METROPOLITAN PROPERTIES (CITY) LIMITED

DIRECTORS' REPORT

YEAR ENDED 31 DECEMBER 2021

The directors present their report and the financial statements of the company for the year ended 31 December 2021.

PRINCIPAL ACTIVITIES AND BUSINESS REVIEW

The principal activity of the company is property investment in commercial and industrial properties in the UK. From time to time the company undertakes new developments and also the redevelopment of its existing properties. The company's business model is generally to hold its properties for the long term in order to generate rental income and capital appreciation. However, each of the company's investment properties is considered to be potentially for sale in the right circumstances. There has been no significant change in the nature of the company's business activities during the year under review, nor is any envisaged in the immediate future.

DIRECTORS

The directors who served the company during the year were as follows:

B S E Freshwater
D Davis

The Articles of Association of the company do not require the directors to retire by rotation. Neither director has a service contract with the company.

The majority of the day-to-day management of the company's property and its operations is carried out by Highdorn Co. Limited. Mr BSE Freshwater is a director of, but has no beneficial interest in the share capital of, Highdorn Co. Limited.

RESULTS AND DIVIDENDS

The results for the year are set out in the attached profit and loss account and explanatory notes. The financial position of the company at the year end is set out in the attached balance sheet and explanatory notes.

The company did not pay a dividend in the year (2020: £nil). The directors do not propose a final dividend for the year (2020: £nil).

DIRECTORS' RESPONSIBILITIES STATEMENT

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

METROPOLITAN PROPERTIES (CITY) LIMITED

DIRECTORS' REPORT *(continued)*

YEAR ENDED 31 DECEMBER 2021

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

DONATIONS

During the year the company made no charitable donation nor political contribution.

AUDITOR

Each of the persons who is a director at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the company's auditor is unaware; and
- they have taken all steps that they ought to have taken as a director to make themselves aware of any relevant audit information and to establish that the company's auditor is aware of that information.

The auditor is deemed to have been re-appointed in accordance with section 487 of the Companies Act 2006.

This report was approved by the board of directors on 21 September 2022 and signed on behalf of the board by:

J S Southgate
Company Secretary

METROPOLITAN PROPERTIES (CITY) LIMITED
INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF METROPOLITAN
PROPERTIES (CITY) LIMITED
YEAR ENDED 31 DECEMBER 2021

OPINION

We have audited the financial statements of Metropolitan Properties (City) Limited (the 'company') for the year ended 31 December 2021 which comprise the profit and loss account and other comprehensive income, balance sheet, statement of changes in equity and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2021 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

CONCLUSIONS RELATING TO GOING CONCERN

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

METROPOLITAN PROPERTIES (CITY) LIMITED
INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF METROPOLITAN
PROPERTIES (CITY) LIMITED *(continued)*
YEAR ENDED 31 DECEMBER 2021

OTHER INFORMATION

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

OPINIONS ON OTHER MATTERS PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemption from the requirement to prepare a strategic report.

METROPOLITAN PROPERTIES (CITY) LIMITED
INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF METROPOLITAN
PROPERTIES (CITY) LIMITED *(continued)*
YEAR ENDED 31 DECEMBER 2021

RESPONSIBILITIES OF DIRECTORS

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- We obtained an understanding of the legal and regulatory frameworks that are applicable to the company, and determined that the most relevant to the presentation of the financial statements are those that relate to the reporting legislation (UK GAAP and the Companies Act 2006), the relevant tax regulations in the United Kingdom, the Landlord and Tenant Act, the UK General Data Protection Regulation (GDPR), Health & Safety Regulations and the Bribery Act. We understood how the company is complying with those frameworks through discussion with the directors and senior management, and by identifying the company's policies and procedures regarding compliance with laws and regulations. We also identified those members of management who have the primary responsibility for ensuring compliance with laws and regulations, and for reporting any known instances of non-compliance to the directors. We communicated these identified frameworks amongst our audit team and remained alert to any indications of non-compliance throughout the audit. We ensured that the engagement team had sufficient competence and capability to identify or recognise non-compliance with laws and regulations.
- We discussed with the directors and senior management the policies and procedures regarding compliance with these legal and regulatory frameworks.
- We assessed the susceptibility of the company's financial statements to material misstatement, including how fraud might occur, by reviewing the company's identified risks and enquiry with the directors and senior management during the planning and finalisation phases of our audit. The susceptibility to such material misstatement was determined to be low.

