## **Lend Lease Pharmaceutical (EMEA) Limited**

### **Statement of Director's Responsibilities**

The responsible for preparing the Report and the financial statements in accordance with applicable law and regulations.

Company law requires the director to prepare financial statements for each financial year. Under that law the director has elected to prepare the financial statements in accordance with UK accounting standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 101 *Reduced Disclosure Framework*.

Under company law the director must not approve the financial statements unless satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the director is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- assess the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so. As explained in note 2, the directors do not believe that it is appropriate to prepare these financial statements on a going concern basis.

The director is responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable to ensure that the financial statements comply with the Companies Act 2006. responsible for such internal control as is necessary to enable the preparation of financial statements that are free from material misstatement whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

## **Independent Auditor's Report to the Members of Lend Lease Pharmaceutical (EMEA) Limited**

### **Opinion**

We have audited the financial statements of Lend Lease Pharmaceutical (EMEA) Limited (the "Company") for the year ended 30 June 2022, which comprise the Statement of Profit or Loss and Other Comprehensive Income, Statement of Financial Position, Statement of Changes in Equity, and related notes, including the summary of significant accounting policies in note 3.

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 June 2022 and of its result for the year then ended;
- have been properly prepared in accordance with UK accounting standards, including FRS 101 *Reduced Disclosure Framework*; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the Company in accordance with, UK ethical requirements including the FRC Ethical Standard. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion.

### **Emphasis of matter - non-going concern basis of preparation**

We draw attention to the disclosure made in note 2 of the financial statements which explains that the financial statements have not been prepared on the going concern basis for the reason set out on that note. Our opinion is not modified in respect of this matter.

### **Fraud and breaches of laws and regulations – ability to detect**

#### *Identifying and responding to risks of material misstatement due to fraud*

To identify risks of material misstatement due to fraud ("fraud risks") we assessed events or conditions that could indicate an incentive or pressure to commit fraud or provide an opportunity to commit fraud. Our risk assessment procedures included:

- Enquiring of directors, internal audit and inspection of policy documentation as to the Lendlease Group's high-level policies and procedures to prevent and detect fraud, including the internal audit function, and the Lendlease Group's channel for "whistleblowing", as well as whether they have knowledge of any actual, suspected or alleged fraud.
- Reading Board meeting minutes.
- Using analytical procedures to identify any unusual or unexpected relationships.

We communicated identified fraud risks throughout the audit team and remained alert to any indications of fraud throughout the audit.

As required by auditing standards, we perform procedures to address the risk of management override of controls, in particular the risk that management may be in a position to make inappropriate accounting entries and the risk of bias in accounting estimates and judgements. On this audit we do not believe there is a fraud risk related to revenue recognition as there were no revenue transactions.

## **Independent Auditor's Report to the Members of Lend Lease Pharmaceutical (EMEA) Limited (continued)**

We did not identify any additional fraud risks.

We performed procedures including:

Identifying journal entries to test based on risk criteria and comparing the identified entries to supporting documentation.

### *Identifying and responding to risks of material misstatement due to non-compliance with laws and regulations*

We identified areas of laws and regulations that could reasonably be expected to have a material effect on the financial statements from our general commercial and sector experience, and through discussion with the members and other management (as required by auditing standards), and discussed with the members and other management the policies and procedures regarding compliance with laws and regulations.

We communicated identified laws and regulations throughout our team and remained alert to any indications of non-compliance throughout the audit.

The potential effect of these laws and regulations on the financial statements varies considerably.

Firstly, the company is subject to laws and regulations that directly affect the financial statements including financial reporting legislation (including related companies legislation), distributable profits legislation and taxation legislation and we assessed the extent of compliance with these laws and regulations as part of our procedures on the related financial statement items.

Secondly, the company is subject to many other laws and regulations where the consequences of non-compliance could have a material effect on amounts or disclosures in the financial statements, for instance through the imposition of fines or litigation. We identified the following areas as those most likely to have such an effect: health and safety, anti-bribery, employment law and certain aspects of company legislation recognising the nature of the company's activities and its legal form. Auditing standards limit the required audit procedures to identify non-compliance with these laws and regulations to enquiry of the members and other management and inspection of regulatory and legal correspondence, if any. Therefore, if a breach of operational regulations is not disclosed to us or evident from relevant correspondence, an audit will not detect that breach.

### **Context of the ability of the audit to detect fraud or breaches of law or regulation**

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it.

In addition, as with any audit, there remained a higher risk of non-detection of fraud, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. Our audit procedures are designed to detect material misstatement. We are not responsible for preventing non-compliance or fraud and cannot be expected to detect non-compliance with all laws and regulations.

## **Independent Auditor's Report to the Members of Lend Lease Pharmaceutical (EMEA) Limited (continued)**

### **Directors' report**

The directors are responsible for the directors' report. Our opinion on the financial statements does not cover that report and we do not express an audit opinion thereon.

Our responsibility is to read the directors' report and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work:

- we have not identified material misstatements in the directors' report;
- in our opinion the information given in that report for the financial year is consistent with the financial statements; and
- in our opinion that report has been prepared in accordance with the Companies Act 2006.

### **Matters on which we are required to report by exception**

Under the Companies Act 2006, we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.
- the directors were not entitled to take advantage of the small companies exemption from the requirement to prepare a strategic report.

