Neither the Hedging Counterparty nor any Receiver shall be liable as a mortgagee in possession or otherwise to account in relation to the Security Assets for any loss on realisation or for any other default or omission. No exercise of the right in Clause 14.1 (*Remedying defaults*) shall render the Hedging Counterparty or a Receiver a mortgagee in possession. Neither the Hedging Counterparty nor the Receiver is under any obligation to exercise any power or discretion enjoyed by it in relation to the Security Assets.

15. RECEIVER

15.1 Removal and replacement

The Hedging Counterparty may from time to time remove any Receiver appointed by it (subject, in the case of an administrative receivership, to section 45 of the Insolvency Act 1986) and, whenever it may deem appropriate, may appoint a new Receiver in the place of any Receiver whose appointment has terminated.

15.2 Multiple Receivers

If at any time there is more than one Receiver of all or any part of the Security Assets and/or the income of the Security Assets, each Receiver shall have power to act individually (unless otherwise stated in the appointment document).

15.3 Remuneration

15.3.1 Any Receiver shall be entitled to remuneration for his services at a rate to be fixed by agreement between him and the Hedging Counterparty (or, failing such agreement, to be fixed by the Hedging Counterparty) and section 109(6) of the Law of Property Act 1925 shall not apply.

15.3.2 The remuneration of any Receiver shall be payable by the Chargor and shall form part of the Secured Liabilities.

15.4 Payment by Receiver

Only monies actually paid by a Receiver to the Hedging Counterparty in relation to the Secured Liabilities shall be capable of being applied by the Hedging Counterparty in discharge of the Secured Liabilities.

15.5 Chargor's agent

Any Receiver shall be the Chargor's agent and the Chargor shall (subject to the Companies Act 2006 and the Insolvency Act 1986) be solely responsible for his acts and defaults and for the payment of his remuneration. The Hedging Counterparty shall not incur any liability (either to the Chargor or to any other person) by reason of the appointment of a Receiver or for any other reason.

16. POWERS OF RECEIVER

16.1 General Powers

16.1.1 Any Receiver shall have:-

- (a) all the powers which are conferred by the Law of Property Act 1925 on mortgagees in possession and receivers appointed under that Act but without the restrictions contained in sections 103 or 109(1) of the Law of Property Act 1925;
- (b) (whether or not he is an administrative receiver) all the powers which are listed in schedule 1 of the Insolvency Act 1986; and
- (c) all powers which are conferred by any other law or regulation conferring power on receivers.

16.1.2 To the extent that the Security Assets constitute "*financial collateral*" and this Debenture and the Chargor's obligations under this Debenture constitute a "*security financial collateral arrangement*" (in each case for the purpose of and as defined in the Financial Collateral Arrangements (No.2) Regulations 2003 (SI 2003/3226)) each Receiver and the Hedging Counterparty shall have the right after this Security has become enforceable to appropriate all or any part of that financial collateral in or towards the satisfaction of the Secured Liabilities.

16.1.3 For the purpose of Clause 16.1.2, the value of the financial collateral appropriated shall be such amount as the Receiver or Hedging Counterparty reasonably determines having taken into account advice obtained by it from an independent investment or accountancy firm of national standing selected by it.

16.2 Additional Powers

In addition to the powers referred to in Clause 16.1 (*General Powers*), a Receiver shall have the following powers:-

