3.1 **Income**

The profits of the Company available for distribution shall be applied as follows:-

- 3.1.1 First in paying to the holder of the dividend share a cumulative preferential net cash dividend per annum of the following proportions of Net Profit (calculated as hereinafter provided) for the following financial years ('the Participating Dividend'):

The reduction in the total amount of Participating Dividend in accordance with this Article 3.1.1 shall be in

If the due date (determined in accordance with the following provisions of this Article 3.1.1) is 6 months after the end of the relevant accounting reference period and accordingly, the Participating Dividend is paid as an interim dividend in accordance with Article 3.1.3, or if for any other reason the Participating Dividend in respect of an accounting reference period is not paid at the same time as the dividend on the 'B' ordinary shares and/or ordinary shares in respect of the same accounting reference period, then the said reduction in respect of the Participating Dividend shall be made against the next following and (if appropriate) any subsequent Participating Dividend. The Participating Dividend (if any) shall be paid not later than 6 months after the end of each successive accounting reference period of the Company or not later than 14 days after the audit report on the accounts of the Company for such period is signed by the Company's auditors, whichever is earlier.

Subject thereto the profits which the Company may determine to distribute in respect of any financial year shall be applied:-

- 3.1.2.1 First in paying to the holders of the ordinary shares a dividend on each share of an amount up to but not exceeding a sum equal to the aggregate of the Participating Dividend payable on the dividend share and the dividend declared on each B ordinary share multiplied by the number of B ordinary shares held by the holder of the dividend share at the time the B ordinary share dividend is declared, divided by the number of B ordinary shares

The next and (if appropriate) any subsequent Participating Dividend shall be adjusted to take account of any overpayment or underpayment in respect of the said interim dividend which becomes apparent when the audited accounts are available.

3.1.4 The Company shall procure that each of its subsidiaries which has profits available for distribution shall from time to time declare and pay to the Company such dividends as are necessary to permit lawful and prompt payment by the Company of the Participating Dividend.

That date can be prior to the date on which the resolution is passed. In that case the dividend will be payable in accordance with the
