## **Notes**

*(forming part of the financial statements)*

### **1 Accounting policies**

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

#### **Basis of preparation**

The financial statements have been prepared under the historical cost convention and in accordance with applicable accounting standards.

The ultimate parent company has indicated that its current intention is not to seek repayment of the amounts owed to group undertakings as set out in Note 6 for at least 12 months from the date of signing these accounts. Accordingly, the directors consider that the financial statements should be prepared on a going concern basis.

The company is exempt by virtue of section 401 of the Companies Act 2006 from the requirement to prepare group accounts. These financial statements present information about the company as an individual undertaking and not about its group.

The company has taken advantage of the exemptions set out in Financial Reporting Standard 8 relating to subsidiaries and has not disclosed transactions with other group companies.

#### **Fixed asset investments**

Fixed asset investments, including those in subsidiary and associated undertakings, are included in the balance sheet at cost of investment, unless the directors believe the investment has suffered a permanent diminution in value.

#### **Deferred taxation**

Deferred tax is recognised, without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date, except as otherwise required by FRS 19. Trading losses that are surrendered to and received from other Group subsidiary undertakings are not paid for.

### **2 Director's emoluments**

The director did not receive any remuneration during either year.

### **3 Employee information**

There were no employees during either year, other than the director.