- 16.2.1 to take possession of, collect and get in all or any part of the Security Assets and/or income in respect of which he was appointed;
- 16.2.2 to manage the Security Assets and the Chargor's business as he thinks fit;
- 16.2.3 to redeem any Security Interest and to borrow or raise any money and secure the payment of any money in priority to the Secured Liabilities for the purpose of the exercise of his powers and/or defraying any costs or liabilities incurred by him in such exercise;
- 16.2.4 to enter into, terminate or vary any Hedging Agreement;
- 16.2.5 to sell or concur in selling, leasing or otherwise disposing of all or any part of the Security Assets in respect of which he was appointed without the need to observe the restrictions imposed by section 103 of the Law of Property Act 1925, and, without limitation:-
 - (a) fixtures may be severed and sold separately from the Property containing them, without the Chargor's consent;
 - (b) the consideration for any such transaction may consist of cash, debentures or other obligations, shares, stock or other valuable consideration (and the amount of such consideration may be dependent upon profit or turnover or be determined by a third party); and
 - (c) any such consideration may be payable in a lump sum or by instalments spread over such period as he thinks fit;
- 16.2.6 to alter, improve, develop, complete, construct, modify, refurbish or repair any building or land and to abandon, complete or undertake or concur in the completion or undertaking (with or without modification) of any project in which the Chargor was concerned or interested before his appointment (being a project for the alteration, improvement, development, completion, construction, modification, refurbishment or repair of any building or land);
- 16.2.7 to carry out any sale, lease or other disposal of all or any part of the Security Assets by conveying, transferring, assigning or leasing the same in the Chargor's name and, for that purpose, to enter into covenants and other contractual obligations in the Chargor's name and so as to bind it;
- 16.2.8 to take any such proceedings in the Chargor's name as he shall think fit in respect of the Security Assets and/or income in respect of which he was appointed (including proceedings for recovery of rent or other monies in arrears at the date of his appointment);
- 16.2.9 to exercise any voting rights attached to any of the Security Assets;
- 16.2.10 to enter into or make any such agreement, arrangement or compromise as he shall think fit;
- 16.2.11 to insure, and to renew any insurances in respect of, the Security Assets as he shall think fit (or as the Hedging Counterparty shall direct);
- 16.2.12 to appoint and employ such managers, officers and workmen and engage such professional advisers as he shall think fit (including, without prejudice to the generality of the foregoing power, to employ any firm, partner, company or other entity with which he is associated);

16.2.13 to form one or more Subsidiaries of the Chargor and to transfer to any such Subsidiary all or any part of the Security Assets;

16.2.14 to operate any rent review clause in respect of any Property in respect of which he was appointed and to apply for any new or extended lease; and

16.2.15 to:-

- (a) give valid receipts for all monies and to do all such other things as may seem to him to be incidental or conducive to any other power vested in him or necessary or desirable for the realisation of any Security Asset;
- (b) exercise in relation to each Security Asset all such powers and rights as he would be capable of exercising if he were the absolute beneficial owner of the Security Assets; and
- (c) use the Chargor's name for any of the above purposes.

16.3 **Limitation**

The Hedging Counterparty may in the instrument by which a Receiver is appointed limit the powers of the Receiver.

17. **APPROPRIATION OF RECEIPTS**

17.1 **Application**

17.1.1 Subject to Clause 17.2 (*Suspense account*), any monies received by the Hedging Counterparty in respect of the Security (subject to the payment of any claims having priority to the Security, but in substitution for section 109(8) of the Law of Property Act 1925) shall be applied in the following order of priority:-

- (a) in discharging the remuneration of any Receiver and all costs, charges and expenses of and incidental to his or her appointment;
- (b) in or towards payment or discharge of the Secured Liabilities; and
- (c) in payment of the surplus (if any) to the Chargor or other person entitled to it.

17.1.2 The Hedging Counterparty may apply sums received towards the payment or discharge of the Secured Liabilities in reduction of any part of the Secured Liabilities in any order or manner as it thinks fit. The Hedging Counterparty may override any appropriation made by the Chargor.

17.2 **Suspense account**

Any monies received by the Hedging Counterparty or any Receiver may be placed in an interest bearing suspense or securities realised account and kept there for so long as the Hedging Counterparty considers prudent.

18. **SET-OFF**

18.1 The Hedging Counterparty may (but shall not be obliged to) set off any obligation which is due and payable by the Chargor and unpaid or any contingent obligation from the Chargor against any obligation (whether or not matured) owed by the Hedging Counterparty or any of its Affiliates to the Chargor, regardless of the place of payment, booking branch or currency of either obligation.

18.2 If either obligation is unliquidated or unascertained, the Hedging Counterparty may set off in an amount estimated by it in good faith to be the amount of that obligation.

19. CURRENCY CONVERSION

All monies received or held by the Hedging Counterparty or any Receiver under this Debenture may be converted from their existing currency into such other currency as the Hedging Counterparty or the Receiver considers necessary or desirable to cover the obligations and liabilities comprised in the Secured Liabilities in that other currency at the Hedging Counterparty's spot rate of exchange.

