DIRECTORS' REPORT FOR THE YEAR ENDED 31 DECEMBER 2005

The directors present their report and group accounts for the year ended 31 December 2005.

Principal activities

The principal activities of the Group are the provision of management services to Private Finance Initiative ("PFI") projects in the health care and education sectors. The Group also provides project management and clinical planning services to consortia bidding for new PFI projects.

Review of business

The company continues to hold its investments in Health Care Projects Limited, HCP (Clinical Planning) Limited and HCP Bidding Limited.

On 8 February 2006 the Company incorporated a new wholly owned sudsidary, HCP Operations Limited.

At the commencement of the year under review the Group had management contracts at PFI hospitals at High Wycombe and Amersham, Greenwich, Reading, Coventry, Hairmyres, Derby and Huntingdon, together with a management contract for a grouped schools PFI project Birmingham.

During the year under review the Group acquired a further management contract for a PFI hospital in Mansfield. A further four PFI hospital contracts are anticipated to come on stream in 2006.

The group continues to assist consortia in bidding for future PFI contracts. In addition it provides both clinical planning services and assistance in bidding contracts under the government's Procure 21 scheme to contractors in the health sector.

Results and dividends

The group profit for the year after taxation amounted to £451,642.

During the year an interim ordinary dividend was paid amounting to £150,000. The directors do not recommend payment of a final dividend.

Directors and their interests

The directors at 31 December 2005 and their beneficial interests in the shares of the company and other group companies were:

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the accounts in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Company law requires the directors to prepare accounts for each financial year which give a true and fair view of the state of affairs of the group and company and of the profit or loss of the group for that period.

In preparing these accounts, the directors are required to:

- * select suitable accounting policies and then apply them consistently;
- * make judgements and estimates that are reasonable and prudent;
- * state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts;
- * prepare the accounts on the going concern basis unless it is inappropriate to presume that the group will continue in business.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the group and to enable them to ensure that the accounts comply with the Companies Act 1985. They are are also responsible for safeguarding the assets of the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDERS

We have audited the group accounts of HCP Holdings Limited for the year ended 31 December 2005 set out on pages 5 to 15. These accounts have been prepared under the historical cost convention and the accounting policies set out on page 7.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As described on page 3 the company's directors are responsible for the preparation of the accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Our responsibility is to audit the accounts in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you our opinion as to whether the accounts give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Directors' Report is not consistent with the accounts, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the accounts. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the accounts, and of whether the accounting policies are appropriate to the company's and the group's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the accounts.

Opinion

In our opinion the accounts

* give a true and fair view in accordance with United Kingdom Generally Accepted Accounting Practice of the state of the company's and the group's affairs as at 31 December 2005 and of the group's profit for the year then ended; and

Mw Ste d

* have been properly prepared in accordance with the Companies Act 1985.

NOTES TO THE GROUP ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2005

1 Accounting policies

1.1 Basis of preparation

The accounts have been prepared under the historical cost convention.

The company has taken advantage of the exemption in Financial Reporting Standard No 1 from the requirement to produce a cash flow statement on the grounds that it is a small company and the group as a whole is a small group.

1.2 Basis of consolidation

The consolidated profit and loss account and balance sheet include the accounts of the company and its subsidiary undertakings made up to 31 December 2005. Intra-group sales and profits are eliminated fully on consolidation.

1.3 Turnover

Turnover represents the invoiced value of services provided net of VAT.

1.4 Goodwill

Acquired goodwill amounting to £109,052 has been capitalised and amortised over its useful economic life in previous accounting periods.

1.5 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Office equipment 20% straight line
Computers and telephones 33% straight line
Fixtures and fittings 25% straight line
Motor vehicles 33% straight line

1.6 Leasing

Assets held under finance leases and hire purchase contracts are treated as if they had been purchased outright at the present value of the rentals payable, less finance charges, over the primary period of the agreements. The corresponding obligations under these agreements are included in creditors. The finance element of the rentals payable is charged to the profit and loss account so as to produce a constant rate of charge on the outstanding balance in each period.

Rental payments under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

1.7 Investments

Fixed asset investments are stated at cost less any provision for permanent diminution in value. Current asset investments are stated at the lower of cost and market value.

1.8 Deferred taxation

Deferred tax is provided in full on timing differences which result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in the accounts. Deferred tax is not provided on timing differences arising from the revaluation of fixed assets where there is no commitment to sell the assets. Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted.
