1 Introduction

Howard Smith and Richard Fleming of KPMG LLP were appointed as Joint Supervisors of the Company Voluntary Arrangements ("CVAs" or "the Arrangements") of the Group on 20 June 2012

In accordance with Rule 1 26A(4) of the Insolvency Rules 1986, we attach as Appendix 1 a copy of the Joint Supervisors' annual summary of Receipts and Payments in the CVAs for the period 20 June 2014 to 19 June 2015

This is the Joint Supervisors' third annual report to creditors and covers the period 20 June 2014 to 19 June 2015 ("the Period") and should be read in conjunction with the Appendices

Please note that unless specifically stated, all amounts in this report are net of VAT

2 Progress of the Arrangements to date

As previously reported, the Joint Supervisors issued Notices of Termination for 149 of the CVAs on 20 August 2012 Seven companies remain subject to CVAs as follows:

Southern Cross Healthcare Group Plc

Southern Cross Healthcare Investments No 1 Limited

Southern Cross Healthcare Investments No 2 Limited

Southern Cross (SX Holdco) Limited

Southern Cross Healthcare Limited

Southern Cross Healthcare Services Limited

JP Bidco Limited (formerly Southern Cross Bidco Limited)

3 Extension of the duration of the CVAs

Clause 19 of the CVA proposal stated that the CVAs shall remain in force for a period of 18 months or be extended at the Joint Supervisors' discretion. The Joint Supervisors initially extended the period of the CVAs by twelve months to 20 December 2014. This was to allow time for a decision to be handed down in respect of an action being brought against the Group by the GMB. Union on behalf of former employees. As creditors will be aware from my previous report, no damages or other liability against the Group were awarded as a result of this action.

During April 2014 the Joint Supervisors received notice from a relative of a former resident of Orchid View care home, which was operated by the Group until October 2011, objecting to the dissolution of Southern Cross Healthcare Group Plc as this would have a detrimental impact on an insurance claim he was pursuing

Furthermore, in September 2014 the Joint Supervisors were made aware of a potential claim vesting in a Group member against the Royal Bank of Scotland plc ("RBS") in relation to the mis-selling of an Interest Rate Hedging Product, which is discussed in great detail in section 4 below

As a result of the above, the Joint Supervisors contacted all creditors and members on 12 December 2014 to advise that the remaining CVAs would be extended by a further twelve months to 20 December 2015

As a result of this extension, the Joint Supervisors have incurred further costs that were not initially envisaged when the proposals for the CVAs were issued. This is discussed further in Paragraph 6.1 below

4 Claim against RBS

The Joint Supervisors and Stephen Taylor, a director of the Group ("the Director") received notification from RBS that Alexandra Park Limited ("Alexandra Park"), a company which was itself previously subject to the CVA but for which a Notice of Termination had previously been issued, may be entitled to compensation following the mis-selling of an Interest Rate Hedging Product that was traded during June 2007 The value of the redress had been provisionally assessed at a level exceeding £200,000

The Director took professional advice as to how this refund should be treated. It is the Supervisors' view that the refund itself would fall under the definition of an "excluded asset", as defined in paragraph 15 of the CVA proposal, and therefore would not be available for distribution to unsecured creditors. The Director would therefore be in a position to take professional advice as to the correct allocation of such funds, once-received.

JP Bidco Limited (formerly Southern Cross Bidco Limited), is the immediate parent of Alexandra Park, and remains subject to the CVA

The Director has been liaising with RBS directly in order to progress this matter. At the time of this report it is unclear as to when any proceeds will be received from RBS

5 Realisations

There have been no realisations during the Period.

6 Disbursements

6.1 Supervisors' remuneration and expenses

In accordance with Paragraph 62 of the Arrangement, the Joint Supervisors' remuneration is fixed on the basis of time properly spent by them and their staff in dealing with matters arising in the Arrangement and will be capped at £135,000. Attached at Appendix 2 is a detailed analysis of time spent and charge out rates for each grade of staff for work carried out for the period 20 June 2014 to 19 June 2015, together with details of expenses incurred to date Appendix 3 details full time costs incurred by the Joint Supervisors since the start of the CVA for all Group companies

In the period of this report, the Joint Supervisors incurred time costs of £83,894 representing 242 hours at an-average rate of £347 per hour. This brings total time costs incurred since the start of the CVAs to £507,077, representing 1,504 hours at an average rate of £337 per hour. This includes tax and VAT advice from KPMG LLP in-house specialists.

Please note that incorrect charge out rates were disclosed in my previous report. The charge out rates disclosed in Appendix 4 are correct and reflect those rates detailed in Annex 11 of the CVA proposal that was approved by creditors on 20 June 2012.

