STERLING PROPERTY CO. LIMITED

DIRECTORS' REPORT

The directors present their annual report and the audited financial statements for the year ended 30 June 2013

PRINCIPAL ACTIVITY, REVIEW OF BUSINESS AND FUTURE PROSPECTS

The company's principal activity is property management and property investment

The directors consider the results for the year to be satisfactory and look forward to the future with confidence. The directors do not expect a significant change in the level of business in the near future.

This directors' report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

RESULTS AND DIVIDENDS

The audited financial statements for the year ended 30 June 2013 are set out on pages 5 to 15. The profit after tax for the year was £ 561,507 (2012 £403,824), and has been transferred to reserves.

The directors do not recommend the payment of a dividend (2012 £nil)

STATEMENT OF GOING CONCERN

The directors believe that the company is well placed to manage its business risks successfully. The financial position of the company is sound, with adequate levels of cash. The company has no mortgage payments to service or any other material financial commitments, and is currently trading at good profit levels.

The directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

DIRECTORS

The directors of the company are set out on page 1. All directors served throughout the year and thereafter apart from those noted on page 1.

AUDIT INFORMATION

In the case of each of the persons who are directors of the company at the date when this report is approved:

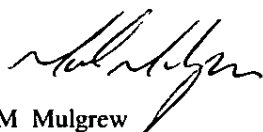

- as far as each of the directors is aware, there is no relevant audit information (as defined in the Companies Act 2006) of which the company's auditor is unaware, and
- each of the directors has taken all the steps that he ought to have taken as a director to make himself aware of any audit information (as defined) and to establish that the company's auditor is aware of that information.

This statement is given and should be interpreted in accordance with the provisions of section 418 of the Companies Act 2006.

AUDITOR

A resolution to re-appoint Deloitte LLP as the company's auditor will be proposed at the forthcoming Annual General Meeting.

Approved by the Board of Directors
and signed on behalf of the Board

M Mulgrew
Secretary

25TH MARCH 2014

DIRECTORS' RESPONSIBILITIES STATEMENT

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and accounting estimates that are reasonable and prudent, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF STERLING PROPERTY CO. LIMITED

We have audited the financial statements of Sterling Property Co Limited for the year ended 30 June 2013 which comprise the Profit and Loss Account, the Statement of Total Recognised Gains and Losses, the Balance Sheet and the related notes 1 to 18. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 30 June 2013 and of its profit for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit, or
- the directors were not entitled to take advantage of the small companies exemption in preparing the directors' report.

NOTES TO THE FINANCIAL STATEMENTS

Year ended 30 June 2013

1. ACCOUNTING POLICIES

The financial statements are prepared in accordance with applicable law and United Kingdom accounting standards. The particular accounting policies adopted are described below. They have been applied consistently throughout the current year and the prior year.

Basis of accounting convention

The financial statements are prepared under the historical cost convention.

Going concern

The directors believe that the company is well placed to manage its business risks successfully and they look forward to the future with confidence.

The financial position of the company is sound, with adequate levels of cash. The company has no mortgage payments to service or any other material financial commitments and it is currently trading at adequate profit levels.

The directors believe that the company has adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

Tangible fixed assets

Fixed assets are stated at cost, net of depreciation and any provision for impairment.

Depreciation is provided evenly on the cost of tangible fixed assets, to write them down to their estimated residual values over their expected useful lives. The principal annual rates used are as follows:

Computer equipment	33% straight line on cost
Fixtures and fittings	33% straight line on cost
Motor vehicles	25% reducing balance

Investment properties

Properties which are not held for immediate or short term re-sale are classified as investment properties. A valuation of investment properties is made annually as at the balance sheet date by the directors, at open market value based on previous valuations conducted by external chartered surveyors. Changes in the market value of investment properties are accounted for by way of a movement in revaluation reserve and are included in the statement of total recognised gains and losses unless a deficit (or its reversal) on an individual investment property is expected by the directors to be permanent, in which case the change in market value is charged (credited) to the profit and loss account. On disposal, the cumulative revaluation surpluses or deficits are transferred from the revaluation reserve to the profit and loss account reserve.

In accordance with SSAP 19 no depreciation or amortisation is provided in respect of freehold investment properties and leasehold investment properties with over 20 years to run. The requirement of the Companies Act 2006 is to depreciate all properties, but that requirement conflicts with the generally accepted accounting principle set out in SSAP 19. The directors consider that, as these properties are not held for consumption but for investment to depreciate them would not give a true and fair view, and that it is necessary to adopt SSAP 19 in order to give a true and fair view. If this departure from the Act had not been made the loss for the financial year would have been increased by depreciation. However, the amount of depreciation cannot reasonably be quantified, because of the lack of analysis of the cost/value as between land and buildings.

Investments

The investments balance comprises motor vehicle number plates. These are deemed to have an indefinite useful economic life, therefore no depreciation has been provided in respect of the investments.

