### **DIRECTORS' RESPONSIBILITIES FOR THE INITIAL ACCOUNTS**

Section 270(4) of the Companies Act 1985 requires the Directors to prepare initial accounts, which have been prepared within the meaning of Section 273 of the Companies Act 1985 when a distribution is proposed to be declared during the Company's first accounting reference period.

In preparing initial accounts, the directors are required to:

- (i) select suitable accounting policies and then apply them consistently;
- (ii) make judgements and estimates that are reasonable and prudent;
- (iii) state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- (iv) prepare the accounts on a going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the accounts comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**JUPITER SPLIT TRUST PLC**  
**REPORT OF THE AUDITORS**

To the members of Jupiter Split Trust PLC under Section 273(4) of the Companies Act 1985.

We have audited the initial accounts on pages 5 to 12 which have been prepared under the historical cost convention, as modified by the revaluation of certain fixed assets, and on the basis of the accounting policies set out on page 7.

**Respective responsibilities of Directors and Auditors**

As described on page 3, the Company's Directors are responsible for the preparation of the initial accounts. It is our responsibility to form an independent opinion, based on our audit, on those initial accounts and to report our opinion to you.

**Basis of opinion**

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the initial accounts. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the initial accounts, and of whether the accounting policies are appropriate to the Company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the initial accounts are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the initial accounts.

**Opinion**

In our opinion the initial accounts for the period from 2nd November 1995 to 30th June 1996 have been properly prepared within the meaning of Section 273 of the Companies Act 1985.

## JUPITER SPLIT TRUST PLC

### NOTES TO THE ACCOUNTS for the period ended 30th June 1996

#### 1. ACCOUNTING POLICIES

The accounts have been prepared in accordance with applicable Accounting Standards in the United Kingdom. The particular accounting policies adopted by the directors are described below. The accounts have been prepared in accordance with the historical cost convention except as described in Note 1(d).

- (a) *Revenue:* Dividends on investments are included in revenue when the investment price is quoted ex-dividend. Interest on deposits is dealt with on an accruals basis.
- (b) *Expenses:* Expenses are accounted for or on an accruals basis. Management fees are charged half to the revenue account and half to the capital reserve. Any taxation credit associated with the expenses charged to the capital reserve is credited to the capital reserve. Administration and other expenses are charged fully to the revenue account.
- (c) *The Zero Dividend Preference shares and Income shares:* These shares have a pre-determined growth in capital entitlements and hence the finance cost attributable to these instruments is allocated wholly to capital.
- (d) *Valuation of Investments:* Fixed asset investments are stated at mid-market value with the net unrealised revaluation between market value and cost being taken to the capital reserve.
- (e) *Taxation*
  - i) Advance corporation tax payable on dividends paid or provided for in the period is written off, except when recoverability either against corporation tax payable or because of receipts of franked investment income, is considered to be reasonably assured.
  - ii) Withholding tax deducted from income received is treated as part of the taxation charge against income.
  - iii) Deferred taxation is provided on all timing differences which are expected to reverse in the future without being replaced, calculated at the rate at which it is anticipated the timing differences will reverse.
- (f) *Foreign Currency:*
  - i) Assets and liabilities denominated in foreign currencies are translated at the rates of exchange ruling at the balance sheet date.
  - ii) Foreign currency transactions are translated at the rates of exchange applicable at the transaction date.
  - iii) Foreign currency differences are dealt with in the capital reserve.