We have nothing to report in these respects.

### **Director's responsibilities**

As explained more fully in their statement set out on page 3, the directors are responsible for: the preparation of the financial statements and for being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

### **Auditor's responsibilities**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our opinion in an auditor's report. Reasonable assurance is a high level of assurance but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

A fuller description of our responsibilities is provided on the FRC's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities).

**Independent Auditor's Report to the Members of Lend Lease Pharmaceutical (EMEA)  
Limited (continued)**

**The purpose of our audit work and to whom we owe our responsibilities**

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

#### **Summary of significant accounting policies and key accounting estimates**

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

#### **Changes in accounting policy**

##### **New and Revised Accounting Standards Adopted 1 July 2021**

The following accounting standards, interpretations and amendments have been adopted by the Company in the year ended 30 June 22:

Amendments to the following standards:

- Amendments to IFRS 9: Interest Rate Benchmark Reform
- IFRS 16: Leases Covid-19 Related Rent Concessions

These amended standards did not have a material effect on the Company.

## **Lend Lease Pharmaceutical (EMEA) Limited**

### **Notes to the Financial Statements for the year ended 30 June 2022 (continued)**

#### **2 Basis of preparation (continued)**

##### **New Accounting Standards and Interpretations Not Yet Adopted**

The following UK-adopted IFRSs have been issued but have not been applied in these financial statements at 30 June 2022. Their adoption is not expected to have a material effect on the financial statements unless otherwise indicated:

- IFRS 17 Insurance Contracts (effective date 1 January 2023)

Amendments to the following standards:

- IAS 1 Presentation of Financial Statements: Classification of Liabilities as Current or Non-current and Classification of Liabilities as Current or Non-current (effective date 1 January 2023)
- IAS 37: Onerous Contracts-Cost of Fulfilling a Contract (effective date 1 January 2022)
- Amendments to References to the Conceptual Framework in IFRS 3 (effective date 1 January 2022)
- IAS 16: Property, Plant and Equipment-Proceeds before Intended Use (effective date 1 January 2022)

- Annual Improvements to IFRS Standards 2018-2022 (effective date 1 January 2022)

The Directors do not expect the standards above to have a material effect. The Company has chosen not to adopt any of the above standards and interpretations earlier than required

None of the standards, interpretations and amendments which are effective for periods beginning on or after 1 July 2021 are expected to have a material effect on the financial statements.

##### **Non-Going Concern**

The financial statements have been prepared on a non-going concern basis. Whilst the Company finished the year with a net asset position of £395k (2021: £395k), and the Directors have considered the liquidity of the company going forward, there is no intention for any future trading activity in the entity.

Although the financial statements have been prepared on a non-going concern basis, the Directors believe that the company is well placed to manage its future commitments over a period of at least 12 months from the date of the financial statements. The Directors have considered the impact of the non-going concern basis on the carrying value of the balances and have concluded no adjustment to be necessary.

#### **3 Accounting policies**

Interest receivable and interest payable is recognised in the Statement of Profit or Loss as it accrues, using the effective interest method.

## **Lend Lease Pharmaceutical (EMEA) Limited**

### **Notes to the Financial Statements for the year ended 30 June 2022 (continued)**

#### **3 Accounting policies (continued)**

##### **Taxation**

Income tax on the profit or loss for the period comprises current tax. Income tax is recognised in the Statement of Profit or Loss, except to the extent that it relates to items recognised directly in equity, in which case it is recognised in equity.

Current tax is the expected tax payable or receivable on the taxable income for the financial year, using applicable tax rates (and tax laws) at the Statement of Financial Position date, and any adjustment to tax payable in respect of previous financial years. The current tax payable or receivable includes amounts awaiting settlement of group relief with other Lendlease Europe Holdings Limited subsidiary entities.

##### **Trade and other receivables**

Trade and other receivables are non derivative financial assets with fixed or determinable payments that are not equity securities. They arise when the Company provides money, goods or services directly to a debtor with no intention of trading the receivable.

Trade and other receivables are carried at amortised cost using the effective interest method, which applies the interest rate that discounts estimated future cash receipts over the term of the receivables. Cash flows relating to short term trade and other receivables are not discounted if the effect of discounting is immaterial. The discount, if material, is then recognised as finance income over the remaining term.

The Company assesses provision for impairment of the receivables based on irrecoverable amounts and expected credit losses, if material. The Company considers reasonable and supportable information that is relevant and reliable. This includes both quantitative and qualitative information and analysis, based on the Company's historical impairment experience, credit assessment of customers and any relevant forward-looking information. The amount of provision is recognised in the Statement of Profit or Loss.

Retentions receivable on construction contracts represent deposits held by the Company until the satisfaction of conditions specified in the contract are rectified.

##### **Share capital**

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable, net of the direct costs of issuing the equity instruments. If payment is deferred and the time value of money is material, the initial measurement is on a present value basis.

#### **4 Director remuneration**

The directors of the Company were all directly employed by Lendlease Construction (Europe) Limited however for the below directors their costs were recharged to the following entities:

S W Gorski: Lendlease Europe Limited

Any qualifying services in respect of the Company are considered to be incidental and part of the directors' overall management services for the above entity. The directors' remuneration for the current year and prior year is included in the financial statements of the above entity.