METROPOLITAN PROPERTIES (CITY) LIMITED
INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF METROPOLITAN
PROPERTIES (CITY) LIMITED *(continued)*
YEAR ENDED 31 DECEMBER 2021

- Based on this understanding we designed our audit procedures to identify non-compliance with the identified legal and regulatory frameworks, which were part of our procedures on the related financial statement items. Our procedures included reviewing the company's internal controls policies and procedures, reviewing the minutes of board meetings and correspondence with regulatory bodies including HMRC, testing transactions outside the normal course of the business and journal entries, and discussions with the directors and senior management.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations (irregularities) is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it. In addition, as with any audit, there remained a higher risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

METROPOLITAN PROPERTIES (CITY) LIMITED
INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF METROPOLITAN
PROPERTIES (CITY) LIMITED *(continued)*
YEAR ENDED 31 DECEMBER 2021

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

USE OF OUR REPORT

This report is made solely to the company's members, as a body, in accordance with chapter 3 of part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

METROPOLITAN PROPERTIES (CITY) LIMITED
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED 31 DECEMBER 2021

1. GENERAL INFORMATION

Metropolitan Properties (City) Limited (the "Company") is a company limited by shares and incorporated in the UK. The Company's Registered Office is Freshwater House, 158-162 Shaftesbury Avenue, London WC2H 8HR. The presentation currency of these financial statements is sterling.

2. STATEMENT OF COMPLIANCE

These financial statements have been prepared in compliance with the provisions applicable to companies subject to the small companies' regime and voluntarily adopting the disclosure requirements of FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland'.

3. ACCOUNTING POLICIES

Basis of preparation

The financial statements have been prepared under the historical cost convention except that investment property is measured at fair value.

While the impact of the Covid-19 pandemic on the Metropolitan Properties Company group ("the group") has reduced in recent months, the war in Eastern Europe and the associated macro-economic factors, such as increases in inflation and interest rates, are having a negative impact on the economy. Therefore the directors have continued to focus on the group's going concern assessment and have considered the principal risks to the group. This assessment has considered the various probable outcomes of these events on the group's operations and its future financial performance over the next 12 months. The directors have also considered the likelihood of the group's loan covenants being breached in the coming 12 months and remedy packages if these covenants are breached. These risks are beyond the control of the group and represent uncertainty to the revenue and cashflow of the company for the foreseeable future.

Notwithstanding these uncertainties and the net liabilities of the company, the directors have concluded that it is appropriate for the financial statements to be prepared in accordance with the accounting principles appropriate to a going concern and that there is no material uncertainty to this position, as the directors have a reasonable expectation that the company has adequate resources under all plausible circumstances to continue in operational existence for the foreseeable future by meeting its liabilities and commitments as they fall due.

In reaching the above conclusion, the directors have had regard for the provision of support by Metropolitan Properties Company Limited, the company's immediate parent undertaking, and that, for at least 12 months from the date of approval of these financial statements, it will continue to make available working capital funds as are needed to the company. Metropolitan Properties Company Limited has considerable financial resources together with a large property portfolio and access to credit facilities.

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

Judgements made by the directors, in the application of these accounting policies that have significant effect on the financial statements and estimates with a significant risk of material adjustment in the next year are discussed in note 19.

METROPOLITAN PROPERTIES (CITY) LIMITED
NOTES TO THE FINANCIAL STATEMENTS *(continued)*
YEAR ENDED 31 DECEMBER 2021

3. ACCOUNTING POLICIES *(continued)*

Disclosure exemptions

The Company's immediate parent undertaking, Metropolitan Properties Company Limited, includes the Company in its consolidated financial statements. The consolidated financial statements of Metropolitan Properties Company Limited are prepared in accordance with FRS102 and are available to the public and may be obtained from Freshwater House, 158-162 Shaftesbury Avenue, London WC2H 8HR.

