contractual counterparties in relation thereto) if not prohibited by the Loan Documents or where Required Creditor Consent has been obtained and the Collateral Agent shall promptly enter into such documentation and/or take such other action as is required by a Chargor in order to facilitate any such transaction, matter or other step, including by way of executing any confirmation, consent to dealing, release or other similar or equivalent document, provided that any costs and expenses incurred by the Collateral Agent (acting reasonably) entering into such documentation and/or taking such other action at the request of such Chargor pursuant to this paragraph shall be for the account of such Chargor, in accordance with the costs and expenses provisions set out in the Credit Agreement.

2 Covenant to Pay

Subject to any limits on its liability specified in the Loan Documents, each Chargor covenants, as primary obligor and not only as surety, with the Collateral Agent (for the benefit of itself and the other Secured Parties) that it will pay and discharge each of the Secured Obligations on their due date in accordance with the Loan Documents (or if they do not specify a time for payment, promptly on prior written demand of the Collateral Agent).

3 Charging Provisions

3.1 Fixed Security

Subject to Clause 3.5 (*Excluded Assets*), each Chargor, as continuing security for the payment of the Secured Obligations charges by way of first fixed charge with full title guarantee, in favour of the Collateral Agent (for the benefit of itself and the other Secured Parties) the following assets, both present and future, from time to time owned by it or in which it has an interest:

- (a) the Shares and all corresponding Related Rights; and
- (b) (if not effectively assigned by Clause 3.2 (*Security Assignment*)) all of its rights, title and interest from time to time in (and claims under) the Intra-Group Debt Documents and all Related Rights.

3.2 Security Assignment

Subject to Clause 3.5 (*Excluded Assets*) each Chargor, as continuing security for the payment of the Secured Obligations, assigns absolutely by way of security with full title guarantee to the Collateral Agent (for the benefit of itself and the other Secured Parties), all its rights, title and interest from time to time in and to (and claims under) the Intra-Group Debt Documents and all Related Rights, provided that on payment and discharge in full of the Secured Obligations the Collateral Agent will, at the request of the Borrower or the relevant Chargor, promptly re-assign the relevant Intra-Group Debt Documents to that Chargor (or as the Borrower or the relevant Chargor shall direct).

3.3 Floating Charge

- (a) Subject to Clause 3.5 (*Excluded Assets*), each Chargor as further continuing security for the payment of the Secured Obligations, charges, by way of first floating charge with full title guarantee, in favour of the Collateral Agent (for

the benefit of itself and the other Secured Parties) all its present and future assets and undertakings, including if not effectively charged under Clause 3.1 (*Fixed Security*) or assigned under Clause 3.2 (*Security Assignment*).

- (b) Paragraph 14 of Schedule B1 to the Insolvency Act 1986 shall apply to each floating charge created pursuant to this Debenture.

3.4 Conversion of a Floating Charge

- (a) The Collateral Agent may, by prior written notice to the relevant Chargor, convert the floating charge created under this Debenture into a fixed charge with immediate effect as regards those assets which it specifies in the notice, if:
 - (i) an Acceleration Event has occurred and is continuing;
 - (ii) it is necessary to do so in order to protect the priority of the Security created in favour of the Collateral Agent under this Debenture over any assets, where the relevant Chargor creates or purports to create Security over such assets, save where such Chargor is not prohibited from creating such Security under the Loan Documents or where the Collateral Agent has given prior written consent;
 - (iii) any relevant Chargor creates (or purports to create) any Security over such asset, other than to the extent not prohibited by the Loan Documents or where Required Creditor Consent has been obtained or with the prior consent of the Collateral Agent; or
 - (iv) the relevant Chargor is or is deemed to be or is declared for the purposes of any applicable law to be, unable to or admits its inability to pay its debts as they fall due, suspends making payments on any of its debts or, by reason of actual or anticipated financial difficulties, commences negotiations with its creditors generally or any class of them (other than the Secured Parties) for the rescheduling any of its financial indebtedness.
- (b) The floating charge created under this Debenture will automatically (without notice) and immediately be converted into a fixed charge over any asset charged under the floating charge created under this Debenture if:
 - (i) any third party levies or attempts to levy any distress, execution, attachment or other legal process against any asset secured by such floating charge (but only over those assets in relation to which that third party is levying or attempting to levy any distress, execution, attachment or other legal process); or
 - (ii) the appointment of an administrator, administrative receiver, liquidator or analogous appointment with respect to any Chargor.
- (c) The obtaining of a moratorium under section 1A of the Insolvency Act 1986, or anything done with a view to obtaining such a moratorium (including any preliminary decision or investigation), shall not be an event causing any floating charge created by this Debenture to crystallise or causing restrictions which

would not otherwise apply to be imposed as the disposal or property by the relevant Chargor or a ground for the appointment of the Receiver.

