The declaration of solvency, sworn by the directors prior to the commencement of the liquidation, showed neither assets nor liabilities.

The Company had no known creditors. A notice to creditors to prove their claims in the liquidation was advertised in the London Gazette on 19 September 2017. No creditors were forthcoming as a result of this advertisement.

## Tax

The Company's tax advisors advised that the Company had dormant corporation tax status. Following their appointment, the Joint Liquidators sought and received confirmation from HM Revenue and Customs ("HMRC") that the Company had no outstanding corporation tax returns or liabilities, that it would not raise enquiries into any pre or post liquidation periods and that it had no objection to the Liquidators proceeding to finalise the liquidation.

A similar assurance was sought and received from HMRC in respect of PAYE and VAT matters.

## Distributions

There are no assets available for distribution to shareholders.

## Closure

The only matter preventing the closure of the liquidation is the positive land registry search which was identified upon appointment. This is currently undergoing investigation. The Liquidators' will proceed to conclude the liquidation once the issue has been addressed.

### **Joint Liquidators' remuneration and expenses**

A written resolution was passed on 5 September 2017 that the remuneration of the Joint Liquidators be fixed at their normal charging rates according to the time properly spent by them and members of their staff in attending to matters arising in the winding up of the Company.

No fees have been drawn during the period of this report. The fees will be paid by another third party.
