The directors submit their report together with the audited financial statements for the year ended 31st March 2000.

Directors' Statement

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the loss for that year. In preparing those financial statements the directors are required to:

Select suitable accounting policies and then apply them consistently;

Make judgements and estimates that are reasonable and prudent;

State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;

Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose, with reasonable accuracy at any time, the financial position of the company and to enable them to ensure the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Principal Activity

The principal activity of the company continued to be the operation of a restaurant, cafe and shop.

Exemption Statement

The report of the directors has been prepared in accordance with the special provisions of Part VII of the Companies Act 1985.

By Order of the Board:

J.L. Miller, Director

25th January 2001

on the Financial Statements for the year ended 31st March 2000

We have audited the financial statements on pages 4 to 10, which have been prepared under the historical cost convention and the accounting policies set out on pages 6 and 7.

Respective responsibilities of the directors and auditors

As described on page 1 the company's directors are responsible for the preparation of the financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

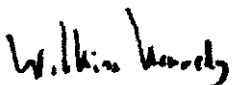

Basis of Opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud, other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of the information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31st March 2000 and of its loss for the year then ended and have been properly prepared in accordance with the provisions of the Companies Act 1985 .

Director

1 Principal Accounting Policies

Accounting Convention

The Financial Statements have been prepared in accordance with applicable Accounting Standards under the historical cost convention.

Going Concern

In accordance with their responsibilities, the directors have considered the appropriateness of the going concern basis for the preparation of the financial statements.

The directors have projected information for the current financial year and consider that the continued support of the company's directors and its related companies will be a necessity.

The directors pledge their continued support and believe that the related companies will continue their support. On this basis the directors consider it appropriate to prepare the financial statements on the going concern basis. The financial statements do not include any adjustments that would result from a withdrawal of support by the related companies.

Cash Flow Statement

In the opinion of the directors the company qualifies as a small company and accordingly a cash flow statement is not required.

Turnover

Turnover is the total amount receivable by the company for goods supplied and services provided, excluding VAT and trade discounts.

Depreciation

Depreciation is calculated to write down the cost, less estimated residual value, of all tangible fixed assets over their expected useful lives. The rates generally applicable are:

Leasehold property	evenly over the lease term
Plant and machinery	25% straight line
Leasehold improvements	25% straight line
Office equipment, fixtures and fittings	25% straight line

Goodwill

The Company's policy is to write off goodwill immediately. The company changed its policy during the year previously goodwill was written off evenly over its economic life of 10 years.

Stocks

Stocks are stated at the lower of cost and net realisable value. Cost is computed on a first in first out basis.

Deferred Taxation

Deferred tax is provided for under the liability method using the tax rates estimated to arise when the timing differences reverse and is accounted for to the extent that it is probable that a liability or asset will crystallise. Unprovided deferred tax is disclosed as a contingent liability.

Leased Assets

Assets held under finance leases and hire purchase contracts are capitalised in the Balance Sheet and depreciated over their expected useful lives. The interest element of leasing payments is charged to the Profit and Loss Account over the period of the lease.

All other leases are regarded as operating leases and the payments made under them are charged to the Profit and Loss Account on a straight-line basis over the lease term.

2 Turnover

The turnover and operating loss for the year was derived from the company's principal activity and was carried out wholly in the UK.

3 Operating Loss

The operating loss is stated after charging or crediting:
