3.4 The Company shall provide the Majority Shareholder with such information concerning the business and finances of the Company as the Majority Shareholder may reasonably require from time to time.

ALLOTMENTS

4. Subject to Article 3.2(h), the Directors have authority to allot, grant options over, or otherwise dispose of Shares or rights to subscribe for, or to convert any security into shares other than shares so allotted to such persons (including any Director) and on such terms as they think fit, provided that no shares shall be issued at a discount. Such authority shall remain in force for a period of 5 years from the date of adoption of these Articles or as directed by the Company in General Meeting pursuant to Section 80 of the Act. The maximum amount of the relevant securities (as defined in Section 80(2) of the Act) that may be allotted by the Directors pursuant to this authority shall be the amount of the unissued nominal share capital of the Company for the time being.

5.1 All new or unissued shares of whatever kind shall before being issued be offered (when the Directors determine to issue the same) to the holders for the time being of the Shares as if the same constituted one class in proportion to the nominal value of the existing Shares held by them. Such offer shall be made by written notice from the Directors specifying the number and price of shares to which the member is entitled and limiting a time (being not less than 30 days from the date of such notice) within which the offer if not accepted will be deemed to be declined; and after the expiration

of such time or on the receipt of a written intimation from the member to whom such notice is given that he declines to accept the shares so offered (or agrees to accept part only of the shares so offered) the Directors may offer the shares not so taken up to the other members on the same terms as before. If any such shares are not taken up after each member has taken as many of such shares as he requires, the Directors may dispose of the same in such manner to such persons (including any Director) as they may think most beneficial to the Company on terms as to price and subscription no more favourable to the offeree than those terms on which such shares were offered to members of the Company.

- 5.2 If, owing to any inequality in the number of new shares to be issued and the number of Shares held by holders entitled to receive such offer of any new shares, any difficulty arises in the apportionment of any such new shares amongst the holders, such difficulty shall be determined by the Company by special resolution.

LIENS

6. The lien conferred by Regulation 8 in Table A shall attach also to fully paid-up shares, and the Company shall also have a first and paramount lien on all shares, whether fully paid or not, standing registered in the name of any person indebted or under liability to the Company, whether he shall be the sole registered holder thereof or shall be one of two or more joint holders, for all moneys presently payable by him or his estate to the Company. Regulation 8 in Table A shall be modified accordingly.
7. The liability of any member in default in respect of a call shall be increased by the addition at the end of the first sentence of Regulation 18 in Table A of the words “and all expenses that may have been incurred by the Company by reason of such non-payment”.

TRANSFER OF SHARES

- 8.1 In this Article 8, the expression “Sale Price” shall mean either:-

- (a) if the proposing transferor shall have received an offer for his Shares, a price per Share at least equal to that offered or paid or payable by the proposing transferee for such Shares plus an amount equal to the relevant proportion of any consideration in cash or otherwise received or receivable by the proposing transferor which, having regard to the

substance of the transaction as a whole, is reasonably regarded by the Directors as an addition to the price paid or payable for such Shares; or

- (b) in the absence of an offer for such Shares an amount which in the opinion of the auditors for the time being of the Company represents the fair value of such shares as certified by them annually at the same time as the annual accounts of the Company are audited by them, such value being on the basis of a sale between a willing buyer and a willing seller on an arm's length basis disregarding the fraction of Shares being offered for sale,

and in certifying the fair value as aforesaid, the auditors shall be entitled to obtain professional valuations in respect of any of the Company's assets and shall be considered to be acting as experts and not as arbitrators or arbiters and accordingly any provisions of law or statute relating to arbitration shall not apply.

8.2 Notwithstanding any other provision of these Articles no sale or Transfer of any Shares (other than a Permitted Transfer) which would result if made and registered in a person obtaining a Controlling Interest shall be made or registered without the previous written consent of a majority in number of the holders of Ordinary Shares and Heritage Shares, unless before the Transfer is lodged for registration the proposed transferee or his nominee has offered to purchase all Shares at the Sale Price.

8.3 The Directors may, in their absolute discretion and without assigning any reason therefore, decline to register any Transfer if it is a Transfer of a share on which the Company has a lien. The Directors may also refuse to register a Transfer (including for the purpose of this Article a Permitted Transfer) unless:-

- 8.3.1 it is lodged at the office or at such other place as the Directors may appoint and is accompanied by the certificate for the shares to which it relates and such other evidence as the Directors may reasonably require to show the right of the transferor to make the Transfer;
- 8.3.2 it is in respect of only one class of shares; and
- 8.3.3 it is in favour of not more than four transferees.

ALTERATION OF CAPITAL AND VARIATION OF RIGHTS

9. The Company may by special resolution:-
 - 9.1 increase the share capital by the creation of new shares of such amount as the resolution prescribes;
 - 9.2 consolidate and divide all or any of its shares into shares of larger amount;
 - 9.3 subject to the provisions of the Act, sub-divide its shares, or any of them, into shares of smaller amount and the resolution may determine that, as between the shares resulting from the sub-division, any of them may have preference or advantage as compared with the others; and
 - 9.4 cancel shares which, at the date of the passing of the resolution, have not been taken or agreed to be taken by any person, and diminish the amount of its share capital by the amount of the shares so cancelled.
10. If at any time the share capital is divided into separate classes of shares, the rights attached to any class may, whether or not the Company is being wound up, be varied with the consent in writing of the holders of three-fourths of the issued shares of that class, or with the sanction of an extraordinary resolution passed at a separate general meeting of the holders of the shares of the class.
11. Except as required by law, no person shall be recognised by the Company as holding any share upon any trust, and the Company shall not be bound by or be compelled in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any share or any interest in any fractional part of a share or (except only as by these Articles or by law otherwise provided) any other rights in respect of any share except an absolute right to the entirety thereof in the registered holder. Regulation 5 of Table A shall not apply to the Company.
12. Every notice convening a General Meeting shall comply with the provisions of Section 372(3) of the Act as to giving information to Members in regard to their right to appoint proxies; and notices of and other communications relating to any General Meeting which any Member is entitled to receive shall be sent to the Directors and to the Auditors for the time being of the Company.

Regulation 41 of Table A shall not apply to the Company.
15. A resolution in writing executed by or on behalf of each holder of Ordinary Shares or Heritage Shares who would have been entitled to vote upon it if it had been proposed at a general meeting shall be as effectual as if it had been passed at a general meeting duly convened and held and may consist of several instruments in like form each executed by or on behalf of one or more of the holders of Ordinary Shares or Heritage Shares. If the resolution in writing is described as a special resolution or as an extraordinary resolution it shall have effect accordingly.

17. A holder of Ordinary Shares or Heritage Shares who is a patient for the purposes of the Mental Health Act 1983, or in respect of whom an order has been made by any competent court by reason of mental disorder may vote, whether on a show of hands or on a poll, by his receiver or other person authorised in that behalf by that court who may, on a poll, vote by proxy. 19. The instrument appointing a proxy shall be in writing under the hand of the appointer or of his attorney duly authorised in writing or, if the appointer is a corporation, either under seal, or under the hand of an officer or attorney duly authorised.
