Statement of directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Company and of the profit or loss for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

Report of the independent auditors to the members of Malmaison Limited

We have audited the financial statements on pages 4 to 10.

Respective responsibilities of directors and auditors

The directors are responsible for preparing the directors' report and, as described on page 2, the financial statements in accordance with applicable United Kingdom law and accounting standards. Our responsibilities, as independent auditors, are established in the United Kingdom by statute, the Auditing Practices Board and by our profession's ethical guidance.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the Company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the Company is not disclosed.

Basis of audit opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of affairs of the Company as at 30 June 2002 and of the loss of the Company for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

Notes

(forming part of the financial statements)

1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the Company's financial statements.

Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules.

The company is exempt by virtue of s228 of the Companies Act 1985 from the requirement to prepare group accounts. These financial statements present information about the company as an individual undertaking and not about its group.

Under FRS 1 (Revised) the Company is exempt from the requirement to prepare a cash flow statement on the grounds that a parent undertaking includes the Company in its own published consolidated financial statements.

As the Company is a wholly owned subsidiary of Marylebone Warwick Balfour Group Plc, it has taken advantage of the exemption contained in FRS 8 and has therefore not disclosed transactions or balances with entities which form part of the group (or investees of the group qualifying as related parties).

Investments

Investments in subsidiary undertaking are stated at cost less any provision for impairment.

Deferred taxation

The charge for taxation is based on the result for the year, which takes account of taxation deferred because of timing differences between the treatment of certain items for taxation purposes and the treatment under the Company's accounting policies.

Deferred tax assets and liabilities arise from timing differences between the recognition of gains and losses in the financial statements and their recognition in a tax computation. Previously, the Company's accounting policy was to provide for deferred tax only to the extent that liabilities or assets were expected to be payable or receivable in the foreseeable future. This was in accordance with Generally Accepted Accounting Principles in the UK.

In accordance with FRS 19, Deferred Tax is now provided in respect of all timing differences that have originated, but not reversed at the balance sheet date that may give rise to an obligation to pay more or less tax in the future except as otherwise required by FRS19. Deferred tax is measured on a non-discounted basis.

2 Directors and employees

The Company employed no staff during the current year or the prior period.

None of the directors received any emoluments from the Company (2001: £nil).

5 Profit on ordinary activities before taxation

Audit fees were borne by another group company.

6 Tax on profit on ordinary activities

The tax charge on the profit on ordinary activities has been reduced from the amount that would arise from applying the prevailing corporation tax rate to the Company's profits as follows:

	Year ended 30 June 2002 £	18 months ended 30 June 2001 £