3.5 Excluded Assets

- (a) Unless otherwise expressly agreed in writing between the relevant Chargor and the Collateral Agent after the date on which it becomes a party to this Debenture, there shall be excluded from the relevant Security created by this Clause 3 (*Charging Provisions*), from the other provisions of this Debenture and from the operation of any further assurance provisions contained in the Loan Documents:
- (i) any asset or undertaking which a Chargor is at any time prohibited (whether conditionally or unconditionally) from creating the relevant Security on or over by reason of any legal requirement, contract, licence, lease, instrument, regulatory consent (including any agreement with any government or regulatory body) or other arrangement, in each case, with a third party (including any asset or undertaking which a Chargor is precluded from creating the relevant Security on or over without the prior consent of a third party, supervisory board or works council (or equivalent)) in each case to the extent of that prohibition and for so long as such prohibition is in existence or until consent has been received from the third party;
 - (ii) any asset or undertaking which, if subject to any of the relevant Security or the provisions of this Debenture, would give a third party the right to terminate or otherwise amend any rights, benefits and/or obligations of any member of the Group in respect of that asset or undertaking or require any member of the Group to take any action materially adverse to the interests of the Group or any member thereof, in each case to the extent of that prohibition and for so long as such prohibition is in existence or until the relevant consent or waiver has been received from the third party;
 - (iii) any asset or undertaking situated outside England and Wales;
 - (iv) any unregistered Real Property which, (A) if subject to any such Security, would be required to be registered under the Land Registration Act 2002 (provided that such Real Property shall only be excluded for so long as it remains unregistered), or (B) (except as otherwise agreed between the relevant Chargor and the Collateral Agent) is a leasehold property that has 25 years or less to run on the lease or has a rack-rent payable in respect thereof;
 - (v) any shares, ownership interests or investments in a joint venture or similar arrangement (or other minority interest investment), or any member of the Group which is (i) not wholly owned by another member or members of the Group or (ii) is not a wholly-owned Subsidiary;
 - (vi) any asset or undertaking subject to security in favour of a third party (other than in relation to security under general business conditions of

account banks which do not prohibit or prevent the creation of security over such accounts) or any cash constituting regulatory capital or customer cash;

- (vii) any asset or undertaking representing more than 65 per cent. of the total combined voting power of all classes of shares entitled to vote of (i) any “controlled foreign corporation” (as defined under section 957 of the Internal Revenue Code of 1986, as amended) (a “CFC”) that is directly owned for US federal income tax purposes by a US Person owned by a Chargor or (ii) any (A) US entity or (B) non-US entity that is treated as a disregarded entity for US federal income tax purposes, in each case that is owned by a US Person owned by a Chargor and has no material assets other than equity interests (or equity interests and indebtedness) of one or more CFCs; and
- (viii) any other asset excluded pursuant to the terms of the Agreed Security Principles,

provided that in the case of paragraphs (i) and (ii), (A) any such prohibition or right to terminate was not included at the request of or otherwise procured by the relevant Chargor or any other member of the Group following the date of this Debenture or, as the case may be, the date of such Chargor’s execution of a Security Accession Deed (as applicable) with the purpose of excluding that asset from the Security created by this Clause 3 (*Charging Provisions*) (B) each relevant Chargor shall use reasonable endeavours (for a period of not more than 20 Business Days and without incurring material costs or taking any action which adversely impacts relationships with third parties) to obtain consent to charging any such asset or undertaking (where otherwise prohibited) if the Collateral Agent specifies prior to the date of this Debenture or, as the case may be, the date of such Chargor’s execution of a Security Accession Deed (as applicable), that such asset or undertaking is material, and (C), if such prohibition or right to terminate is waived or otherwise ceases to apply, the Chargor agrees to take all steps required pursuant to Section 6.13 (*Further Assurances*) of the Credit Agreement such that the relevant asset is thereafter included in the Security created by this Clause 3 (*Charging Provisions*), but otherwise continuing to be subject to this Clause 3.5 (*Excluded Assets*).

- (b) If at any time a Chargor notifies the Collateral Agent that an asset being subject to the Security created by this Clause 3 (*Charging Provisions*) or any other provision of this Debenture has a material adverse effect on the ability of the relevant member of the Group to conduct its operations and business in the ordinary course as otherwise not prohibited by the Loan Documents or as otherwise excluded by virtue of this Clause 3.5 (*Excluded Assets*), the Collateral Agent shall promptly, at the request of the relevant Chargor, enter into such documentation as is required by that Chargor in order to release that asset from the Security created by this Clause 3 (*Charging Provisions*) and the other provisions of this Debenture, provided that any reasonable and documented out-of-pocket costs and expenses incurred by the Collateral Agent entering into such documentation at the request of such Chargor pursuant to this Clause 3.5 (*Excluded Assets*) shall be for the account of such Chargor (subject to Section 10.04 (*Attorney Costs and Expenses*) of the Credit Agreement). The Collateral

Agent is entitled to rely absolutely and without any further investigation on any such notification from a Chargor and is irrevocably authorised by each Secured Party to enter into such documentation.

4 Representations and Warranties

4.1 General

Each Chargor represents and warrants to the Collateral Agent and to each Secured Party as set out in this Clause 4 (*Representations and Warranties*), in the case of the Initial Chargors, on the date of this Debenture and, in the case of any Additional Chargor, on the date of the relevant Security Accession Deed.

5 Protection of Security

5.1 Intra-Group Debt Documents

If requested by the Collateral Agent at any time following the occurrence of an Acceleration Event which is continuing, each relevant Chargor shall promptly, upon prior written request by the Collateral Agent deliver to the Collateral Agent, and the Collateral Agent shall be entitled to hold, executed copies of each Intra-Group Debt Document to which such Chargor is a party at the date of such request and such other documents relating to the Intra-Group Debt Documents as the Collateral Agent requires and/or give notice to the other parties to the Intra-Group Debt Documents that it has assigned or charged its right under the relevant agreement to the Collateral Agent under this Debenture or Security Accession Deed (as applicable).

5.2 Acknowledgement of Intra-Group Debt Documents

By virtue of them being a party of this Debenture (whether as an Initial Chargor or by way of executing a Security Accession Deed as Additional Chargor), each Chargor shall be deemed to have notice of, and to have acknowledged, any assignment or other Security created under this Debenture (or any Security Accession Deed) over any Intra-Group Debt Documents pursuant to which any amounts or other obligations are owed to them by another Chargor.

5.3 Voting and Distribution Rights

- (a) Prior to the occurrence of an Acceleration Event which is continuing:
 - (i) each Chargor shall be entitled to receive and retain all dividends, distributions and other monies paid or payable on or derived from its Shares; and

- (ii) each Chargor shall be entitled to take all steps and exercise (or refrain from exercising) all rights, powers and discretion (including voting rights) attaching to its Shares and Related Rights and to deal with, receive, own and retain all assets and proceeds in relation thereto without restriction or condition.
- (b) The Collateral Agent may, at its discretion, following the occurrence of an Acceleration Event which is continuing, (in the name of each relevant Chargor or otherwise and without any further consent or authority from the relevant Chargor):
 - (i) exercise (or refrain from exercising) any voting rights in respect of any Shares (unless the Collateral Agent has notified the relevant Chargor in writing that it wishes to give up this right);
 - (ii) apply all dividends, interest and other monies arising from any Shares or Related Rights in accordance with Clause 10 (*Application of Proceeds*);
 - (iii) transfer any Shares into the name of such nominee(s) of the Collateral Agent as it shall require; and
 - (iv) exercise (or refrain from exercising) the powers and rights conferred on or exercisable by the legal or beneficial owner of any Shares (unless the Collateral Agent has notified the relevant Chargor in writing that it wishes to give up this right),
 - (v) in such manner and on such terms as is consistent with the Loan Documents, and the proceeds of any such action shall form part of the Charged Property.
- (c) The Collateral Agent shall not be entitled to exercise voting or any other rights or powers or take any action otherwise permitted under paragraph (b) above if and to the extent that, from time to time:
 - (i) a notifiable acquisition would, as a consequence, take place under section 6 of the National Security and Investment Act 2021 (the “NSIA”) and any regulations made under the NSIA; and
 - (ii) either:
 - (A) the Secretary of State has not approved that notifiable acquisition under and in accordance with the NSIA; or
 - (B) the Secretary of State has so approved that notifiable acquisition but there would, as a consequence, be a breach of the provisions of a final order made in relation to it under the NSIA,

provided that, for the avoidance of doubt, this paragraph (c) is for the benefit of the Collateral Agent only and the Collateral Agent shall be entitled to exercise rights under paragraph (b) above without obtaining any approvals under the NSIA, if it determines that it is not necessary or advisable to obtain the same.

