#### STATEMENT OF DIRECTORS' RESPONSIBILITIES

Company law requires the Directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss for that year. In preparing those financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Directors are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent fraud and other irregularities.

# INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF VIKING POWER LIMITED

We have audited the Financial Statements on pages 5 to 13.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

#### Respective Responsibilities of Directors and Auditors

The Directors are responsible for preparing the Directors' report and, as described on page 3, the financial statements in accordance with applicable United Kingdom law and accounting standards. Our responsibilities, as independent auditors, are established in the United Kingdom by statute, the Auditing Practices Board and by our profession's ethical guidance.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding Directors' remuneration and transactions with the company is not disclosed.

#### Basis of audit opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the Financial Statements. It also includes an assessment of the significant estimates and judgements made by the Directors in the preparation of the Financial Statements, and of whether the accounting policies are appropriate to the Company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations necessary in order to provide us with sufficient evidence to give reasonable assurance that the Financial Statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the Financial Statements.

#### Opinion

In our opinion the accounts give a true and fair view of the state of the company's affairs as at 31 December 2003 and of its loss for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

#### NOTES TO THE FINANCIAL STATEMENTS

#### 1. ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the Company's Financial Statements.

## (a) Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards on the historical cost basis.

The financial statements have been prepared on the going concern basis, notwithstanding net liabilities of £5,868,678 which the directors believe to be appropriate for the following reasons. The company is dependent for its working capital on funds provided to it by Rolls-Royce Power Ventures Limited, the company's immediate holding undertaking. Rolls-Royce Power Ventures Limited has provided the company with an undertaking that for at least 12 months from the date of approval of these financial statements, it will continue to make available such funds as are needed by the company and in particular will not seek repayment of the amounts currently made available. This should enable the company to continue in operational existence for the foreseeable future by meeting its liabilities as they fall due for payment. As with any company placing reliance on other group entities for financial support, the directors acknowledge that there can be no certainty that this support will continue although, at the date of approval of these financial statements, they have no reason to believe that it will not do so.

Based on this undertaking the directors believe that it remains appropriate to prepare the financial statements on a going concern basis. The financial statements do not include any adjustments that would result from the basis of preparation being inappropriate.

# (b) Cost Capitalisation

Costs directly attributable to the construction of the plant have previously been included in tangible fixed assets. The costs were fully amortised in 2002.

#### (c) Depreciation

Fixed assets are depreciated on a straight line basis from the time that they are first brought into use as to write off their cost, less estimated residual value, on a monthly basis over the following years:

Fixtures and fittings – computer equipment Fixtures and fittings – other

Plant and Machinery

3 years

Over the length of the contract with a maximum of 20 years Over the length of the contract with a maximum of 20 years

While the plant is operating under a Supplemental Agreement the depreciation charge for plant and machinery is reduced by 50%.

## NOTES TO THE FINANCIAL STATEMENTS (continued)

# 1. ACCOUNTING POLICIES (continued)

#### (d) Taxation

Provision for taxation is made at the current rate and for deferred taxation at the projected rate on all timing differences which have originated, but not reversed at the balance sheet date.

#### 2. AUDIT FEE

Audit fees have been borne by Rolls-Royce Power Ventures Limited, the holder of 100 per cent of the Company's share capital.

## 3. EMOLUMENTS OF DIRECTORS

The Company paid no emoluments to the directors in respect of their services during the year.

| Charged agamst operating profit  | £    | £         |
| Asset impairment                 | -    | 6,751,478 |

An impairment provision of £6,751,478 was made in 2002 in respect of the power project, in light of an overall deterioration in the UK power market. The impairment to reduce the power project to its recoverable amount was based on a value in use calculation, using a pre tax discount rate of 10%. A similar impairment review was performed in 2003. It was concluded that no further impairment is required at this time.
