#### REPORT OF THE BOARD OF TRUSTEES

The Board of Trustees presents its annual report and the audited financial statements for the year ended 31 March 2017 which are also prepared to meet the requirements for a directors' report and financial statements for Companies Act purposes.

Reference and administrative information set out on page 1 forms part of this report. The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

#### Structure, governance and management

#### Governing document

The charity is a company limited by guarantee, not having a share capital and is also registered with the Charity Commission. It is governed by its memorandum of association (last revised 25 April 2012) and articles of association (last revised 5 November 2014) and in the event of the charity being wound up, the maximum liability of each member is £5.

#### Appointment of trustees

Members of the Board of Trustees are elected by the Board of Trustees following a recruitment process of application and interview. Trustees are all company directors for the purposes of company law. Members of the Board of Trustees elect from amongst their own number a chair, and treasurer.

#### Induction and training of trustees

Members of the Board of Trustees receive an induction covering key areas of governance, finance, services, quality and people. Key documents are supplied to each trustee. Ongoing training is offered to support individual trustees as required.

#### Organisation

The charity is governed by the Board of Trustees who meet approximately six times per annum. The Chief Executive has day to day responsibility for the operations of the charity.

There are sub-committees of trustees and staff which meet as required to review priority areas.

Training and development continue to be a priority. Mandatory training takes place in house for care staff. Nearly all direct care staff have undertaken NVQ 2 and NVQ 3 training, with managers undertaking NVQ 4 and NVQ 5 or specialist training.

The Board of Trustees recognises and values the support of both its staff and volunteers.

#### Relationships with other charities and organisations

The charity is a network partner of Carers Trust, the largest UK wide carers charity, which works with networks partners across the UK to provide hands on practical support to carers in their communities. The charity works within a national Carers Trust framework of policies, procedures and guidance.

Gateshead Crossroads Caring for Carers works in partnership with statutory bodies and other grant and trust making bodies such as Gateshead Council, Newcastle Gateshead Clinical Commissioning Group and the Big Lottery Fund.

The charity is also committed to close collaboration with other agencies to provide direct services and to campaign and advocate for continued community development for carers and vulnerable people.

#### REPORT OF THE BOARD OF TRUSTEES

#### Risk management

The Board of Trustees actively reviews the potential risks faced by the charity and the systems that have been established to mitigate those risks. This includes the establishment of a risk register, which is reviewed on an annual basis by the Board of Trustees. During the year, the charity has continued to examine operational and business risks and CROQUET, Crossroads Quality Evaluation Tool, ensures good practice is achieved and maintained. In November 2015 the charity was assessed and compliant with the ISO9001 quality mark.

Gateshead Crossroads Caring for Carers operates within a quality assurance framework and complies with standards of care described in the National Care Standards Regulations. It is a registered provider with the Care Quality Commission, and in the most recent inspection in December 2014 was assessed as overall "Good" in all five areas that were inspected.

#### Objectives and activities

Gateshead Crossroads Caring for Carers aims to relieve the stresses experienced by carers and beneficiaries. The area of benefit is the Borough of Gateshead, Tyne & Wear and surrounding areas.

The charity is committed to providing services which are of high quality, by well qualified and managed staff in a manner which is specific to the needs of carers and provided in a responsive, flexible and timely manner. This is achieved through the provision of a Care Service, Young Carers Service and Community Services. A key overall aim is to improve the lives of carers.

In setting the objectives for the year and planning the charity's activities, the Board of Trustees has considered the Charities Commission's guidance on public benefit.

The main areas of activity during the year included the expansion of the charity's services and the further development of the care centre and the residential short break facility of Kites Rise. These activities are described more fully in the achievements and performance section below.

#### Achievements and performance

Carers Trust Tyne and Wear, continues to work hard to improve the lives of carers. We are constantly looking at new and innovative ideas to achieve this, as well as delivering our already very successful services for carers of all ages.

The Care Service provided 40,767 hours of care to 214 carers in 2016 - 2017 across a variety of contracts covering a diverse range of age and disability. Care was provided in the home, the local community, at our daybreak facility at The Old School Care Centre and at Kites Rise, our short break house. The number of referrals requesting care support remained the same as in 2015-2016 but there has been a notable increase in self / family referrals and reduction in health referrals.

The use of Kites Rise by Young Adults with learning disabilities has again been a resounding success for the young people, carers, staff and Carers Trust Tyne & Wear. Kites Rise was utilised for 62 nights, by the care service, providing short breaks to 14 young adults with learning disabilities. Bridge the gap, the summer provision for this client group to support carers during July and August, accessed via direct payments this year proved financially viable.

