FOR THE YEAR ENDED 31 MARCH 2022

Related parties

Oblong Ltd may support a number of community groups and these are referred to as "member projects". During the 2021/22 financial year Oblong had no active member projects.

Organisation structure

Oblong is managed by a voluntary trustee board, which meets at least quarterly, and which makes all major policy and strategic decisions. Oblong is managed by a team of 6 members of staff, in addition to 2 support staff and various freelancers. Oblong is non-hierarchical, the staff team manage each other and are responsible to the board for managing the organisation's daily activity.

Oblong divides work into various decision-making areas which encompass the operational running to deliver its objectives that include but are not restricted to:

- Woodhouse Community Centre/Centre Co-ordinators
- Volunteering projects
- Mental Wellbeing/Headspace
- Finance and Development
- Governance and HR

During the 2021/22 financial year Oblong delegated responsibility for various areas to members of staff according to their roles, but who are all accountable to the staff meeting as a whole. Where applicable those staff took decisions alongside volunteers, stakeholders, and relevant support staff. Oblong continued its non-hierarchical management structure and had regular staff meetings to manage the organisation's daily activity.

Risk management

The trustees have conducted a review of all risks to which Oblong is exposed and are confident systems are in place to mitigate these risks.

There are procedures in place to ensure that the quality of provision is maintained, the procedures are reviewed regularly, along with ensuring that staff regularly receive training to update skills and knowledge.

A risk register has been established and is periodically reviewed. Where appropriate systems or procedures have been established to mitigate risks the charity faces. Significant external risks to funding have led to the development of a strategic plan which will allow for the diversification of funding and activities. Internal controls are monitored by the implementing of procedures for authorisation of all transactions and projects. Procedures are in place to ensure compliance with health and safety of staff, volunteers and visitors to the centre. Appropriate DBS (Disclosure and Barring Service) checks are made when required.

Objectives and activities

The stated objectives of the charity are: -

"Oblong aims to develop the capacity and skills of people living in socially and economically disadvantaged areas in such a way that they are better able to identify, and help meet, their needs and to create active, flourishing communities and to run a community centre, primarily for the benefit of the Woodhouse, Little London and Hyde Park areas".

In setting our objectives and planning our activities our trustees have given serious consideration to the Charity Commission's general guidance on public benefit and in particular the advancement of education and the enhancement of citizenship or community development.

Achievements and performance

Oblong resources

Oblong is user led and tries to provide the services people want. This currently includes:

- Community Centre facilities
- Drop in IT suite with access to print facilities
- Mental health wellbeing courses
- Volunteering opportunities

OBLONG LTD

DIRECTORS' REPORT FOR THE YEAR ENDED 31 MARCH 2022

Throughout the lockdown period of Covid-19 the Centre was only open to our tenants and no services were able to be provided to the local inhabitants of the area we serve. During the 21/22 financial year we started to offer face to face services and transitioned over the year to what we now consider 'full' opening – that is 4 days per week open to the public and slightly reduced capacity in most rooms but minimal required precautions.

Woodhouse Community Centre

Our aim is to run the centre for the benefit of the local community, that everyone feels welcome at the centre, they enjoy their time here and leave wanting to come back.

The centre has a large hall, meeting rooms, IT suite, catering kitchen, community garden, offices and event space for hire. Our office spaces are let to charitable organisations working in the local community and beyond.

Mental Wellbeing

Oblong's mental wellbeing programmes takes tried and tested approaches from Peer Support, Adult Education, CBT, Mindfulness, and health coaching and uses a unique participatory learning style to create spaces where people can develop their understanding of their own and others mental health, re-imagine their future and make new connections and lifestyle changes.

Volunteering

Our volunteers have been integral in enabling Oblong to support those most in need in the Woodhouse, Little London and Hyde Park community and we would like to say a big thank you to all of them for their time and commitment.

Financial review

In this financial year the organisation made a surplus of £4,335 (2021: surplus of £33,783). Unrestricted rental income increased by £31,318 this year, which was due to being able to open the Centre more after covid restrictions. Oblong's unrestricted grant income for the year was £17,665, a full list of unrestricted grant income can be found in note 3 to the accounts. Oblong's restricted income for the year was £125,621, a full list of movement in funds can be found in Note 11 to the accounts.

At the end of the financial year the overall reserves of the organisation were £233,477 of which £117,688 is unrestricted and can be used on any aspect of the charitable objectives of Oblong Ltd. We continue to work through our plan to build on our strengths, maximise the use of our Community Centre asset and grow our way towards a long-term sustainable position.

Funders

We would like to thank all the funders who have made our work possible this year. Detailed restricted funding information can be found in Note 11 to the accounts and unrestricted funding information can be found in Note 3 to the accounts.

Assets

Woodhouse Community Centre reopened in 2012 after the Community Asset Transfer from Leeds City Council with a 50-year lease and a capital project refurbishment funded from a grant/loan mix from the Social Investment Business. Due to the pandemic and the closure of Woodhouse Community Centre we were offered a payment break by Futurebuilders England Ltd (Social Investment Business) from April 21 to September 21, Oblong still incurred monthly interest charges on the loan during this period therefore when loan repayment started in October 21, they were used to repay the interest balance before reducing the loan balance. We reduced the overall debt this year by £13,664 down to £178,523 with £7,947 depreciated from the building now has a carrying value of £317,880.

OBLONG LTD

DIRECTORS' REPORT FOR THE YEAR ENDED 31 MARCH 2022

Reserves

The Board has set a policy to keep reserve funds at a sufficient level in order to allow the smooth operation of the charity's activities. The policy aims to hold between 3 and 6 months of resources expended, which equates to between £50,000 and £100,000. At the yearend date unrestricted reserves stood at £117,688.

Development and Future Plans

We continue to offer food support, signposting, and other referrals on a limited basis, following our prior year of providing covid support to those isolating or otherwise struggling as a result of the pandemic.

We're pursuing a scheme of renovations following a successful Lottery grant and pursuing other grants to increase our capacity to help members of the community, in response to the Cost of Living crisis and the wealth and complexity of needs we are aware of.

Statement of Directors' Responsibilities

The directors of Oblong Ltd. are responsible for preparing the Directors' Annual report and accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the directors to prepare accounts for each financial year. Under company law the directors must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these accounts the directors are required to:-

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements that are reasonable and prudent;
- state whether UK accounting standards have been followed, subject to any departures disclosed and explained in the accounts; and
- prepare the accounts on a going concern basis unless it is inappropriate to presume that the charity will continue in business.

The directors are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and publication of accounts may differ from legislation in other jurisdictions.

The directors are responsible for maintaining proper accounting records which disclose at anytime the financial position of the charitable company and to enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINER'S REPORT TO THE DIRECTORS OF OBLONG LTD

I report on the accounts of the charity for the year ended 31 March 2022, which are set out on pages 6 to 15.

Respective responsibilities of Directors and Examiner

The directors, who also act as trustees for the charitable activities of Oblong Ltd are responsible for the preparation of the accounts. The directors consider that an audit is not required for this year under Section 144(2) of the Charities Act 2011, (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination it is my responsibility to:

- (i) examine the accounts under section 145 of the 2011 Act;
- (ii) to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- (iii) to state whether particular matters have come to my attention.

Basis of Independent Examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent Examiner's statement

In connection with my examination, no matter has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
 - (i) to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - (ii) to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities;
- have not been met; or
- (b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