- (d) Each Chargor will as soon as reasonably practicable after the date of this Debenture (or as the case may be, the date of its execution of a Security Accession Deed) and where Shares are acquired by it after the date of this Debenture or the date of such Security Accession Deed (as applicable) as soon as reasonably practicable after such acquisition, deposit with the Collateral Agent (or as it shall direct) all share certificates relating to the applicable Shares together with stock transfer forms executed in blank and left undated on the basis that the Collateral Agent shall be able to hold such certificates and stock transfer forms until the Secured Obligations have been paid in full and shall be entitled, at any time following the occurrence of an Acceleration Event which is continuing, to complete, under its power of attorney given in this Debenture, the stock transfer forms on behalf of the relevant Chargor in favour of itself or such other person as it shall select, provided that the Collateral Agent shall, at any time prior to an Acceleration Event, be obliged to return such share certificates on request of the relevant Chargor if required to effect a transaction, matter or other step not prohibited by the Loan Documents or in respect of which Required Creditor Consent has been obtained.
- (e) Notwithstanding the foregoing, any obligation under paragraph (d) above to deliver share certificates and other documents of title relating to Shares “as soon as reasonably practicable” will take into account the fact that related documents may have to be stamped following completion of an acquisition and “as soon as reasonably practicable” shall mean as soon as reasonably practicable after such related documents are returned to the relevant Chargor.

5.4 PSC Representation

Each Chargor represents and warrants to the Collateral Agent on the date of this Debenture that:

- (a) it has complied with any notice it has received from any member of the Group pursuant to part 21A of the Companies Act 2006 (including any timeframe specified in such notice) in respect of which it holds shares charged pursuant to this Debenture; and
- (b) if its shares constitute Charged Property, it has not issued any warning notice or restrictions notice under Schedule 1B of the Companies Act 2006 and no circumstances exist which entitle such Chargor to issue any such notice.

5.5 PSC Register

- (a) Each Chargor whose shares constitute Charged Property shall promptly upon prior written request by the Collateral Agent following an Event of Default which is continuing but prior to an Acceleration Event:
 - (i) notify the Collateral Agent if it has issued any warning notice or restrictions notice under Schedule 1B of the Companies Act 2006 in respect of its shares which constitute Charged Property which has not been withdrawn; and

- (ii) (if applicable) provide to the Collateral Agent a copy of any such warning notice or restrictions notice.
- (b) Each Chargor whose shares constitute Charged Property shall promptly following an Acceleration Event:
 - (i) notify the Collateral Agent of its intention to issue any warning notice or restrictions notice under Schedule 1B of the Companies Act 2006 in respect of its shares which constitute Charged Property; and
 - (ii) provide to the Collateral Agent a copy of any such warning notice or restrictions notice.
- (c) For the purpose of withdrawing any restrictions notice or for any application (or similar) to the court under Schedule 1B of the Companies Act 2006, in each case in connection with an enforcement of security under and in accordance with this Debenture, each Chargor shall provide such assistance as the Collateral Agent may request in respect of any shares which constitute Charged Property and provide the Collateral Agent with all information, documents and evidence that it may request in connection with the same.
- (d) Each Chargor shall comply with any notice served on it from any member of the Group pursuant to part 21A of the Companies Act 2006 (including any timeframe specified in such notice) in respect of which it holds shares charged pursuant to this Debenture.

6 Rights of Chargors

Notwithstanding anything to the contrary set out in this Debenture, until the occurrence of an Acceleration Event which is continuing (or such later date as provided by this Debenture or the Credit Agreement), each Chargor shall continue to:

- (a) have the sole right (i) to deal with any Charged Property (including making any disposal of or in relation thereto) and all contractual counterparties in respect thereof, and (ii) to amend, waive, terminate or allow to lapse (including agreeing to surrender or terminate any lease) any rights, benefits and/or obligations in respect of such Charged Property, in each case without reference to any Secured Party, other than to the extent agreed to be restricted pursuant to the Loan Documents (save where Required Creditor Consent has been obtained); and
- (b) have the sole right to operate and transact business in relation to any Charged Property, in each case other than to the extent agreed to be restricted pursuant to the Loan Documents (save where Required Creditor Consent has been obtained).

7 Continuing Security

7.1 Continuing Security

This Security shall remain in full force and effect as a continuing security for the Secured Obligations notwithstanding any intermediate payment, discharge, satisfaction

or settlement of all or any part of the Secured Obligations or any other act, matter or thing.

7.2 Other Security

This Security is to be cumulative, in addition to and independent of, and shall neither be merged into nor in any way exclude or prejudice or be affected by, any other Security or other right which the Collateral Agent and/or any other Secured Party may now or after the date of this Debenture or the date of a Security Accession Deed hold for any of the Secured Obligations and this Security may be enforced against each Chargor without first having recourse to any other rights of the Collateral Agent or any other Secured Party.

7.3 Negative Pledge

Each Chargor undertakes that it will not create or agree to create or permit to subsist any Security on its Charged Property except for the creation of Security or other transactions not prohibited under the Loan Documents or in respect of which Required Creditor Consent has been obtained.