20. NEW ACCOUNT

If the Hedging Counterparty receives or is deemed to be affected by notice (whether actual or constructive) of any subsequent Security Interest affecting some or all of the Security Assets or their proceeds of sale, then the Hedging Counterparty may open a new account for the Chargor. If it does not do so, it shall nevertheless be treated as if it had done so at the time when it received, or was deemed to have received, the notice. As from that time, any payment made to the Hedging Counterparty for the Chargor's account shall be credited (or be treated as having been credited) to the new account and shall not operate to reduce the amount for which the Security applies.

21. CUSTODY

The Hedging Counterparty shall be entitled to provide for the safe custody by third parties of all documents deposited with it in connection with the Security Assets and shall not be responsible for any loss or damage to such documents unless such loss or damage occurs as a result of the wilful default or gross negligence of the Hedging Counterparty.

22. DELEGATION AND APPOINTMENT OF ATTORNEYS

22.1 Delegation

22.1.1 The Hedging Counterparty may delegate to any person or persons all or any of the powers, authorities and discretions which are exercisable under this Debenture. A delegation may be made in any manner (including by power of attorney) in and on any terms (including power to sub-delegate) which the Hedging Counterparty thinks fit.

22.1.2 The Hedging Counterparty shall not be liable or responsible to the Chargor for any loss or damage arising from any act, default, omission or misconduct on the part of any of its delegates or sub-delegates.

22.2 Attorneys

22.2.1 By way of security, the Chargor irrevocably appoints the Hedging Counterparty, every Receiver and every delegate or sub-delegate appointed under Clause 22.1 (*Delegation*) separately to be its attorney on its behalf, in its name:-

- (a) to execute and do any documents, acts and things which it is required to execute and do under this Debenture or any other document relating to the Secured Liabilities; and
- (b) to execute and do any documents, acts and things which any attorney may deem proper or desirable in exercising any powers, authorities and discretions conferred by this Debenture any documents relating to the Secured Liabilities or by law on the Hedging Counterparty or any Receiver.

22.2.2 The Chargor ratifies and confirms anything which any of its attorneys does in the proper and lawful exercise or purported exercise of all or any of the powers, authorities and discretions referred to in this Clause 22.2 (*Attorneys*).

23. REDEMPTION OF PRIOR SECURITY INTERESTS

23.1 Redemption

The Hedging Counterparty may at any time redeem, or procure the transfer to it of, any prior Security Interest over any Security Assets at the Chargor's cost.

23.2 Costs of redemption

All principal monies, interest, costs, charges and expenses incurred in and incidental to any redemption or transfer under Clause 23.1 (*Redemption*) shall be paid by the Chargor on demand, in each case together with interest calculated and in the manner referred to in Clause 27 (*Indemnities*).

24. RELEASES

24.1 Releases conditional

24.1.1 Any release, settlement, discharge, re-assignment or arrangement in respect of the Security (in this Clause 24, a "**release**") made by the Hedging Counterparty on the faith of any assurance, security or payment shall be conditional on that assurance, security or payment not being avoided, reduced, clawed back or ordered to be repaid under any law relating to liquidation, bankruptcy or insolvency.

24.1.2 If any avoidance, reduction, or clawback occurs or any order is made as referred to in Clause 24.1, then the release shall have no effect and shall not prejudice the Hedging Counterparty's right to enforce the Security in respect of the Secured Liabilities. As between the Chargor and the Hedging Counterparty, the Security shall (notwithstanding the release) be deemed to have remained at all times in effect and held by the Hedging Counterparty as security for the Secured Liabilities.

24.2 Retention

24.2.1 If and for so long as any assurance, security or payment as is mentioned in Clause 24.1 (*Releases conditional*) remains in the reasonable opinion of the Hedging Counterparty susceptible of being avoided, reduced, clawed back or ordered to be repaid under any law relating to liquidation, bankruptcy or insolvency, the Hedging Counterparty may in its absolute discretion retain all or part of the Security and other rights under this Debenture as security for the Secured Liabilities after they have been paid and discharged in full.

