			£(706)		£(1,793)

The directors consider that the company is entitled to exemption from the requirement to have an audit under the provisions of section 249A(1) of the Companies Act 1985. Members have not required the company, under section 249B(2) of the Companies Act 1985, to obtain an audit for the year ended 30th September 2007. The directors acknowledge their responsibilities for ensuring that the company keeps accounting records which comply with section 221 of the Companies Act 1985, and for preparing accounts which give a true and fair view of the state of affairs of the company as at 30th September 2007 and of its profit for the year then ended in accordance with the requirements of section 226A, and which otherwise comply with the requirements of the Act relating to the accounts so far as applicable to the company.

The accounts, which have been prepared in accordance with the special provisions of Part VII of the Companies Act 1985 applicable to small companies, were approved by the board on 9th July 2008 and signed on its behalf

Mrs S J Molloy
Director

The notes on pages 4 to 6 form part of these accounts

TWENTY-TWO LIMITEDNOTES TO THE ACCOUNTS FOR THE YEAR ENDED 30TH SEPTEMBER 20071) ACCOUNTING POLICIES1 1 **Basis of preparation of accounts**

The Accounts are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2007)

1 2 **Turnover**

Turnover comprises the invoiced value of services supplied by the company, net of value added tax

1 3 **Tangible fixed assets and depreciation**

Tangible fixed assets are stated at cost less depreciation

Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following basis

Plant and Machinery 33⅓% per annum reducing balance basis

1 4 **Stocks and Work in Progress**

Work in Progress is valued at the lower of cost and net realisable value

1 5 **Deferred taxation**

The charge for taxation takes into account taxation deferred as a result of timing differences between the treatment of certain items for taxation and accounting purposes. In general, deferred taxation is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date. However, deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Deferred taxation is measured on a non-discounted basis at the average tax rates that would apply when the timing differences are expected to reverse, based on tax rates and laws that have been enacted by the balance sheet date.