In these financial statements, the company is considered to be a qualifying entity (for the purposes of this FRS) and has applied the exemptions available under FRS102 in respect of the following disclosures:

- Reconciliation of the number of shares outstanding from the beginning to the end of the period;
- Cash Flow Statement and related notes;
- Key Management Personnel compensation; and
- Basic and Other Financial Instruments.

Turnover

Turnover comprises rents and service charges receivable. Rental income from investment property leased out under operating leases is recognised in the profit and loss account on a straight line basis over the period to the first break clause. Lease incentives granted to tenants are recognised on a straight line basis over the period to the first break clause. Service charge income is recognised as the services are provided.

Property outgoings

The costs of repairs are recognised in the profit and loss account in the year in which they are incurred.

Taxation

Tax on the profit or loss for the year comprises current and deferred tax. Tax is recognised in the profit and loss account except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised directly in equity or other comprehensive income.

Current tax is expected tax payable or receivable on the taxable income or loss for the year, using rates enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

Provision is made for consideration payable to or receivable from other group undertakings for the surrender of losses under group relief provisions.

Deferred tax is provided on timing differences which arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in the financial statements. The following timing differences are not provided for: differences between accumulated depreciation and tax allowances for the cost of a fixed asset if and when all conditions for retaining the tax allowances have been met.

METROPOLITAN PROPERTIES (CITY) LIMITED
NOTES TO THE FINANCIAL STATEMENTS *(continued)*
YEAR ENDED 31 DECEMBER 2021

3. ACCOUNTING POLICIES *(continued)*

Taxation *(continued)*

Deferred tax is not recognised on permanent differences arising because certain types of income or expense are non-taxable or are disallowable for tax or because certain tax charges or allowances are greater or smaller than the corresponding income or expense.

Deferred tax is provided in respect of the additional tax that will be paid or avoided on differences between the amount at which an asset (other than goodwill) or liability is recognised in a business combination and the corresponding amount that can be deducted or assessed for tax.

Deferred tax is measured at the tax rate that is expected to apply to the reversal of the related difference, using tax rates enacted or substantively enacted at the balance sheet date. For investment property that is measured at fair value, deferred tax is provided at the rate and allowances applicable to the sale of the property.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Investment properties

Investment properties are properties which are held either to earn rental income or for capital appreciation or for both. Investment properties are recognised initially at cost.

Subsequent to initial recognition

- Investment properties are held at fair value. Any gains or losses arising from changes in the fair value are recognised in the profit and loss account in the period that they arise; and
- No depreciation is provided in respect of investment properties applying the fair value model.

Investment property fair value is based on a valuation by an external, independent valuer, having an appropriate recognised professional qualification and recent experience in the location and class of property being valued.

Disposals of properties

The company generally holds its properties for the long term in order to generate rental income and capital appreciation although in the right circumstances any property could be available for sale. When an outright sale does occur the resulting surplus based on the excess of sales proceeds over valuation is included within the company's profit, and taxation applicable thereto is shown as part of the taxation charge. Disposals are recognised on the date the significant risks and rewards of ownership have been transferred and when it is probable that the economic benefits will flow to the company. In addition the company also 'sells' leasehold extensions when requested by leaseholders. The proceeds of these leasehold extension sales, less directly applicable costs, are also included in profit on disposal of investment properties.

Financial instruments

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the entity after deducting all its financial liabilities.

METROPOLITAN PROPERTIES (CITY) LIMITED
NOTES TO THE FINANCIAL STATEMENTS *(continued)*
YEAR ENDED 31 DECEMBER 2021

3. ACCOUNTING POLICIES *(continued)*

Financial instruments *(continued)*

Basic financial instruments

Cash and cash equivalents

Cash and cash equivalents comprise cash balances and call deposits.

Trade and other debtors

Trade and other debtors are recognised initially at transaction price plus attributable transaction costs. Subsequent to initial recognition they are measured at amortised cost using the effective interest method, less any impairment losses. If the arrangement constitutes a financing transaction, for example if payment is deferred beyond normal business terms, then it is measured at the present value of future payments discounted at a market rate for a similar debt instrument.

Trade and other creditors

Trade and other creditors are recognised initially at transaction price less attributable transaction costs. Subsequent to initial recognition they are measured at amortised cost using the effective interest method. If the arrangement constitutes a financing transaction, for example if payment is deferred beyond normal business terms, then it is measured at the present value of future payments discounted at a market rate for a similar debt instrument.

