## INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF ISLAMIC CENTRE OF ENGLAND LTD

We have audited the financial statements of Islamic Centre of England (London) Limited on pages 5 to 12 for the year ended 31st December 2002. The financial statements have been prepared under the historical cost convention and the accounting policies set out therein.

#### Respective responsibilities of the directors and auditors

As described in the statement of directors' responsibilities on page 1 the company's directors are responsible for the preparation of financial statements in accordance with applicable law and United Kingdom Accounting Standards.

Our responsibility is to audit the financial statements in accordance with the relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We read the directors' report and consider the implications for our report if we become aware of any apparent misstatements within it.

#### Basis of opinion

,,

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. However, the evidence available to us in respect of donations received in the period was limited. Donations received by the organisation were neither contractual nor obligatory on the part of the donors. As such it was not possible to extend our procedures to determine the adequacy and completeness of donations received, which are derived primarily from bankings made into the charity's bank account. It is not possible to quantify the effect these might have on the charity's financial statements. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

#### Going Concern

In forming our opinion, we have considered the adequacy of the disclosures made in note 10 to the accounts concerning the directors' assessment of the organisation's ability to meet expenses and other outgoing. In view of the significance of this uncertainty, we considered that it should be brought to your attention, but our opinion is not qualified in this respect.

# INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF (Continued) ISLAMIC CENTRE OF ENGLAND LTD

#### Opinion

Except for the possible effect of the limitation referred to in paragraph 7 above, in our opinion the financial statements give a true and fair view of the state of affairs of the company as at 31st December 2002 and of its incoming and application of resources, including its income and expenditure for the year then ended and have been properly prepared in accordance with the provisions of the Companies Act 1985 applicable to small companies.

#### 10. GOING CONCERN

The ability of the organisation to raise sufficient donations and meet its daily outgoing is necessary for it to continue as a going concern.

However, the amount of donations which Islamic Centre of England (London) Limited is able to raise is uncertain as this is based on the goodwill of donors.

Based on actual donations received since the balance sheet date and projected figures, the directors are of the opinion that Islamic Centre of England (London) Limited will be able to meet its daily outgoing in the foreseeable future.