24.2.2 If, at any time while all or part of the Hedging Counterparty's rights under this Debenture are so retained:-

- (a) an application is made to a competent court for a winding-up order to be made in respect of the Chargor;
- (b) steps are taken to wind the Chargor up;
- (c) an application is made to a competent court for an administration order to be made in respect of the Chargor;
- (d) a notice of intention to appoint an administrator to the Chargor is filed at court; or
- (e) the appointment of an administrator to the Chargor takes effect,

then the Hedging Counterparty may continue to retain all or part of its rights under this Debenture for any further period as the Hedging Counterparty may determine in its absolute discretion.

25. CONTINUING SECURITY**25.1 Continuing security**

The Security is continuing security and shall secure the ultimate balance of the Secured Liabilities, notwithstanding:-

- 25.1.1 intermediate payment or discharge of the whole or part of the Secured Liabilities;
- 25.1.2 the Chargor's liquidation or other incapacity or any change in its constitution, name or style;
- 25.1.3 any change in the Hedging Counterparty's constitution, name or style, its absorption in or amalgamation with any other person or the acquisition of all or part of its undertaking by any other person; or
- 25.1.4 any other event, matter or thing.

25.2 Additional to other rights

The Security is in addition to (and shall not merge with, otherwise prejudice or affect or be prejudiced or affected by) any other remedy, guarantee, indemnity, Security Interest or other right which may be or have been created (by the Chargor or otherwise) in favour of the Hedging Counterparty. Accordingly, the Chargor's liability under this Debenture shall not be prejudiced or affected by, and this Debenture may be enforced notwithstanding:-

- 25.2.1 the existence or invalidity of all or any of those rights; or
- 25.2.2 at any time, the Hedging Counterparty exchanging, releasing, varying, abstaining from perfecting or enforcing or otherwise dealing or omitting to deal with all or any of those rights.

26. THIRD PARTY PROTECTION

No purchaser, mortgagee or other person dealing with the Hedging Counterparty or a Receiver shall be concerned:-

- 26.1 to enquire whether any of the Secured Liabilities have become due or payable or remain unpaid or undischarged;
- 26.2 whether the power which the Hedging Counterparty or Receiver is purporting to exercise has become exercisable; or
- 26.3 to see to the application of any money paid to the Hedging Counterparty or to a Receiver.

27. INDEMNITIES

The Chargor agrees to fully indemnify the Hedging Counterparty and any Receiver (and in the case of legal costs and expenses on a solicitor and own client basis) on demand against all liabilities, losses, claims, actions, damages, costs and expenses incurred by, made or brought against the Hedging Counterparty or Receiver (or any manager or agent appointed by the Hedging Counterparty or Receiver):-

- 27.1 as a result of the Chargor's failure to perform any of its obligations under this Debenture;
- 27.2 in the exercise (or purported exercise) of any of the powers or other rights conferred by this Debenture;
- 27.3 in respect of any costs, charges or expenses incurred in connection with Clause 19 (*Currency conversion*);

- 27.4 in respect of the redemption of any prior Security Interest over any Security Asset under Clause 23 (*Redemption of prior security interests*);
- 27.5 as a result of the Chargor's breach of any current or other obligation or matter relating to the Property;
- 27.6 arising with the vesting of the Security Assets in the Hedging Counterparty or the re-vesting of the Security Assets in the Chargor on redemption of the Security; or
- 27.7 in respect of any other matter or thing done or omitted relating to the Security Assets,

together in each case with interest at the Interest Rate calculated on a daily basis from the date it is incurred or becomes payable to the Hedging Counterparty or the Receiver until the date of payment, whether before or after any judgment.

28. **CALCULATIONS AND CERTIFICATES**

Any certificate of or determination by the Hedging Counterparty specifying the amount of the Secured Liabilities is, in the absence of manifest error, conclusive evidence against the Chargor of the matters to which it relates.

29. **PARTIAL INVALIDITY**

All the provisions of this Debenture are severable and distinct from one another and if at any time any provision is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of any of the remaining provisions nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired.

30. **REMEDIES AND WAIVERS**

No failure to exercise nor any delay in exercising any right or remedy under this Debenture against the Chargor shall operate as a waiver, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise, or the exercise of any other right or remedy. The rights and remedies provided are cumulative and not exclusive of any rights or remedies provided by law.

