#### **3. FINANCIAL REVIEW**

Details of the results for the year are given in the statement of financial activities on page 8. The net movement in unrestricted funds for the year ended 31 July 2017 was a surplus of £72,271 (2016: surplus of £65,907). The company increased its reserves to £93,074, all of which was unrestricted at year end (2016: total reserves £20,804 of which unrestricted were £15,878 and restricted £4,926). The continued improvement in the level of reserve therefore represents steady progress towards meeting the company's reserve objective of holding sufficient funds to cover its costs. This objective will continue to be a priority for the coming year.

##### **Income from charitable activities**

In 2016/17 income totalled £547,515 (2015/16: £820,407). The Common Purpose Charitable Trust provided £112,870 of income to support its delivery of other projects. £5,000 of the company's income was for two specific restricted grants.

##### **Expenditure**

Total expenditure in 2016/17 amounted to £475,246 compared with £754,500 in 2015/16. All restricted funds were spent during the year, with no residual amounts carried forward to 2017/18.

#### **4. RESERVES POLICY**

Reserves are needed to bridge the gap between the spending and receiving of income. A major concern of the trustees is to ensure that the Charity maintains adequate reserves throughout the year, given the irregular nature of its income and large costs for its international programmes. The policy of the trustees is therefore to manage the Charity's activities so that it can always cover its costs.

#### Risk review statement

The trustees have established an annual risk assessment process, which identifies the major foreseeable risks faced by the Charity, assessing their likelihood and impact, and as appropriate implementing measures to mitigate these risks. The trustees have reviewed the major risks to which the Charity is exposed and are satisfied that appropriate systems have been established to mitigate those risks.

The ability of the Charity to continue to operate is dependent upon identifying and securing grants and sponsorship from potential sources of funding to fund the international development activities.

#### STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees, who are also the directors of Common Purpose International for the purposes of company law, are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and the group and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and the Group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware;
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

### INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF

## COMMON PURPOSE INTERNATIONAL

#### Opinion

We have audited the financial statements of Common Purpose International for the year-ended 31 July 2017 which comprise the statement of financial activities, the balance sheet and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an Auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion, the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 July 2017 and of the charitable company's net movement in funds, including the income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Responsibilities of trustees for the financial statements

As explained more fully in the trustees' responsibilities statement set out on page 6 of the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

#### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

#### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

#### Other information

The trustees are responsible for the other information. The other information comprises the information included in the Trustees' Annual Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Opinions on other matters prescribed by the Companies Act 2006

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Annual Report (which incorporates the directors' report).

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the charitable company; or
- the charitable company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies' regime and take advantage of the small companies' exemptions in preparing the trustees' report and from the requirement to prepare a strategic report.

**NOTES TO THE FINANCIAL STATEMENTS**  
**YEAR ENDED 31 JULY 2017**

**1. ACCOUNTING POLICIES**

**(a) Basis of accounting**

Common Purpose International is a charitable company limited by guarantee. Further details are shown on page 1.

The financial statements have been prepared in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), section 1A. The charitable company is a public benefit entity for the purposes of FRS 102 and therefore the Charity also prepared its financial statements in accordance with the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (The FRS 102 Charities SORP), the Companies Act 2006 and the Charities Act 2011, and Regulations made thereunder.

The trustees have assessed whether the use of the going concern basis is appropriate and have considered possible events or conditions that might cast significant doubt on the ability of the charity to continue as a going concern. The trustees have made this assessment for a period of at least one year from the date of approval of the financial statements. In particular the trustees have considered financial forecasts and projections. After making enquiries the trustees have concluded that there is a reasonable expectation that the charitable company has adequate resources to continue in operational existence for the foreseeable future and, therefore, the charitable company has adopted the going concern basis in preparing its financial statements.

The charitable company holds only basic financial instruments which are initially recognised at cost or transaction, and do not require subsequent adjustment to fair value.

In the view of the trustees in applying the accounting policies adopted, no judgements were required that have a significant effect on the amounts recognised in the financial statements nor do any estimates or assumptions made carry a significant risk of material adjustment in the next financial year.

**(b) Fund accounting**

Unrestricted funds comprise accumulated surpluses and deficits on general funds. They are available for use at the discretion of the trustees in furtherance of the general charitable objectives.

Restricted funds are funds subject to specific restricted conditions imposed by the donors.

**(c) Income**

Income represents the total income receivable during the year comprising tuition fees, sponsorship, bursaries, and other income.

Income and expenditure related to individual courses is matched and any surplus on a course is recognised in the accounting year in which it arises. Course deficits are recognised as soon as anticipated. Income is fully recognised on commencement of courses including those that

cease after the year end as no refunds are given once a course has commenced and hence full entitlement to the income occurs on commencement.

#### (d) Expenditure

Direct costs are charged to charitable activities along with appropriate support costs, which are defined as those costs which are necessary to deliver the charitable activity but do not constitute its output. Support costs include governance costs are those non-charitable costs which are necessary for the general running of the charity and include items such as constitutional costs, trustee costs and audit fees.

#### (f) Foreign currency translation

Transactions denominated in in foreign currencies are initially translated into sterling at the exchange rate at the transaction date. Monetary items are retranslated at the balance sheet date and the resulting differences are reflected in the Statement of Financial Activities.