Income and expenses

Interest receivable and interest payable:

Interest income and interest payable are recognised in the profit and loss account as they accrue, using the effective interest method.

Borrowing costs that are directly attributable to the acquisition, construction or redevelopment of an asset that takes a substantial time to be prepared for use are expensed as incurred.

Interest payable and similar charges include interest payable on intercompany loans and late payment charges.

Related party transactions

The company has taken advantage of the exemptions in FRS102 in order to dispense with the requirements to disclose transactions with other companies in the Metropolitan Properties Company Limited group.

4. TURNOVER

Turnover arises from:

	2021	2020
	£	£
Rent receivable	1,359,154	1,644,563
Service charges receivable	678,235	232,971
	<u>2,037,389</u>	<u>1,877,534</u>

METROPOLITAN PROPERTIES (CITY) LIMITED
NOTES TO THE FINANCIAL STATEMENTS *(continued)*
YEAR ENDED 31 DECEMBER 2021

4. TURNOVER *(continued)*

The whole of the turnover is attributable to the principal activity of the company wholly undertaken in the United Kingdom.

5. OTHER OPERATING INCOME

	2021	2020
	£	£
Other operating income	—	<u>58,822</u>

Other operating income in the prior year was in respect of compensation for hoarding erected on land belonging to the company.

6. OPERATING PROFIT

Operating profit or loss is stated after charging/crediting:

	2021	2020
	£	£
Fees payable for the audit of the financial statements	29,900	19,500
Movement in provision for bad debts	<u>(462,922)</u>	<u>536,817</u>

Amounts receivable by the company's auditor in respect of services to the company, other than the audit of the company's financial statements, have not been disclosed as the information is required instead to be disclosed on a consolidated basis in the consolidated financial statements of the company's immediate parent undertaking, Metropolitan Properties Company Limited.

7. PARTICULARS OF EMPLOYEES

No salaries or wages have been paid to the directors during the year (2020: £Nil).

The staff provided by the property and administrative management company, Highdorn Co. Limited, are engaged under joint employment contracts with a fellow subsidiary undertaking of the company and their costs subsequently recharged to the company at a level appropriate to the activity of the company. These recharges, which amounted to £272,387 during the year (2020: £Nil) and which represented an average of 5 staff (2020: Nil), are included within administrative expenses.

8. INTEREST PAYABLE

	2021	2020
	£	£
Group interest payable	<u>3,120,000</u>	<u>3,361,000</u>

METROPOLITAN PROPERTIES (CITY) LIMITED
NOTES TO THE FINANCIAL STATEMENTS *(continued)*
YEAR ENDED 31 DECEMBER 2021

9. TAX ON LOSS

Major components of tax income

	2021 £	2020 £
Current tax:		
Consideration receivable for group relief	(438,366)	(596,354)
Tax on loss	<u>(438,366)</u>	<u>(596,354)</u>

All tax is recognised in the profit and loss account.

Reconciliation of tax income

The tax assessed on the loss on ordinary activities for the year is lower than (2020: higher than) the standard rate of corporation tax in the UK of 19% (2020: 19%).

	2021 £	2020 £
Loss on ordinary activities before taxation	(558,953)	(7,270,654)
Loss on ordinary activities by rate of tax	(106,201)	(1,381,424)
Effect of expenses not deductible for tax purposes	6,441	–
Timing differences on unrealised gains	(338,606)	785,070
Tax on loss	<u>(438,366)</u>	<u>(596,354)</u>

Factors that may affect future tax income

An increase in the main UK corporation tax rate to 25% (effective from 1 April 2023) was substantively enacted on 24 May 2021. This will increase the Company's future tax charge accordingly.

Investment properties held at valuation

An independent professional revaluation of the Company's property was carried out at 31 December 2021 by Colliers International Property Advisers UK LLP, RICS Registered Valuers. The revaluation figures are based on open market value assessed in accordance with the RICS Valuation - Professional Standards (2014).