8 Enforcement of Security

8.1 Enforcement Powers

For the purpose of all rights and powers implied or granted by statute, the Secured Obligations are deemed to have fallen due, in respect of the Initial Chargors, on the date of this Debenture, and, in respect of other Chargors, on the date of execution of the Security Accession Deed (the “**Relevant Date**”). The power of sale and other powers conferred by section 101 of the Law of Property Act 1925 and all other enforcement powers conferred by this Debenture shall arise on the Relevant Date and shall be immediately exercisable at any time after an Acceleration Event has occurred and is continuing when the Collateral Agent may, without notice to the relevant Chargor or prior authorisation from any court, in its absolute discretion, but at all times in accordance with the terms of the Loan Documents, enforce all or any part of that Security (at the times, in the manner and on the terms it thinks fit) and take possession of and hold or dispose of all or any part of the Charged Property.

8.2 Statutory Powers

The powers conferred on mortgagees, receivers or administrative receivers by the Law of Property Act 1925 and the Insolvency Act 1986 (as the case may be) shall apply to the Security created under this Debenture, unless they are expressly or impliedly excluded. If there is ambiguity or conflict between the powers contained in those Acts and those contained in this Debenture, those contained in this Debenture shall prevail.

8.3 Powers of Leasing

Following the occurrence of an Acceleration Event which is continuing, the Collateral Agent may lease, make agreements for leases at a premium or otherwise, accept surrenders of leases and grant options or vary or reduce any sum payable under any leases or tenancy agreements as it thinks fit, without the need to comply with any of the provisions of sections 99 and 100 of the Law of Property Act 1925.

8.4 Exercise of Powers

All or any of the powers conferred upon mortgagees by the Law of Property Act 1925 as varied or extended by this Debenture, and all or any of the rights and powers conferred by this Debenture on a Receiver (whether expressly or impliedly), may be exercised by the Collateral Agent without further notice to any Chargor at any time after an Acceleration Event has occurred and is continuing, irrespective of whether the Collateral Agent has taken possession or appointed a Receiver of the Charged Property.

8.5 Disapplication of Statutory Restrictions

The restriction on the consolidation of mortgages and on power of sale imposed by sections 93 and 103 respectively of the Law of Property Act 1925 shall not apply to the Security constituted by this Debenture.

8.6 Right of Appropriation

- (a) To the extent that any of the Charged Property constitutes “financial collateral” and this Debenture and the obligations of the Chargors hereunder constitute a “security financial collateral arrangement” (in each case as defined in, and for the purposes of, the Financial Collateral Arrangements (No. 2) Regulations 2003 (SI 2003 No. 3226) (the “**Regulations**”)), the Collateral Agent shall upon giving prior written notice to the relevant Chargor at any time following the occurrence of an Acceleration Event which is continuing have the right to appropriate all or any part of such financial collateral in or towards discharge of the Secured Obligations. For this purpose, the parties agree that the value of such financial collateral so appropriated shall be (a) in the case of cash, the amount standing to the credit of each of the Bank Accounts, together with any accrued but unposted interest, at the time the right of appropriation is exercised and (b) in the case of Shares, the market price of such Shares determined by the Collateral Agent (acting reasonably) by reference to a public index or by a fair valuation opinion provided by an independent reputable, internationally recognised third party firm of professional advisors, and (c) in the case of any other asset, the market value of such financial collateral as determined by the Collateral Agent (acting reasonably), including by way of an independent valuation. In each case, the parties agree that the method of valuation provided for in this Debenture shall constitute a commercially reasonable method of valuation for the purposes of the Regulations.
- (b) Where the Collateral Agent exercises its rights of appropriation and the value of the financial collateral appropriated in accordance with this Clause 8.6 (*Right of Appropriation*) (differs from the amount of the Secured Obligations, either (i) the Collateral Agent must account to the relevant Chargor promptly upon the determination of such value for the amount by which the value of the appropriated financial collateral exceeds the Secured Obligations, or (ii) the relevant Chargor will remain liable to the Secured Parties for any amount by which the value of the appropriate financial collateral is less than the Secured Obligations.

9 Receivers

9.1 Appointment of Receiver or Administrator

- (a) Subject to paragraph (c) below, at any time after an Acceleration Event has occurred and is continuing, or if so requested by the relevant Chargor, the Collateral Agent may by writing under hand signed by any officer or manager of the Collateral Agent, appoint:
 - (i) any person (or persons) to be a Receiver of all or any part of the Charged Property;
 - (ii) appoint two or more Receivers of separate parts of the Charged Property;
 - (iii) remove (so far as it is lawfully able) any Receiver so appointed;
 - (iv) appoint another person(s) as an additional or replacement Receiver(s); or
 - (v) appoint one or more persons to be an administrator of the relevant Chargor.
- (b) Section 109(1) of the Law of Property Act 1925 shall not apply to this Debenture.
- (c) Paragraph 14 of Schedule B1 to the Insolvency Act 1986 shall apply to the floating charge created by this Debenture.
- (d) At any time after an Acceleration Event has occurred and is continuing, the Collateral Agent shall be entitled to appoint a Receiver save to the extent prohibited by section 72A of the Insolvency Act 1986.

