2 STATEMENT OF DIRECTORS' RESPONSIBILITIES

Company law requires directors to prepare accounts for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss for that period. In preparing those accounts, directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business, and
- state whether the Financial Reporting Standard for Smaller Entities has been followed, subject to any material departures disclosed and explained in the accounts

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the accounts comply with the Companies Act 1985. In addition, the directors are responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities
