5. CREATION OF FLOATING CHARGE

5.1 Each New Chargor, with full title guarantee, charges to the Security Agent as security for the payment or discharge of all Secured Sums, by way of floating charge:

- (a) all its Assets, except to the extent that such Assets are for the time being effectively assigned by way of security by virtue of Clause 3 (*Assignments*) or charged by any fixed charge contained in Clause 4 (*Fixed security*), including any

Assets comprised within a charge which is reconverted under Clause 4.4 (*Reconversion*) of the Principal Deed; and

- (b) without exception, all its Assets in so far as they are for the time being situated in Scotland,

but in each case so that such New Chargor shall not create any Security over any such Asset (whether having priority over, or ranking *pari passu* with or subject to, this floating charge) or take any other step referred to in Clause 6 (*Negative pledge and other restrictions*) with respect to any such Asset, and such New Chargor shall not, without the consent of the Security Agent, sell, transfer, part with or dispose of any such Asset (except by way of sale in the ordinary course of its business to the extent that such action is not otherwise prohibited by any Finance Document).

5.2 Lessor's consents:

- (a) Each New Chargor shall use all reasonable endeavours (including using reasonable costs and expenses) to obtain any lessor's consent required for the creation of the charges envisaged by (a), (b) and (c)(i) of Clause 4.2 (*Fixed Security*) over all leasehold land with a term of 25 years or more to run as soon as possible (including in relation to the Floating Charge Properties), keep the Security Agent informed of the progress of its negotiations with the lessor and provide the Security Agent with a copy of each consent immediately after its receipt.
- (b) If, notwithstanding paragraph (a) above, such lessor's consent cannot be obtained in relation to any leasehold interest, that interest shall be subject to a floating charge under Clause 5 (*Creation of a floating charge*) and shall be designated as a Floating Charge Property until such lessor's consent has been obtained, at which point that interest shall no longer be designated as a Floating Charge Property but shall instead be subject to a charge under Clause 4.2 (a), (b), (c)(i) or (c)(ii) (*Fixed security*) as appropriate.
- (c) If any charge created in paragraphs (a), (b) and (c)(i) and c(ii) of Clause 4.2 (*Fixed security*) or Clause 5 (*Creation of a floating charge*) breaches the terms of any lease under which the relevant New Chargor holds any leasehold property, such breach shall not in turn constitute a breach of any of the representations and warranties given by any Chargor in the Finance Documents.
- (d) If, despite the relevant New Chargor's endeavours under paragraph (a) of this Clause 5.2 any lessor of any leasehold property takes, or threatens to take, proceedings for forfeiture of a lease on the grounds that its consent had not been obtained to the creation of a charge over that leasehold interest in this Debenture, the Security Agent will (if so requested by such New Chargor) release the floating security constituted by this Deed over that lease.

- 5.3 The parties agree (without limitation to the general nature of each New Chargor's accession to the Principal Deed contained in Clause 2) that the crystallisation provisions contained in Clause 4 of the Principal Deed shall equally apply to the floating charge contained in this Deed as if set out in full in this Deed.

6. NEGATIVE PLEDGE AND OTHER RESTRICTIONS

Each New Chargor shall not, without the prior written consent of the Security Agent (and with the exception of Permitted Security):

7. RIGHT OF APPROPRIATION

- (b) in the case of financial instruments or other financial collateral, their market value at the time of appropriation as determined (after appropriation) by the Security Agent acting reasonably by reference to a public index or other applicable generally recognised source or such other process as the Security Agent acting reasonably may select, including an independent valuation carried out by an independent firm of accountants or valuers appointed by the Security Agent,

as converted, where necessary, into sterling at a market rate of exchange prevailing at the time of appropriation selected by the Security Agent.

7.4 The Security Agent will account to the New Chargor for any amount by which the value of the appropriated Assets exceeds the Secured Sums then due and the New Chargor shall remain liable to the Security Agent for any amount by which the value of the appropriated Assets is less than the Secured Sums then due.

7.5 Each New Chargor agrees that (i) all Assets referred to in Clause 6.2 have been delivered, transferred, held, registered or otherwise designated so as to be in the possession or under the control of the Security Agent or a person acting on its behalf; and (ii) the method of valuing such Assets under Clause 7.3 is commercially reasonable.

8. APPLICATION TO THE LAND REGISTRY

Each New Chargor:

- (a) in relation to each register of title of any present and future Land of such New Chargor which is charged to the Security Agent under this Deed, consents to the Security Agent (or its solicitors) at any time.

(ii) submitting a Form AN1 (*application to enter an agreed notice*) in respect of the security created by this Deed

(iii) submitting a Form RX1 (*application to register a restriction*) in the following terms:

"No disposition of the registered estate by the proprietor of the registered estate is to be registered without a written consent signed by the proprietor for the time being of the charge dated [date] in favour of [Chargee] referred to on the charges register or their conveyancer."; and

(iv) submitting a Form CH2 (*application to enter an obligation to make further advances*); and