9.2 Powers of Receiver

Every Receiver shall (subject to any restrictions in the instrument appointing him but notwithstanding any winding-up or dissolution of any Chargor) have and be entitled to exercise, in relation to the Charged Property (and any assets of any Chargor which, when got in, would be Charged Property) in respect of which he was appointed, and as varied and extended by the provisions of this Debenture (in the name of or on behalf of the relevant Chargor or in his own name and, in each case, at the cost of that Chargor):

- (a) all the powers conferred by the Law of Property Act 1925 on mortgagors and on mortgagees in possession and on receivers appointed under that Act;
- (b) all the powers of an administrative receiver set out in Schedule 1 to the Insolvency Act 1986 (whether or not the Receiver is an administrative receiver);
- (c) all the powers and rights of an absolute owner and power to do or omit to do anything which the relevant Chargor itself could do or omit to do; and
- (d) the power to do all things (including bringing or defending proceedings in the name or on behalf of the relevant Chargor) which seem to the Receiver to be

incidental or conducive to (i) any of the functions, powers, authorities or discretions conferred on or vested in him or (ii) the exercise of all rights, powers and remedies of the Collateral Agent under this Debenture (including realisation of all or any part of the Charged Property) or (iii) bringing to his hands any assets of the relevant Chargor forming part of, or which when obtained would be, Charged Property.

9.3 Receiver as Agent

Each Receiver appointed under this Debenture shall be the agent of the relevant Chargor, which shall be solely responsible for his acts or defaults, and for his remuneration and expenses, and be liable on any agreements or engagements made or entered into by him. The Collateral Agent will not be responsible for any misconduct, negligence or default of a Receiver.

9.4 Removal of Receiver

The Collateral Agent may by prior written notice remove from time to time any Receiver appointed by it (subject to the provisions of section 45 of the Insolvency Act 1986 in the case of an administrative receivership) and, whenever it may deem appropriate, appoint a new Receiver in the place of any Receiver whose appointment has terminated, for whatever reason.

9.5 Remuneration of Receiver

The Collateral Agent may from time to time fix the remuneration of any Receiver appointed by it.

9.6 Several Receivers

If at any time there is more than one Receiver, each Receiver may separately exercise all of the powers conferred by this Debenture (unless the document appointing such Receiver states otherwise).

10 Application of Proceeds

10.1 Order of Application

All moneys received or recovered by the Collateral Agent or any Receiver pursuant to this Debenture shall (subject to the claims of any person having prior rights thereto) be applied in the order and manner specified by the Credit Agreement notwithstanding any purported appropriation by any Chargor.

10.2 Section 109 Law of Property Act 1925

Sections 109(6) and (8) of the Law of Property Act 1925 shall not apply to a Receiver appointed under this Debenture.

10.3 Suspense Account

- (a) Following the occurrence of an Acceleration Event which is continuing, each Secured Party may place and keep any recoveries or other proceeds of

enforcement (whether cash or noncash) received or recovered pursuant to this Debenture or otherwise on account of the Chargor's liability in respect of the Secured Obligations in one or more suspense accounts (bearing interest at a market rate usual for accounts of that type) (in the name of either the Chargor or the Secured Party) with such financial institution (including itself) and for so long as the Secured Party shall think fit (the interest being credited to the relevant account), without having any obligation to apply all or any part of the same in or towards discharge of the Secured Obligations.

- (b) If the Security under this Debenture is enforced at a time when no amount is due under the Loan Documents, but a Secured Party reasonably considers that such amounts may or will become due in the future, that Secured Party may pay any recoveries or other proceeds of enforcement (whether cash or noncash) into a suspense account as provided in sub-clause (a) above.

10.4 Application against Secured Obligations

Subject to Clause 10.1 (*Order of Application*) above, any moneys or other value received or realised by the Collateral Agent from a Chargor or a Receiver under this Debenture may be applied by the Collateral Agent to any item of account or liability or transaction forming part of the Secured Obligations to which they may be applicable in any order or manner which the Collateral Agent may determine.

11 Protection of Collateral Agent and Receiver

11.1 No Liability

Neither the Collateral Agent nor any Receiver shall be liable in respect of any of the Charged Property or for any loss or damage which arises out of the exercise or the attempted or purported exercise of, or the failure to exercise any of, their respective powers, unless caused by its or his fraud, gross negligence or wilful misconduct.

11.2 Possession of Charged Property

Without prejudice to Clause 11.1 (*No Liability*) above, if the Collateral Agent or the Receiver enters into possession of the Charged Property, it will not be liable to account as mortgagee in possession in respect of all or any part of the Charged Property or be liable for any loss upon realisation or for any neglect, default or omission in connection with the Charged Property to which a mortgagee or mortgagee in possession might otherwise be liable and may at any time at its discretion go out of such possession.

