The directors are satisfied that the company is entitled to exemption from the provisions of the Companies Act 2006 (the Act) relating to the audit of the financial statements for the year by virtue of section 477(2), and that no member or members have requested an audit pursuant to section 476 (1) of the Act.

The directors acknowledge their responsibilities for:

- i. Ensuring that the company keeps adequate accounting records which comply with section 386 of the Act, and
- ii. Preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its profit and loss for the financial year in accordance with the requirements of section 393, and which otherwise comply with the requirements of the Act relating to financial statements, so far as applicable to the company.

These financial statements have been prepared in accordance with FRS105 to comply with the Financial Reporting Standard applicable to the Micro Entities regime.

These financial statements were approved by the Board on 5th December 2021

NOTES TO THE FINANCIAL STATEMENTS

1. Accounting Policies

a) Basis of Accounting

The financial statements have been prepared under the historical cost convention and in accordance with applicable accounting standard, **FRS105 to comply with the Financial Reporting Standard applicable to the Micro Entities regime.**

b) Cash Flow Statement

The directors confirm there is no cash flow statement in these financial statements in accordance with the Financial Reporting standard applicable to the Micro entity's regime.

c) Income from Shareholder contributions

There is no 3rd party trading turnover, and the company is classified as "dormant" by HMRC. Income is derived from shareholders contributions plus bank interest, and is equal to expenditure incurred during the year, with any surplus transferred to the shareholders' contingency fund. The directors confirm there is no income and expenditure statement in these financial statements, in accordance with the Financial Reporting standard applicable to the Micro entity's regime.

d) Financial Instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all its liabilities.

2. Income equals Expenditure

The Company received income, which is equivalent to its expenditure, after charging:
