3.3 Financial Collateral

It is the intention of the parties that the Charged Assets will constitute "financial collateral" and this Deed and the obligations of the Chargor hereunder constitute a "security financial collateral arrangement" (in each case as defined in, and for the purposes of, the Financial Collateral Arrangements (No. 2) Regulations 2003 (SI 2003 No. 3226) (the "**Regulations**")). To the extent that any of the Charged Assets does constitute "financial collateral" and this Deed and the obligations of the Chargor hereunder do constitute a "security financial collateral arrangement", the Chargee shall have the right to appropriate all or any part of such financial collateral in or towards discharge of the Secured Obligations of the Chargor hereunder, subject to the terms of this Deed. 4. PROVISIONS AS TO SECURITY AND PERFECTION

4.1 Negative pledge

The Chargor shall not at any time during the Security Period create or permit to subsist any Encumbrance over all or any part of the Charged Assets or otherwise, sell, transfer, dispose of or otherwise deal with any part of the Charged Assets or any rights in connection thereto.

4.2.2 It shall be implied in respect of Clause 3 (*Security*) that the Chargor is disposing of the Custody Accounts and charging the Charged Assets free from all charges and encumbrances (whether monetary or not) and from all other rights exercisable by third parties (including liabilities imposed and rights conferred by or under any enactment).

4.3 **Notice of Assignment; Notice of Charge**

Without prejudice to Clause 5 (*Further Assurance*) the Chargor and the Chargee agree that the execution of the Custody Agreement by the Chargor, the Chargee and the Custodian shall constitute notice to the Custodian of the Security (including, for the avoidance of doubt, the assignment of the Rights against the Custodian).

4.4.2 such Related Assets (where they are cash) are credited to the Cash Custody Account.

4.5 **Custody Agreement**

4.6.2 In the event of a disposal of any of the Securities permitted under the this Deed, the Chargee shall instruct the Custodian accordingly so as to permit such disposal.

4.7 **No revocation**

The Chargor hereby agrees and covenants that it shall not take any action which is inconsistent with, or revokes or purports to revoke, (i) any custody agreement or arrangement (including the Custody Agreement) with the Custodian (except with the prior written consent of the Chargee and subject to any conditions that may be imposed by the Chargee, including but not limited to, the appointment of a new custodian on substantially the same terms as the custody agreement or arrangement with the Custodian), (ii) any instruction given or required to be given to the Custodian

under the Custody Agreement or (iii) the power of attorney granted pursuant to Clause 21 (*Power of Attorney*) hereof.

4.8 **No variation**

The Chargor shall not, without the Chargee's prior written consent, permit or agree to any variation of the rights attaching to any Custody Account nor amend or waive any provision of, request the waiver of any provision of or vary any of the rights attaching to, or terminate any Custody Account or the Custody Agreement.

5. **FURTHER ASSURANCE**

5.1 **Extension of implied covenant**

The covenant set out in section 2(1)(b) of the Law of Property (Miscellaneous Provisions) Act 1994 shall extend to include the obligations set out in Clause 5.2 (*Further assurance*) below.

5.2 **Further assurance**

The Chargor shall promptly, at its own cost, take all such action (including making all filings, registrations and notarisations) and execute all such documents (including assignments, transfers, mortgages, charges, notices and instructions) as the Chargee may specify (and in such form as the Chargee may require) in favour of the Chargee or its nominee(s):

- 5.2.1 to create, perfect, protect and/or maintain the Security created or intended to be created in respect of the Charged Assets (which may include the execution by the Chargor of a mortgage, charge or assignment over all or any of the assets constituting, or intended to constitute, the Charged Assets);

6. **RELEASE OF SECURITY**

6.1 **Release**

Subject to Clause 6.2 (*Conditions of release*) and Clause 22 (*Retention of Agreement and Security*), upon proof being given to the reasonable satisfaction of the Chargee as to the full and final irrevocable and unconditional payment or discharge in full by the Chargor of all of the Secured Obligations (which, for the avoidance of doubt, includes satisfaction of the Chargee that any such payment or discharge by the Chargor of any or all of the Secured Obligations is not subject to any risk of clawback under any applicable law), the Chargee will, at the request and cost of the Chargor, release all the Security granted by this Deed without recourse to, and without any representations or warranties by, the Chargee.

6.2 Conditions of release

Any such release referred to in Clause 6.1 (*Release*) is subject to the condition that it will be void if any payment or discharge of the Secured Obligations is set aside under any applicable law or proves to have been for any reason invalid or void and the condition that, without prejudice to the generality of the foregoing, no assurance, security or payment which may be avoided under any enactment relating to bankruptcy or under sections 238 to 245 or section 423 of the Insolvency Act 1986 or any equivalent provision of common law or the laws of any jurisdiction and no release, settlement or discharge given or made by the Chargee in reliance on any such assurance, security or payment, shall prejudice or affect the right of the Chargee to enforce the Security constituted hereby or pursuant hereto in respect of the full extent of the Secured Obligations. The Chargor therefore agrees that, notwithstanding and in the event of any such avoidance, release, settlement or discharge, the Charged Assets shall be deemed always to have been and to have remained subject to the Security for the payment to or to the order of the Chargee of the Secured Obligations provided that nothing in this Clause 6.2 shall affect the rights, in relation to any Charged Assets, of any purchaser for value without notice that any such release, re-conveyance, re-transfer, discharge or re-assignment has been rendered void or invalid by reason of the provisions of this clause.

7. CONTINUANCE OF SECURITY

The charges, assignments, covenants and provisions contained in this Deed shall remain in force as a continuing security to the Chargee, notwithstanding any intermediate payment or satisfaction of any part of the Secured Obligations or any settlement of account or any other act, event or matter whatsoever, until such security is released by the Chargee in accordance with Clause 6.1 (*Release*).

13.2 Section 103 LPA and Section 20 Conveyancing Act

Section 103 of the LPA and Section 20 of the Conveyancing Act shall not apply in relation to any of the Security Interests contained in this Deed. The statutory powers of sale and of appointing a receiver which are conferred upon the Chargee as varied and extended by this Deed and all other powers shall in favour of any purchaser be deemed to arise and be exercisable immediately after the execution of this Deed but shall only be exercised upon and following the Security becoming enforceable pursuant to Clause 9 (*Enforcement*).

13.3 Powers additional

The powers conferred by this Deed in relation to the Security constituted hereby or any part thereof to the Chargee in respect of the Charged Assets shall be in addition to and not in substitution for the powers conferred on mortgagees or receivers under the LPA, the Conveyancing Act and the Insolvency Act 1986 and where there is any ambiguity or conflict between the powers contained in either of such Acts and those conferred by this Deed, the terms of this Deed shall prevail.

13.4 Powers cumulative

The powers which this Deed confers on the Chargee are cumulative, without prejudice to their respective powers under the general law, and may be exercised as often as the Chargee thinks appropriate. The Chargee may, in connection with the exercise of their powers, join or concur with any person in any transaction, scheme or arrangement whatsoever and the powers of the Chargee shall in no circumstances whatsoever be suspended, waived or otherwise prejudiced by anything other than an express waiver or variation in writing.

14. RECEIVERS

14.1 Appointment of a Receiver

At any time after the Security becomes enforceable, the Chargee may, to the extent permitted under any relevant law, appoint, such person or persons (including an officer or officers of the Chargee) as they think fit (subject always to any requirement under the Insolvency Act 1986 that the person appointed be a licensed insolvency practitioner) to be a Receiver of the Charged Assets or any part thereof to act jointly or jointly and severally as receiver, manager, receiver or manager, administrative receiver, compulsory or interim manager or other similar officer as the Chargee shall determine.

14.2 Removal of Receiver

The Chargee may (subject to Section 45 of the Insolvency Act 1986) remove any Receiver whether or not appointing another in his place and the Chargee may also appoint another receiver if such Receiver resigns.

14.3 Exclusion of part of Security

The exclusion of any part of the Charged Assets from the appointment of any Receiver shall not preclude the Chargee from subsequently extending its appointment (or that of any replacement Receiver) to that part.

14.4 Remuneration of Receiver

The remuneration of any Receiver may be fixed by the Chargee (and may be or include a commission calculated by reference to the gross amount of all money received or otherwise), and the amount of such remuneration shall form part of the Secured Obligations and accordingly be secured on the Security.

14.5 Powers of Receiver

A Receiver shall have, *mutatis mutandis*, the powers, authorities and discretions conferred upon the Chargee under this Deed, subject to such restrictions as the Chargee may think fit. Without prejudice to the generality of the foregoing, any Receiver appointed to the whole or substantially the whole of the Security shall have the powers referred to in Schedule 1 of the Insolvency Act 1986.

In addition the Receiver shall have (without limitation) the following rights:

- 14.5.1 all the powers conferred by the LPA on mortgagees and on mortgagees in possession and on receivers;
- 14.5.2 all powers and rights of an absolute owner and power to do or omit to do anything which the Chargor itself could do or omit to do; and
- 14.5.3 power to do all things (including bringing or defending proceedings in the name or on behalf of the Chargor) which seem to the Receiver to be incidental or conducive to:
 - (a) any of the functions, powers, authorities or discretions conferred on or vested in him;
 - (b) the exercise of any or all of his rights under this Deed; or
 - (c) the collection or getting in of the Security.

14.6 Security from Receiver

The Chargee may from time to time and at any time require any Receiver to give security for the due performance of his duties as Receiver and may fix the nature and amount of the security to be so given but the Chargee shall not be bound in any case to require any such security.

14.7 Payments by the Receiver to the Chargee

Except as otherwise directed by the Chargee or as otherwise required by law, all moneys from time to time received by such Receiver shall be paid over to the Chargee to be applied in discharge of the Secured Obligations.

14.8 Payments by the Chargee to the Receiver

The Chargee may pay over to such Receiver any moneys constituting part of the Security with the intent that the same may be applied for the purposes of this Deed by such Receiver and the Chargee may from time to time determine what funds any Receiver shall be at liberty to keep in hand with a view to the performance of his duties as Receiver.

14.9 Sections 109(6), 109(8) LPA and Section 24(8) Conveyancing Act

Sections 109(6) and (8) of the LPA and Section 24(8) of the Conveyancing Act (relating to application of moneys received by a receiver) shall not apply in relation to a Receiver.

14.10 LPA restrictions inapplicable

None of the restrictions imposed by the LPA in relation to appointment of receivers or as to the giving of notice or otherwise shall apply to this Deed. The power of appointing a Receiver shall be in addition to all statutory and other powers of appointment of the Chargee under the LPA (as extended by this Deed) or otherwise and such powers shall remain exercisable from time to time by the Chargee in respect of any of the Security.

15. APPLICATION OF PROCEEDS

All moneys received or recovered by the Chargee or any Receiver pursuant to this Deed or the powers conferred by it shall (subject to the claims of any person having prior rights thereto and by way of variation of the provisions of the Law of Property Act 1925) be applied first in the payment of the costs, charges and expenses incurred and payments made by the Chargee or Receiver, the payment of his remuneration and the discharge of any liabilities incurred by the Receiver in, or incidental to, the exercise of any of his powers, and thereafter shall be applied by the Chargee to (notwithstanding any purported appropriation by the Chargor) to discharge the Secured Obligations (and for the avoidance of doubt, if such monies are insufficient to discharge all the Secured Obligations, the Chargee shall apply such monies towards the Secured Obligations in such order as the Chargee shall determine in its sole discretion). Any costs, charges and expenses incurred by the Chargee shall only be paid pursuant to this Clause 15 to the extent that they have been properly incurred.

16. SUSPENSE ACCOUNTS

All monies received, recovered or realised by the Chargee under this Deed (including the proceeds of any conversion of currency) may in the discretion of the Chargee be credited to any interest bearing suspense or impersonal account maintained by the Chargee with itself or any bank, building society or financial institution as it considers appropriate and may be held in such account for so long as the Chargee may think fit pending their application from time to time (as the Chargee is entitled to do in its discretion) in or towards the discharge of any of the Secured Obligations and save as provided herein no party will be entitled to withdraw any amount at any time standing to the credit of any suspense or impersonal account referred to above.

17. PROTECTION OF THIRD PARTIES

17.1 Exercise of powers

No Purchaser from or other person dealing with the Chargee and/or any Receiver shall be concerned to enquire whether any of the powers which they have exercised or purported to exercise has arisen or become exercisable, or whether the Secured Obligations remain outstanding or whether any event has occurred to authorise the Chargee and/or any Receiver to act or as to the propriety or validity of the exercise or purported exercise of any such powers and the title of such a Purchaser and the position of such other person shall not be impeachable by reference to any of those matters.

17.2 Receipt good discharge

The receipt of the Chargee or any Receiver shall be an absolute and conclusive discharge to a Purchaser or other such person as is referred to in Clause 17.1 (*Exercise of powers*) and shall relieve such Purchaser or other person of any obligation to see to the application of any moneys paid to or by the direction of the Chargee or the Receiver.

17.3 Statutory powers

The Secured Obligations shall become due for the purposes of Section 101 of the LPA and section 19 of the Conveyancing Act and the statutory powers of sale and of appointing a receiver which are conferred upon the Chargee as varied and extended by this Deed and all other powers shall in favour of any purchaser be deemed to arise and be exercisable immediately after the execution of this Deed.

18. PROTECTION OF CHARGEES AND RECEIVER

18.1 Extent of liability

18.1.2 Without prejudice to any other provision of this Deed, the Chargee will not be responsible for any loss, cost, expense or liability which may be suffered as a result of any Charged Assets being uninsured or inadequately insured or being held by or to the order of the Chargee or by any person on behalf of the Chargee.

18.2 No liability as mortgagee in possession

Without prejudice to the generality of Clause 13.1 (*Extent of liability*), entry into possession of the Charged Assets or any part thereof shall not render the Chargee or any Receiver liable to account as mortgagee in possession or liable for any loss on realisation or for any default or omission for which a mortgagee in possession might be liable; and if and whenever the Chargee or the Receiver enters into possession of the Charged Assets, it shall be entitled at any time at its discretion to go out of such possession.

18.3 Insurance

18.5 Tax

19. **OTHER SECURITY**

19.1 **Security additional**

The Security is in addition to, and shall neither be merged in, nor in any way exclude or prejudice or be affected by, any other Security Interest, right or recourse or other right whatsoever which the Chargee may now or at any time hereafter hold or have (or would apart from the provisions of this Deed hold or have) as regards the Chargor or any other person in respect of the Secured Obligations.

19.2 **Section 93 LPA and Section 17 Conveyancing Act**

Section 93 of the LPA and Section 17 of the Conveyancing Act (relating to restriction on consolidation of mortgages) shall not apply in relation to any of the charges contained in the Security.

The Chargee may retain this Deed, the Security constituted by or pursuant to this Agreement and all documents relating to or evidencing ownership of all or any part of the Charged Assets for a period of twelve months after any discharge in full of the Secured Obligations, *provided that*, if at any time during that twelve month period a petition or application is presented for an order for the winding-up of, or the making of an administration order in respect of, the Chargor or any person who is entitled to do so gives written notice of its intention to appoint an administrator of the Chargor or files such a notice with the court or the Chargor commences to be wound-up voluntarily or any analogous proceedings are commenced in respect of it, the Chargee may continue to retain such Security and such documents for such further period as the Chargee may determine and the Security and such documents shall be deemed to have continued to be held as security for the Secured Obligations.