11.3 Delegation

Without prejudice to the rights to and limitations on delegation by the Collateral Agent permitted under the Loan Documents, following an Acceleration Event which is continuing and subject to the terms of the Loan Documents, the Collateral Agent may delegate by power of attorney or in any other manner all or any of the powers, authorities and discretions which are for the time being exercisable by it under this Debenture to any person or persons upon such terms and conditions (including the power to sub delegate) as it may reasonably and in good faith think fit and the Collateral Agent may, subject to the terms of the Loan Documents, pass confidential information to any such delegate. The Collateral Agent will not be liable or responsible to any Chargor or any other person for any losses arising from any act, default, omission or misconduct on the part of any delegate.

11.4 Cumulative Powers

The powers which this Debenture confers on the Collateral Agent, the other Secured Parties and any Receiver appointed under this Debenture are cumulative, without prejudice to their respective powers under the general law, and may be exercised as often as the relevant person thinks appropriate. The Collateral Agent, the other Secured Parties or the Receiver may, in connection with the exercise of their powers, join or concur with any person in any transaction, scheme or arrangement whatsoever. The respective powers of the Collateral Agent, the other Secured Parties and the Receiver will in no circumstances be suspended, waived or otherwise prejudiced by anything other than an express consent or amendment.

12 Power of Attorney

Each Chargor, by way of security, on the date of this Debenture (or, as the case may be, the date of its execution of a Security Accession Deed), irrevocably and severally appoints the Collateral Agent, each Receiver and any person nominated for the purpose by the Collateral Agent or any Receiver as its attorney (with full power of substitution and delegation) in its name and on its behalf and as its act and deed at any time after the occurrence of an Acceleration Event which is continuing to execute, seal and deliver (using the company seal where appropriate) and otherwise perfect and do any deed, assurance, agreement, instrument, act or thing which is expressly required to execute and do under the terms of this Debenture, and which it has not done within a reasonable period of time or which may be required to enable the exercise of any rights or powers conferred on the Collateral Agent or any Receiver under this Debenture or by law or otherwise for any of the purposes of this Debenture, and each Chargor covenants with the Collateral Agent and each Receiver to ratify and confirm all such acts or things made, done or executed (or purported to be made, done or executed) by that attorney.

13 Protection for Third Parties

13.1 No Obligation to Enquire

No purchaser from, or other person dealing with, the Collateral Agent or any Receiver (or their agents) shall be obliged or concerned to enquire whether:

- (a) the right of the Collateral Agent or any Receiver to exercise any of the powers conferred by this Debenture has arisen or become exercisable or as to the propriety or validity of the exercise or purported exercise of any such powers; or
- (b) any of the Secured Obligations remain outstanding and/or are due and payable or be concerned with notice to the contrary and the title and position of such a purchaser or other person shall not be impeachable by reference to any of those matters.

13.2 Receipt Conclusive

The receipt of the Collateral Agent or any Receiver shall be an absolute and a conclusive discharge to a purchaser, and shall relieve him of any obligation to see to the application of any moneys paid to or by the direction of the Collateral Agent or any Receiver.

14 Deferral of Chargor rights

Until such time as the Secured Obligations have been discharged in full, no Chargor will exercise any rights which it may have by reason of performance by it of its obligations under this Debenture:

- (a) to be indemnified by any Loan Party;
- (b) to claim any contribution from any guarantor of any Loan Party's obligations under this Debenture; and/or
- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Secured Parties under the Credit Agreement or of any other guarantee or Security taken pursuant to, or in connection with, this Debenture by any Secured Parties.

15 Discharge Conditional

If any settlement, discharge or release is made by a Secured Party in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in insolvency, liquidation, administration or otherwise, without limitation, then the liability of each Chargor under this Debenture will continue or be reinstated as if the settlement, discharge or release had not occurred and any Security the subject of the discharge will continue or be reinstated as if that settlement, discharge or release had not occurred.

16 Covenant to Release

(i) Once all the Secured Obligations (other than contingent indemnification obligations not yet due and payable, Cash Management Obligations and Secured Hedge Agreements or any Letter of Credit remaining outstanding) have irrevocably been paid in full and none of the Collateral Agent nor any other Secured Party has any actual or contingent liability to advance further monies to or incur any liability on behalf of any Chargor or any other Loan Party under the Loan Documents; (ii) automatically as contemplated or required by Section 9.11 (*Collateral and Guaranty Matters*) of the

Credit Agreement; or (iii) as otherwise permitted or not prohibited under the Credit Agreement, the Collateral Agent shall in each case, at the request and cost of any Chargor, promptly take any action including preparing and delivering all documents and instruments (including any termination or release letter or deed), revoking any powers of attorney and performing all acts or deeds (including returning title documents, share certificates, related stock transfer forms and any other document belonging to the Chargors) which are, in each case, necessary or otherwise requested by the Chargors (acting reasonably) to release or re-assign the Charged Property from the Security constituted by this Debenture and take all other actions and steps contemplated by the Credit Agreement in relation to the release of any Security contemplated by this Debenture.

