## **Directors' report**

### **Principal activities**

The Company has investments in fellow subsidiaries operating in the tobacco industry.

### **Review of the year to 31 December 2001**

The Directors consider the year end position to be satisfactory and expect the Company to continue with its current level of operations for the foreseeable future. The loss for the year attributable to B.A.T Far East Holding Limited shareholders after deduction of all charges and the provision of tax amounted to £1,987,000 (2000: £nil).

### **Accounting policies**

During 2001 the Company adopted a new accounting standard FRS19 on Deferred Tax. The adoption of this standard had no impact on the comparative figures. The effect of the change in accounting policy was to increase taxation on ordinary activities by £2,000 (2000: £nil).

Accounting Standard FRS17 on Retirement Benefits was issued in December 2000 which represents a radical change in accounting for pension costs and other post retirement benefits. Full application of FRS17 is not mandatory until accounting periods ending on or after 22 June 2003. Therefore, during 2001, the Company has continued to account for pension costs in accordance with SSAP24 Accounting for Pension Costs and the information shown in note 13 on pages 14 and 15 has been prepared in accordance with SSAP24 and FRS17. As the Company has not yet fully adopted FRS17 the information provided reflects its initial transitional disclosure requirements.

### **Dividends**

The Directors recommend that no dividend be paid for the year (2000: £nil). The loss for the financial year of £1,987,000 (2000: £nil) will be offset against reserves.

## **Directors' report**

### **Statement of Directors' responsibilities**

The following statement sets out the responsibilities of the Directors in relation to the financial statements. The report of the independent auditors, shown on page 6, sets out their responsibilities in relation to the financial statements.

Company law requires the Directors to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing those financial statements, the Directors are required to:

- Select suitable accounting policies and then apply them consistently, subject to any material departures being disclosed and explained;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed;
- Prepare the financial statements on the going concern basis, unless they consider that to be inappropriate.

The Directors are responsible for ensuring that the Company keeps sufficient accounting records to disclose with reasonable accuracy the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for taking reasonable steps to safeguard the assets of the Company and in that context to have proper regard to the establishment of appropriate systems of internal control with a view to the prevention and detection of fraud and other irregularities.

The Directors are required to prepare the financial statements and to provide the auditors with every opportunity to take whatever steps and undertake whatever inspections they consider to be appropriate for the purpose of enabling them to give their audit report.

The Directors consider that they have pursued the actions necessary to meet their responsibilities as set out in this statement.

### **Auditors**

The Directors have been advised that PricewaterhouseCoopers are willing to continue as auditors of the Company and a resolution for their reappointment and on their remuneration will be put to the Annual General Meeting.

On behalf of the Board

Director

## **Independent auditors' report to the members of B.A.T Far East Holding Limited**

We have audited the financial statements which comprise the profit and loss account, the balance sheet, the statement of total recognised gains and losses and the related notes.

### **Respective responsibilities of Directors and auditors**

The Directors' responsibilities for preparing the annual report and the financial statements in accordance with applicable United Kingdom law and accounting standards are set out in the statement of Directors' responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards issued by the Auditing Practices Board.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Directors' report is not consistent with the financial statements, if the Company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding Directors' remuneration and transactions is not disclosed.

### **Basis of audit opinion**

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the Directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

### **Opinion**

In our opinion the financial statements give a true and fair view of the state of affairs of the Company as at 31 December 2001 and of the loss for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

The financial statements have been prepared under the historical cost convention and in accordance with the Companies Act 1985 and applicable UK accounting standards.

#### **(2) Cash flow statement**

The Company is a wholly-owned subsidiary of British American Tobacco p.l.c. The cash flows of the Company are included in the consolidated cash flow statement of British American Tobacco p.l.c. which is publicly available. Consequently the Company is exempt under the terms of Financial Reporting Standard 1 (Revised) from publishing a cash flow statement.

#### **(3) Foreign currencies**

Turnover and profits expressed in currencies other than sterling are translated into sterling at average rates of exchange. Assets and liabilities are translated at closing rates of exchange. The difference between the overseas' retained profit translated at the average and closing rates of exchange is taken to reserves as are differences on exchange arising on the retranslation to sterling of foreign currency net assets at the beginning of the year. Other exchange differences, including those on remittances, are reflected in the profit and loss account.

#### **(4) Tangible fixed assets**

Tangible fixed assets are stated at cost less depreciation. Depreciation is calculated on a straight-line basis to write off the cost of tangible fixed assets over their useful lives. Depreciation is charged pro rata based on the month of acquisition and disposal. The rate of depreciation used is 20%.

#### **(5) Pension costs**

These are charged against profits on a systematic basis. Where surpluses and deficits arise on the defined benefit schemes these are allocated over the expected remaining service lives of current employees.

The Company has continued to account for retirement benefit costs in accordance with SSAP24 Accounting for Pension Costs. The initial transitional disclosures required by FRS17 Retirement Benefits for 2001 are set out on page 15 note 13.

#### **(6) Fixed asset investments**

Fixed asset investments are stated at cost less provisions for any impairment in value.

#### **FRS17 Retirement Benefits**

Under FRS17, where more than one employer participates in a defined benefit scheme the individual participating employers should account for the scheme as a defined contribution scheme if they are unable to identify their individual shares of the underlying assets and liabilities in the scheme. The Company is unable to identify its share of the underlying assets and liabilities of the multi-employer British American Tobacco group funded defined benefit schemes in which it participates. Therefore, under FRS17 the Company would not recognise any share of any surplus or deficit in respect of these schemes.

If FRS17 had been applied to the balance sheet as at 31 December 2001 there would have been no impact on shareholders' funds.

### **15 Parent support**