Valuation techniques and key inputs

The company's commercial units (£54.0 million, 2020: £50.5 million) were valued using the income capitalisation method, requiring the application of an appropriate market based yield to net operating income. Adjustments are made to allow for voids when less than five years are left under the current tenancy and to reflect market rent at the point of lease expiry or rent review. The equivalent yield used was 3.93% (2020: 4.12%) and the estimated rental value used was £25.33 per square foot (2020: £24.40 per square foot).

Historical cost model

The historical cost of investment properties at 31 December 2021 is £38,177,209 (2020: £36,459,346)

11. DEBTORS

	2021	2020
	£	£
- Trade debtors	196,216	699,455
Other debtors	1,189,939	1,300,633
	<u>1,386,155</u>	<u>2,000,088</u>

All debtors are repayable within one year or repayable on demand.

12. CREDITORS: amounts falling due within one year

	2021	2020
	£	£
Trade creditors	359,321	553,807
Amounts owed to group undertakings	60,821,102	57,247,334
VAT	-	248,391
Other creditors	300,250	424,487
	<u>61,480,673</u>	<u>58,474,019</u>

All creditors are repayable within one year or repayable on demand. Amounts owed to group undertakings are sterling loans with interest paid at the rate of 5.45% per annum (2020: 6.51% per annum).

14. CAPITAL AND RESERVES

Called-up share capital represents the nominal value of shares that have been issued.

Profit and loss account includes all current and prior period retained profits and losses.

15. COMMITMENTS UNDER OPERATING LEASES

As lessor

The total future minimum lease payments receivable under non-cancellable operating leases are as follows:

	2021	2020
	£	£
Not later than 1 year	390,784	1,255,383
Later than 1 year and not later than 5 years	437,151	592,565
Later than 5 years	407,726	507,726
	<u>1,235,661</u>	<u>2,355,674</u>

16. CHARGES ON ASSETS AND GUARANTEES

The company has charged its freehold investment property with a book value of £54,000,000 (2020: £50,500,000) as part security for loan facilities granted to Metropolitan Properties (Commercial) Limited, a subsidiary of an intermediate parent undertaking, and also executed a floating charge over all the assets and undertakings of the company. At 31 December 2021 the aggregate indebtedness amounted to £1,783,685 (2020: £3,568,179).

17. RELATED PARTY TRANSACTIONS

The majority of the day-to-day management of the company's property and its operations is carried out by Highdorn Co. Limited ("Highdorn"). Mr B S E Freshwater is a director of, but has no beneficial interest in the share capital of Highdorn.

In their capacity as property managing agents, Highdorn collects rents and incurs direct property expenses on behalf of the company. During the year £101,726 (2020: £176,246) was payable to Highdorn for these services which were charged for at normal commercial rates. The amount owing to Highdorn at 31 December 2021 for these services is £68,670 (2020: £196,050).

18. PARENT COMPANY AND CONTROLLING PARTY

The company is controlled by its immediate parent undertaking, Metropolitan Properties Company Limited, a company registered in England and Wales.

The parent undertaking of the largest group of undertakings for which group financial statements are drawn up is Centremanor Limited, a company registered in England and Wales.

The parent undertaking of the smallest group of undertakings for which group financial statements are drawn up is Metropolitan Properties Company Limited, a company registered in England and Wales.

Copies of these financial statements can be obtained from the following address:

Freshwater House, 158-162 Shaftesbury Avenue, London WC2H 8HR.

18. PARENT COMPANY AND CONTROLLING PARTY *(continued)*

The ultimate parent undertaking is Linnet Limited, a company incorporated in the Isle of Man and controlled by trusts.

19. ACCOUNTING ESTIMATES AND JUDGEMENTS

i. Property valuations

The valuation of the company's property is inherently subjective, depending on many factors, including the individual nature of the property, its location and expected future net rental values, market yields and comparable market transactions (as set out in Note 10). Therefore the valuation is subject to a degree of uncertainty and is made on the basis of assumptions which may not prove to be accurate, particularly in periods of difficult market or economic conditions. As noted in Note 3 above, the company's property is valued by an external valuer with appropriate qualifications and experience.

ii. Trade debtors

Management uses details of the age of trade debtors and the status of any disputes together with external evidence of the credit status of the counterparty in making judgements concerning any need to impair the carrying values.