The Young Carers Service supported 889 young carers aged 5 to 25 years during the financial period with the number of new referrals still rising.

#### REPORT OF THE BOARD OF TRUSTEES

# Achievements and performance (continued)

690 young carers benefited from our social activity/education programme which included 77 leisure activities and 12 overnight respite breaks. 76 issue based workshops were delivered which focussed on improving physical and mental health.

The counselling service and 1:1 emotional support services has continued to develop and we are now receiving referrals from schools and social services. 224 young carers were referred for and received 1:1 emotional support and 57 young carers had a series intensive counselling sessions.

We have extended the school drop in scheme to a further 2 secondary schools in Gateshead and continue to support schools involved in the national Young Carers in Schools Programme.

The Young Carers Buddy Project (33 members) and Expert Panels (43 members) remain an integral piece of work within the service to encourage and uphold participation and increased confidence and skills.

Links have been strengthened with the statutory sectors; a 'Carer Awareness' training coproduction between Carers Trust Tyne & Wear and NTW continues to increase awareness of the organisation as well as the issues surrounding carers; referrals have increased as a result. A presence on the Patient, User, Carer, Public Involvement meeting and Local Engagement Board engagement has also forged closer links with Health and Social care professionals.

The Community Team continue to be been actively involved in shaping the future of mental health services in the area and now have a presence on the Board of ReCoCo (Recovery College Collective) which aims to promote mental health recovery in both Newcastle and Gateshead. Links have been forged with in-patient services with a presence on the wards on a regular basis.

The adult Take a Break service received 557 referrals and delivered 456 funded breaks for carers in 2016-2017.

The service continued partnership work with Age UK Gateshead and Gateshead Advice Partnership to provide valuable benefits advice and support to carers and those they care for throughout the Gateshead area, including support and advice up to appeal tribunal level. 139 new referrals were received and 94% of those who responded to the annual survey reported that they felt more financially secure, had more choices and more aware of their rights.

Mental health carer support workers continued to support carers who support those who have mental ill health. The team received 75 new referrals and delivered positive outcomes with 98% of carers stating that the service met their individual needs and 100% more able to cope with their caring role.

The community information and advice service worked in the community to provide support and advice on housing, health, education, training and work related benefits. The service received 86 new referrals as well as supporting existing service users.

Charity Log ensures accountability and that priorities are well managed and work is evidenced to a high standard.

The charity has sought to build capacity through volunteer and community involvement and corporate support during 2016-2017 and this is a growing area of development. Volunteers supported a number of raising awareness and fundraising events throughout the year including during Carers Week 2016.

#### REPORT OF THE BOARD OF TRUSTEES

#### Financial review

The principal funding sources for the charity are contract income and grants from Gateshead Council, Newcastle Gateshead Clinical Commissioning Group and the Big Lottery Fund.

Overall activity levels were similar to last year and resulted in a surplus for the year of £121,391 (2016: £5,000) as shown in the statement of financial activities on page 8.

# Reserves policy

The Board of Trustees has established a policy whereby the charity holds unrestricted income funds not invested in tangible fixed assets in a General Fund as reserves. The trustees consider that the minimum level of the reserves should be equivalent to two month's operating costs, which is approximately £250,000.

Reserves are needed to fund the charity's working capital requirements, to meet existing financial commitments not covered by future income and to enable the charity to take advantage of development opportunities in advance of available funding.

At the balance sheet date the level of reserves stood at £185,996 (2016: £78,953). The trustees have reviewed both the reserves policy and the actual level of reserves at 31 March 2017. Although they are satisfied that the reserves are adequate, they are currently considering ways in which the amount could be increased towards the target levels.

#### Plans for future periods

Our future plans will involve us developing a more streamlined management structure, following a recent organisation review, we will be implementing a new management structure with an emphasis on creating opportunities for business development and expansion of our current service base, both in geographical terms and in what we will deliver. We will also implement our new three-year business strategy which sets out how we will do this, in this climate of competition and austerity we need to be a leaner more competitive organisation if we are to survive.

We will be bidding for the new carer's contract that will be put out to tender in the autumn of 2017, with a view to being the lead provider of services to all age carers in Gateshead. We will also be looking for opportunities to bid for other work that is in line with our ethos and charitable aims, to broaden our income base and to become financially sustainable. We will be bidding for a consultant to help us with our aspirations to demonstrate what our social impact is, and to enhance the governance of the organisation.