STERLING PROPERTY CO. LIMITED

NOTES TO THE FINANCIAL STATEMENTS (continued)

Year ended 30 June 2013

1 ACCOUNTING POLICIES (continued)

Taxation

UK corporation tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements

A net deferred tax asset is regarded as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted

Deferred tax is not recognised when fixed assets are revalued unless by the balance sheet date there is a binding agreement to sell the revalued assets and the gain or loss expected to arise on sale has been recognised in the financial statements. Neither is deferred tax recognised when fixed assets are sold and it is more likely than not that the taxable gain will be rolled over, being charged to tax only if and when the replacement assets are sold

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax is measured on a non-discounted basis

Turnover

Turnover is management fees, maintenance recharges, letting fees and commissions charged to the owners of properties for managing the tenancy. There is also rental income from properties that are owned by Sterling Property Co, Limited. Turnover is accounted for on an accruals basis

Pension costs

The company operates a hybrid pension scheme with both a defined benefit and defined contribution element. The benefit accruing to the defined contribution members is the residue after deducting the benefit accruing to the defined benefit members. On this basis, whilst the assets of the scheme exceed the liabilities accruing to the defined benefit members, the scheme has neither an actuarial surplus nor deficit as any balance accrues to the defined contribution members

Total tax on profit on ordinary activities	<u>182,400</u>	<u>140,463</u>

The differences between the total current tax shown above and the amount calculated by applying the standard Companies rate of UK corporation tax to the profit before tax are as follows

	2013 £	2012 £
Profit on ordinary activities before tax	<u>743,908</u>	<u>544,287</u>
Tax on profit on ordinary activities at UK corporation tax rate of 23.75% (2012 25.5%)	176,678	138,793
Effects of		
Expenses not deductible for tax purposes	7,267	1,224
Depreciation for year in excess of capital allowances	1,337	3,114
Adjustments to tax charge in respect of previous periods	(4,156)	(2,319)
Current tax charge for year	<u>181,126</u>	<u>140,812</u>

There is no unprovided deferred tax at the year end (2012 £nil)

7. INVESTMENT PROPERTIES

	2013 £	2012 £
Valuation	<u>988,777</u>	<u>729,850</u>

Investment properties are valued every 5 years by independent chartered surveyors. The last independent valuation was performed for the whole portfolio by Roger Hannah & Co in June 2010. The directors have reviewed the valuation of investment properties and are happy that they continue to be at market value at 30 June 2013.

15. CASH FLOW STATEMENT

As permitted by FRS 1 (Revised 1996) 'Cash Flow Statements', the company has not produced a cash flow statement, as it is a wholly owned subsidiary undertaking of Bracken House Properties LLP which has produced consolidated financial statements that are publicly available

STERLING PROPERTY CO. LIMITED

NOTES TO THE FINANCIAL STATEMENTS (continued)

Year ended 30 June 2013

16. RELATED PARTY TRANSACTIONS

As a subsidiary undertaking of Bracken House Properties LLP, the company has taken advantage of the exemption in FRS 8, "Related party disclosures" not to disclose transactions with wholly owned members of the group headed by Bracken House Properties LLP

The company had the following balances with associated entities at the year end

	Balances due to 2013 £	Balances due from 2013 £	Balances due to 2012 £	Balances due from 2012 £
Blemain Finance Limited	(7,894)	-	(11,011)	-

	<u>(87,033)</u>	<u>320,737</u>	<u>(89,841)</u>	<u>452,222</u>

All of the above mentioned companies and pension funds are associated with Henry Moser

17. PARENT COMPANY AND ULTIMATE CONTROLLING PARTY

At 30 June 2013 the company was a wholly owned subsidiary undertaking of Bracken House Properties LLP, an LLP incorporated in Great Britain and registered in England and Wales

The largest and smallest group of which Sterling Property Co Limited was a member, and for which group financial statements were drawn up, is that headed by Bracken House Properties LLP, whose principal place of business is at Unit G, Waterfold Business Park, Bury, Lancashire, BL9 7BR

Mr H N Moser, a director of Sterling Property Co Limited, and members of his close family, control the company as a result of controlling directly or indirectly 100% of the voting rights of Sterling Property Co Limited

18. PENSION ARRANGEMENTS

Sterling Property Co Limited is the sponsor of the Jerrold Manufacturing Company (Textiles) Limited Pension Scheme, which is a hybrid arrangement containing both a defined benefit and a defined contribution element. The last full actuarial valuation of this scheme was carried out by a qualified independent actuary as at 30 June 2011

No employer contributions were made over the financial year (2012 none)

FRS17 requires the recognition of the pension asset or liability in balance sheet. The following disclosures show the impact of the scheme on the financial results and position of the pension scheme at 30 June 2013. Due to the nature of the scheme there is no net pension asset or liability at the year end and therefore the group's net assets and profit and loss reserve would be unaffected by the pension scheme.

STERLING PROPERTY CO. LIMITED

NOTES TO THE FINANCIAL STATEMENTS (continued) Year ended 30 June 2013