The Supervisors have not drawn any fees in the period of this report. However, as previously reported, we have continued to deal with a range of issues outside the scope of the initial CVA proposal. Such issues include but are not limited to

- Dealing with queries from ex-employees of the Company requesting access to financial records, the provision of references as well as dealing with Employment Tribunals,
- Dealing with Local Councils and care home residents who had overpaid care fees, or paid fees to the incorrect care provider,
- Dealing with correspondence in relation to a number of personal injury and public liability insurance claims,
- Receipt of redirected mail,
- Extending the period of the CVAs on two occasions, which has resulted in both additional reporting requirements and additional general costs in running the case,

Annual Report to creditors pursuant to Rule 1 26A(4) of the Insolvency Rules 1986

KPMG LLP
31/07/2015

- Discussions with the Director of the Group in relation to the Interest Rate Hedging Product redress as set out in section 4
- Dealing with queries from shareholders, and
- Dealing with requests for access to company records

None of the abovementioned work fell within the scope of the CVAs. Time spent by the Joint Supervisors and their staff on matters that fall outside the scope of the Joint Supervisors' role is detailed with the narrative "Additional CVA Work" in the SIP 9 time cost analyses shown at Appendices 2 and 3, and amounts to £116,911 since the start of the CVAs

In addition to this, the Joint Supervisors have incurred significant additional time costs in the period in connection with additional reporting, internal controls and creditor correspondence. These have resulted from the need to extend the CVAs beyond their original end date. An analysis of such costs incurred during the period is illustrated below.

Activity	Time cost (£)
General Creditor Correspondence	10,576
Statutory Reporting	10,650
Employee Correspondence	5,371
Checklist & Reviews	711
Statutory Receipts and Payments Account	559
Strategy Documents	<u>4,658</u>
Total	<u>32,525</u>

The total time costs to date incurred on additional matters is £211,566, being the £32,525 detailed in the table above, the additional CVA work of £116;911 and the £62,130 detailed in my previous report

As previously reported, the Director has paid KPMG LLP £155,000 to date for the additional work undertaken. This has been paid directly to KPMG LLP and as such is not reflected in the receipts and payments account attached at Appendix 1. No additional fee will be drawn from the funds held by the Joint Supervisors above and beyond the £135,000 set out in the CVA Proposal, and accordingly there has been no detrimental effect on unsecured creditors.

None of the above constitutes failure of the CVAs

Please note that all staff who have worked on this assignment, including cashiers and secretarial staff, have charged time directly to the assignment and are included in the analysis of time spent. However, the cost of staff employed in central administration functions is not charged directly to this assignment but is reflected in the general level of charge out rates.

6.2 Other costs

Bank charges totalling £288 have been incurred during the period

7 Estimated Outcome for Creditors

7.1 Secured creditors

Prior to the approval of the CVAs the Lenders signed a restructuring agreement whereby they agreed to release their security over leasehold property and certain other assets of the Group, which entitled them to submit an unsecured claim in the CVAs

In accordance with Section 17 3 2 of the Proposal, book debt realisations (which were not anticipated to exceed £1,523,000) were detailed as an excluded asset in the CVAs. The Lenders retained the element of their security relating to these assets

It is likely that any funds realised as a result of the Interest Rate Hedging Product mis-selling claim detailed in section 4 above will be payable to the Lenders

7.2 Unsecured creditors

As detailed in my previous report, on 10 April 2014 the Joint Supervisors declared and paid a first and final dividend of 0.51 pence in the £, representing 51p for every £100 owed, to unsecured creditors of the Group

Annual Report to creditors pursuant to Rule 1 26A(4) of the Insolvency Rules 1986

KPMG LLP
31/07/2015

During the period of this report an equalising dividend of £15 was paid to BNP Paribas Lease Limited ("BNP"), as BNP provided evidence that details of their unsecured claim was sent to the Joint Supervisors prior to the final date for proving, although it was not received at the time

In addition, a cheque for £250 has been reissued to Black Smith Enterprises Limited during the Period. There will be no further return to unsecured creditors.

8 Future conduct of the Arrangements

Whilst the purpose of the CVAs has now been achieved, the CVAs cannot be concluded at present, as there are a small number of residual matters outstanding that the Joint Supervisors and the Directors need to conclude before the CVAs can be ended and the Group be dissolved

The continuation of the CVAs will have no adverse impact on creditors as the distribution has already been made

The Joint Supervisors will continue to perform their duties as set out in the terms of the Arrangements. This will include, but is not limited to

- general supervision of the Company's compliance with the terms of the Arrangements,
- · drawing their final fee as agreed under the terms of the CVA proposal, and
- any other functions which it may be necessary or expedient for the Supervisor to undertake in connection with the implementation of the Arrangements

Any further queries in relation to the above should be directed to Trang Nguyen on 0113 231 3914
