DIRECTORS RESPONSIBILITIES FOR THE ACCOUNTS

Company law requires the director to prepare accounts for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those accounts, the director is required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The director is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable him to ensure that the accounts comply with the Companies Act 1985. The director is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

SMALL COMPANY EXEMPTIONS

The director has taken advantage of the exemptions conferred by part II of schedule 8 of the Companies Act 1985, on the grounds that the company is entitled to the benefit of those exemptions as a small company.

By order of the board

A Hogarth Secretary

The director considers that the company is entitled to exemption from the requirements to have an audit under the provisions of Section 249 A(1) of the Companies Act 1985. Shareholders holding 10% or more of the company's share capital have not issued a notice requiring an audit. The director acknowledges his responsibilities for ensuring that the company keeps accounting records which comply with section 221 of the Companies Act 1985, and for preparing accounts which give a true and fair view of the state of affairs of the company as at the end of the financial period and of its loss for the period in accordance with the requirements of Section 226, and which otherwise comply with the requirements of the Act relating to the accounts so far as applicable to the company.

The director has taken advantage, in the preparation of the accounts, of special exemptions applicable to small companies under Schedule 8 Part I of the Companies Act 1985. In the opinion of the director the company qualifies as a small company and is entitled to make use of the special exemptions.
