Notes to the accounts

1 ACCOUNTING POLICIES

Accounting convention

The accounts have been prepared under the historical cost convention and in accordance with applicable accounting standards and with the Companies Act 1985.

Basis of the preparation of the accounts

The directors have taken advantage of the exemption in FRS 8 "Related party transactions", paragraph 3(c) and have not disclosed any related party transactions with parent and fellow subsidiary undertakings.

Cash flow statement

The company is exempt from the requirement of FRS 1 "Cash flow statements" to prepare a cash flow statement as it is a wholly owned subsidiary undertaking of AMEC plc, and its cash flows are included within the consolidated cash flow of that group.

Going concern

The accounts have been prepared on the going concern basis on the grounds that AMEC Finance Limited has confirmed to the directors that its present intention is to provide financial support to enable the company to continue its operations and to meet its financial obligations.

Taxation

The liability for corporation tax has been assumed by AMEC plc.

The charge for taxation is based on the results for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes.

Deferred tax is recognised, without discounting in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date, except as otherwise required by FRS19 "Deferred tax".

Turnover

Turnover represents sales and value of work done including transactions with other group undertakings.

Statement of directors' responsibilities in respect of the directors' report and the accounts

The directors are responsible for preparing the directors' report and the accounts in accordance with applicable law and regulations.

Company law requires the directors to prepare accounts for each financial year. Under that law the directors have elected to prepare the accounts in accordance with UK accounting standards.

The accounts are required by law to give a true and fair view of the state of affairs of the company and of the profit or loss for that year.

In preparing those accounts, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether UK accounting standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the accounts comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.