31. **AMENDMENTS AND WAIVERS**

Any provision of this Debenture may be amended only if the Chargor and the Hedging Counterparty agree in writing and any breach of this Debenture may be waived before or after it occurs only if the Hedging Counterparty so agrees in writing. A waiver given or consent granted by the Hedging Counterparty under this Debenture will be effective only if given in writing and then only in the instance and for the purpose for which it is given.

32. **TRANSFER AND CONFIDENTIALITY**

32.1 **Transfer**

- 32.1.1 The Hedging Counterparty may assign and/or transfer its rights and obligations under this Debenture.
- 32.1.2 The Chargor shall not assign any of its rights or transfer any of its obligations under this Debenture.

32.2 **Confidentiality**

The Hedging Counterparty may disclose to:-

- 32.2.1 any transferee or potential transferee;

- 32.2.2 any assignee or potential assignee;
 - 32.2.3 any person with (or through) whom it enters into (or may potentially enter into), whether directly or indirectly, any sub-participation in relation to or including the Secured Liabilities;
 - 32.2.4 any ratings agency;
 - 32.2.5 any of the officers, directors, employees, professional advisers, auditors, partners and representatives of the persons referred to in sub-clauses 32.2.1 to 32.2.4;
 - 32.2.6 any of its Affiliates and to any of its or their officers, directors, employees, professional advisers, auditors, partners and representatives;
 - 32.2.7 any person to whom information is required or requested to be disclosed by any court of a competent jurisdiction or any governmental, banking, taxation or other regulatory authority or similar body, the rules of any relevant stock exchange or pursuant to any applicable law or regulation;
 - 32.2.8 any person to whom information is required to be disclosed in connection with, and for the purposes of, any litigation, arbitration, administrative or other investigations, proceedings or disputes; and
 - 32.2.9 any insurance company or underwriters in relation to the insurance of any of the properties,
- such confidential information as the Hedging Counterparty shall consider appropriate.

33. **COUNTERPARTS**

This Debenture may be executed in any number of counterparts, all of which, taken together, shall constitute one and the same instrument and any party may enter into this Debenture by executing a counterpart.

34. **NOTICES**

34.1 **Communications in writing**

Any communication to be made under or in connection with this Debenture shall be made in writing in the English language and, unless otherwise stated, must be made by letter.

34.2 **Addresses**

The Hedging Counterparty may deliver any communication, document or notice to the Chargor relating to this Debenture to its registered office, to any address to which a notice under any facility relating to the Secured Liabilities might be sent or any additional address the Chargor may notify to the Hedging Counterparty by not less than five business days' notice.

34.3 **Delivery**

- 34.3.1 Any communication or document made or delivered by one person to another under or in connection with this Debenture will only be effective when it has been left at the relevant address or five business days after being deposited in the post, postage prepaid, in an envelope addressed to it at that address.
- 34.3.2 Any communication or document to be made or delivered to the Hedging Counterparty will be effective only when actually received by the Hedging Counterparty and then only if it is expressly marked for the attention of the department or officer identified with Hedging Counterparty's signature below (or any substitute department or officer as the Hedging Counterparty shall specify for this purpose).

35. **PARALLEL SECURITY DOCUMENTS**

The Chargor may at any time enter into a Parallel Security Document. Entry into and performance of the terms of a Parallel Security Document shall not breach any term of this Debenture.

36. **FACILITY AGREEMENT TO PREVAIL**

Where there is any conflict between the terms of this Debenture and the terms of the Facility Agreement, the terms of the Facility Agreement shall prevail as between the Chargor and the Hedging Counterparty.

37. **GOVERNING LAW**

This Debenture and any non-contractual obligations arising out of or in connection with it are governed by English law.

38. **ENFORCEMENT**

38.1 **Jurisdiction**

38.1.1 The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Debenture (including disputes regarding the existence, validity or termination of this Debenture, the Security Interests intended to be created by it or any non-contractual obligations arising out of or in connection with it) (a "**Dispute**").

38.1.2 The Chargor agrees that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly it will not argue to the contrary.

38.1.3 This Clause 38.1 is for the benefit of the Hedging Counterparty only. The Hedging Counterparty may take proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Hedging Counterparty may take concurrent proceedings in any number of jurisdictions.