We will also be delivering to carers of all ages services of a high quality, and will strive to reach those carers who do not yet receive any support from us, in order to do this we will maintain and improve our profile to the external world and will maintain and improve relationships with commissioners and external stakeholders.

#### REPORT OF THE BOARD OF TRUSTEES

# Responsibilities of the Board of Trustees in relation to the financial statements

The trustees (who are also the directors of Gateshead Crossroads Caring for Carers for the purposes of company law) are responsible for preparing the report of the Board of Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Board of Trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing these financial statements, the Board of Trustees is required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Board of Trustees is responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable it to ensure that the financial statements comply with the Companies Act 2006. It is also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the Board of Trustees is aware:

- there is no relevant audit information of which the company's auditors are unaware; and
- the Board of Trustees has taken all the steps that it ought to have taken to make itself aware of any relevant audit information and to establish that the auditors are aware of that information.

#### Small company provisions

This report has been prepared in accordance with the special provisions for small companies under Part 15 of the Companies Act 2006.

On behalf of the Board of Trustees

Mr R A Smith Chairperson

5 July 2017

#### INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF

#### GATESHEAD CROSSROADS CARING FOR CARERS

We have audited the financial statements of Gateshead Crossroads Caring for Carers for the year ended 31 March 2017 which comprise the statement of financial activities, including the income and expenditure account, the balance sheet, the statement of cash flows and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

#### Respective responsibilities of the trustees and the auditors

As explained more fully in the statement of responsibilities of the Board of Trustees, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

We have been appointed as auditor under the Companies Act 2006 and report in accordance with that Act.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

#### Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the charitable company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the Board of Trustees, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the report of the Board of Trustees to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

#### Opinion on the financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2017, and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
   and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the report of the Board of Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements. In addition, in light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we are required to report if we have identified any material misstatements in the trustees' report. We have nothing to report in this respect.

#### Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the Board of Trustees was not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemption in preparing the report of the Board of Trustees.

David Gold BA FCA, Senior Statutory Auditor For and behalf of Joseph Miller & Co, Statutory Auditors Floor A, Milburn House, Dean Street, Newcastle upon Tyne, NE1 1LE 5 July 2017

#### NOTES TO THE FINANCIAL STATEMENTS

#### FOR THE YEAR ENDED 31 MARCH 2017

#### 1. Legal status of the charity

The charity is a company limited by guarantee and has no share capital. In the event of it being wound up, the maximum liability of each member is £5.

#### 2. Accounting policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

#### (a) Basis of preparation

The financial statements have been prepared under the historical cost convention with items recognised at cost unless otherwise stated. They have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102) and the Companies Act 2006.

Gateshead Crossroads Caring for Carers meets the definition of a public benefit entity under FRS 102.

#### (b) Preparation of the accounts on a going concern basis

The charity has reviewed its future budget forecasts and there is a reasonable expectation that it has adequate resources to continue in operational existence for at least the next twelve months and on this basis, the trustees consider the charity to be a going concern.

# (c) Fund structure

The charity has a number of sources of restricted income where funds have been given for a specific purpose and further details are provided in note 9 to the financial statements. Expenditure which meets the specific criteria for each fund is charged to that fund.

All other funds are unrestricted income funds.

#### (d) Income recognition

All income is included in the statement of financial activities when the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably. Contract funding and grants are treated as deferred income where:

- received in advance of the period in which they must be used; or
- entitlement is subject to specific performance conditions which have not been fulfilled at the balance sheet date.

#### (e) Expenditure recognition

Expenditure is recognised when a liability is incurred. Resources expended include attributable VAT which can not be recovered.

Costs of expenditure on raising funds comprise the costs incurred in raising income from grants and donations, together with expenditure on fundraising activities.

Governance costs include those costs incurred in connection with compliance with constitutional and statutory requirements and costs associated with the strategic management of the charity.

Support costs include central services and are allocated to cost categories on the basis of staff costs.

#### NOTES TO THE FINANCIAL STATEMENTS

#### FOR THE YEAR ENDED 31 MARCH 2017

# (f) Fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation.

Depreciation is calculated to write off the cost less estimated residual value of tangible fixed assets over their expected useful lives as follows:

Leasehold property

- straight line over the lease period

Furniture and fittings

- 15% per annum straight line

Office equipment

- 25% per annum straight line

#### (g) Cash at bank

Cash at bank includes a business account, a call account and a treasurers account, all of which are instant access.

#### (h) Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount.

#### (i) Financial instruments

The charity only has financial instruments and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially measured at transaction value and subsequently measured at their settlement value.

3. Net income	2017	2016
