STATEMENT OF DIRECTORS' RESPONSIBILITIES

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:-

- . Select suitable accounting policies and then apply them consistently;
- . Make judgements and estimates that are reasonable and prudent;
- . State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- . Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MAY 2000

1. ACCOUNTING POLICIES

The financial statements have been prepared in accordance with applicable Accounting Standards.

The principal accounting policies of the company remain unchanged from the previous year and are as follows:

Basis of accounting

The accounts have been prepared under the historical cost convention.

Tangible fixed assets

Land and building are shown at original historical cost or subsequent valuation as set out in the note.

Depreciation is not provided on the freehold building as, in the opinion of the directors, its residual value will always exceed its cost.

2. TURNOVER

The company did not trade during the year.

3. DIRECTORS AND EMPLOYEES

None of the directors received any remuneration during either financial year.