17 Set-off

The Collateral Agent may, to the extent permitted under the Loan Documents at any time while a Acceleration Event is continuing, upon prior written notice to the relevant Chargor, set off any matured obligation due from that Chargor under the Loan Documents (to the extent beneficially owned by the Collateral Agent) against any matured obligation owed by the Collateral Agent to that Chargor, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the Collateral Agent may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set off.

18 Ruling Off

If the Collateral Agent or any other Secured Party receives notice or is deemed to have received notice of any subsequent Security or other interest affecting all or any part of the Charged Property or any assignment or transfer of the Charged Property (in each case, except as permitted by the Loan Documents or where Required Creditor Consent has been obtained) it may open a new account for the relevant Chargor in its books. If it does not do so then (unless it gives express notice in writing to the contrary to the relevant Chargor), as from the time it receives that notice, all payments made by or on behalf of the relevant Chargor to it (in the absence of any express appropriation to the contrary) shall be treated as having been credited to a new account of the relevant Chargor and not as having been applied in reduction of the Secured Obligations as at the time the relevant notice was received or deemed to have been received.

19 Redemption of Prior Charges

The Collateral Agent may, at any time after an Acceleration Event has occurred and is continuing, redeem any prior Security on or relating to any of the Charged Property or procure the transfer of that Security to itself, and may settle and pass the accounts of any person entitled to that prior Security. Any account so settled and passed shall (subject to any manifest error) be conclusive and binding on the relevant Chargor. The relevant Chargor will, upon a demand made in writing to it, pay to the Collateral Agent all principal monies and interest and all losses incidental to any such redemption or transfer.

20 Changes to Parties

20.1 Assignment by the Collateral Agent

The Collateral Agent may at any time assign or otherwise transfer all or any part of its rights and obligations under this Debenture in accordance with the Loan Documents. Subject to the terms of the Loan Documents, the Collateral Agent shall be entitled to disclose such information concerning each Chargor and this Debenture as the Collateral Agent considers appropriate to any actual or proposed direct or indirect successor or to any person to whom information may be required to be disclosed by any applicable law. None of the rights and obligations of any Chargor under this Debenture shall be capable of being assigned or transferred.

20.2 Changes to Parties

Each Chargor authorises and agrees to changes to parties under Section 10.07 (*Successors and Assigns*) of the Credit Agreement and authorises the Collateral Agent to execute on its behalf any document required to effect the necessary transfer of rights or obligations contemplated by those provisions.

20.3 Consent of Chargors

Each Chargor consents to other members of the Group becoming Chargors by way of execution of a Security Accession Deed and each Chargor irrevocably appoints Trintech (UK) Limited as its agent for the purpose of executing any Security Accession Deed on its behalf.

21 Miscellaneous

21.1 Certificates Conclusive

A certificate or determination of the Collateral Agent as to any amount payable under this Debenture will be conclusive and binding on each Chargor, except in the case of manifest error.

21.2 Counterparts

This Debenture may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this Debenture.

21.3 Invalidity of any Provision

If any provision of this Debenture is or becomes invalid, illegal or unenforceable in any respect under any law, the validity, legality and enforceability of the remaining provisions shall not be affected or impaired in any way.

21.4 Failure to Execute

Failure by one or more parties (“**Non Signatories**”) to execute this Debenture on the date hereof or the date of the Security Accession Deed will not invalidate the provisions of this Debenture as between the other parties who do execute this Debenture. Such Non Signatories may execute this Debenture on a subsequent date and will thereupon become bound by its provisions.

22 Notices

- 22.1 Save as otherwise expressly provided in this Debenture, any notice, demand or other communication required or permitted to be given or made under or in connection with the Debenture shall be made in accordance with Section 10.02 (*Notices and Other Communications; Facsimile Copies*) of the Credit Agreement.

23 Governing Law and Jurisdiction

23.1 Governing Law

This Debenture and any non-contractual obligations arising out of or in connection with it are governed by English law.

23.2 Jurisdiction

The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Debenture (including a dispute relating to the existence, validity or termination of this Debenture or the consequences of its nullity or any non-contractual obligation arising out of or in connection with this Debenture (a “**Dispute**”)).

23.3 Convenient Forum

The parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes between them and, accordingly, that they will not argue to the contrary.

In witness whereof this Debenture has been duly executed and delivered as a deed by each Chargor and signed by the Collateral Agent, on the date first above written.
