2012, which has reduced our Scope 2 emissions (using a market based approach) from electricity to zero during this reporting year. This electricity supply is backed by Renewable Energy Guarantee of Origin (REGO) certificates. The Group are also investigating Power Purchase Agreements (PPAs) to further reduce tenant Scope 2 emissions.

The annual Group Sustainability Report, produced in accordance with EPRA guidelines, provides details of performance against a range of specified targets and objectives with third party verification in line with ISAE 3000. This report, together with additional supporting information and Group publications related to this area can be downloaded from the Canary Wharf Group website, www.group.canarywharf.com.

DIRECTORS' RESPONSIBILITIES STATEMENT FOR THE YEAR ENDED 31 DECEMBER 2022

The directors are responsible for preparing the Strategic Report, the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies for the company's financial statements and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CANARY WHARF ESTATE LIMITED

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

OPINION

In our opinion the financial statements of Canary Wharf Estate Limited (the 'company'):

- give a true and fair view of the state of the company's affairs as at 31 December 2022 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements which comprise:

- the statement of comprehensive income;
- the statement of financial position;
- the statement of changes in equity; and
- the related notes 1 to 14.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the Financial Reporting Council's (the 'FRC's') Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

CONCLUSIONS RELATING TO GOING CONCERN

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CANARY WHARF ESTATE LIMITED

OTHER INFORMATION

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

RESPONSIBILITIES OF DIRECTORS

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CANARY WHARF ESTATE LIMITED

EXTENT TO WHICH THE AUDIT WAS CONSIDERED CAPABLE OF DETECTING IRREGULARITIES, INCLUDING FRAUD

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

We considered the nature of the company's industry and its control environment, and reviewed the company's documentation of their policies and procedures relating to fraud and compliance with laws and regulations. We also enquired of management and the directors about their own identification and assessment of the risks of irregularities, including those that are specific to the company's business sector.

We obtained an understanding of the legal and regulatory frameworks that the company operates in, and identified the key laws and regulations that:

- had a direct effect on the determination of material amounts and disclosures in the financial statements.

 These included UK Companies Act, and relevant tax legislation; and
- do not have a direct effect on the financial statements but compliance with which may be fundamental to the company's ability to operate or to avoid a material penalty.

We discussed among the audit engagement team including relevant internal specialists regarding the opportunities and incentives that may exist within the organisation for fraud and how and where fraud might occur in the financial statements.

In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override. In addressing the risk of fraud through management override of controls, we tested the appropriateness of journal entries and other adjustments; assessed whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluated the business rationale of any significant transactions that are unusual or outside the normal course of business.

In addition to the above, our procedures to respond to the risks identified included the following:

- reviewing financial statement disclosures by testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;
- enquiring of management and in-house legal counsel concerning actual and potential litigation and claims, and instances of non-compliance with laws and regulations; and
- reading minutes of meetings of those charged with governance, reviewing internal audit reports and reviewing correspondence with HMRC.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CANARY WHARF ESTATE LIMITED

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the strategic and the directors' report.

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report in respect of the following matters if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit;

We have nothing to report in respect of these matters.

USE OF OUR REPORT

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

1. GENERAL INFORMATION

Canary Wharf Estate Limited is a private company limited by shares incorporated in the UK under the Companies Act 2006 and registered in England and Wales at One Canada Square, Canary Wharf, London, E14 5AB.

The nature of the company's operations and its principal activities are set out in the Strategic Report.

2. ACCOUNTING POLICIES

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention, modified to include certain items at fair value and in accordance with United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice, including FRS 102 "the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland").

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the company's accounting policies (see Note 3).

The functional currency of the company is considered to be pounds sterling because that is the currency of the primary economic environment in which they operate.

The principal accounting policies have been applied consistently throughout the year and the preceding year and are summarised below:

2.2 Replacement of LIBOR as an interest rate benchmark

From 24th January 2022, LIBOR has been replaced by SONIA (Sterling Overnight Index Average) as the Risk-Free Reference Rate for Sterling Transactions. The group has obtained its lenders approval to adopt SONIA from 24 January 2022 for all LIBOR related loans, plus a Credit Adjustment Spread. This has not resulted in any changes to group's financial instrument effectiveness.

2.3 Going concern

In assessing the going concern basis of the company the directors have considered a period of at least 12 months from the date of approval of these financial statements.

At the year end the company was in a net current asset position. Having made the requisite enquiries and assessed the resources at the disposal of the company, the directors have a reasonable expectation that the company will have adequate resources to continue its operation for the foreseeable future, being a period of a least 12 months from the date of approval of these financial statements. In addition, the company's ultimate shareholders Brookfield Property Partners LP and Qatar Investment Authority have confirmed that they have the intent and ability to provide such financial support to the Stork Holdco LP Group and it's wholly owned subsidiaries to meet their liabilities if required for a period of at least 12 months from the date of approving these financial statements. Accordingly, the directors continue to adopt the going concern basis in preparing the financial statements.

2.4 Cash flow statement

The company has taken the exemption from preparing the cash flow statement under Section 1.12(b) as it is a member of a group where the parent of the group prepares publicly available consolidated accounts which are intended to give a true and fair view.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

2. ACCOUNTING POLICIES (CONTINUED)

2.5 Investments

Investments in subsidiaries are stated at cost less any provision for impairment.

Other investments are stated at cost less any provision for impairment.

Income from investments is recognised as the company becomes entitled to receive payment. Dividend income from investments in companies is recognised when received or irrevocably declared.

2.6 Financial Instruments

The directors have taken advantage of the exemption in paragraph 1.12c of FRS 102 allowing the company not to disclose the summary of financial instruments by the categories specified in paragraph 11.41.

Trade and other receivables

Trade and other receivables are recognised initially at fair value. A provision for impairment is established where there is objective evidence that the company will not be able to collect all amounts due according to the original terms of the debtor concerned.

Trade and other payables

Trade and other creditors are stated at cost.

Loans receivable

Loans receivable are recognised initially at the transaction price including transaction costs. Subsequent to initial recognition, loans receivable are stated at amortised cost with any difference between the amount initially recognised and redemption value being recognised in the Income Statement over the period of the loan, using the effective interest method.

2.7 Taxation

Current tax is provided at amounts expected to be paid or recovered using the tax rates and laws that have been enacted or substantively enacted at the balance sheet date.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

3. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of financial statements in conformity with generally accepted accounting principles requires the use of estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Although these estimates are based on management's best knowledge of the amount, event or actions, actual results ultimately may differ from those estimates.

The preparation of financial statements also requires use of judgements, apart from those involving estimation, that management makes in the process of applying the entity's accounting policies.

Impairment of investments

Investments in subsidiaries are stated at cost less any provision for impairment. In assessing provisions for impairment, the directors have valued each subsidiary at its net asset value, as adjusted for material differences between the fair value and carrying value of its assets and liabilities.

For the year ended 31 December 2022, the financial statements of the company did not contain any significant items that required the application of judgements, apart from those involving estimation.

4. AUDITOR'S REMUNERATION

Auditor's remuneration of £4,300 (2021 - £3,000) for the audit of the company for the year has been borne by another group undertaking.
